AMENDMENT 2
OF THE
MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN
THE CALIFORNIA STATEWIDE AUTOMATED WELFARE SYSTEM
CONSORTIUM IV AND THE COUNTY OF El Dorado

INTRODUCTION

The purpose of this Amendment of the MOU is to delineate the areas of understanding and agreement between the Consortium and the County with regard to transfer of property. The parties to this MOU wish to make provisions for the transfer of Local Equipment from the Consortium to the County and to provide a mechanism whereby the County can transfer Impaired Devices to Consortium in exchange for operable equipment from Consortium. Additionally, this Amendment delineates the areas of understanding and agreement between the Consortium and the County with regard to the budgeting, accounting, claiming, and procurement procedures for Hardware and Software (HW/SW) and Separate Services during migration Development and Implementation (D&I) and C-IV Maintenance and Operations (M&O). This Amendment is conditioned on the Consortium entering into the same Amendment with other migrating member counties.

NOW THEREFORE, the MOU is amended as follows, effective as of the date of the signature by County below:

I. DEFINITIONS

Section I is amended to include the following definitions:

- 1.19 **“Local Equipment”**: Work station equipment, including monitors, keyboards, mice and printers which were obtained by County and contributed to Consortium for System use.
- 1.20 **“Impaired Device”**: Any equipment that is used by County for System use which has become, whether by damage or other reason, incapable of performing its intended System purpose.
- 1.21 **“Separate Services”**: Services which are related to the System, obtained by Counties from Accenture.

II. COUNTY

Section II is amended to include:

2.5 Claiming During Migration Development and Implementation (D&I) and C-IV Maintenance and Operations (M&O).

- 2.5.1 The County will be responsible for the costs of HW/SW for new County Sites or the expansion of existing Sites, refresh of existing local HW/SW (as deemed necessary by the County) and Separate Services requested by the County. The County will prepare and submit Advance Planning Documents (APDs) to the State for approval of these items.
- 2.5.2 The Consortium's Controller shall act as fiscal agent for the Consortium and perform accounts payable functions that relate to vendor billings and overall project costs, including Separate Services and HW/SW purchased by the County. The Consortium will invoice each County monthly for the County specific costs incurred in accordance herewith.
- 2.5.3 The Consortium M&O Project costs will be budgeted in the California Department of Social Services (CDSS) Local Assistance item for Automation Projects. The budget will be based on costs included in the most current approved C-IV M&O Implementation Advance Planning Document Update (IAPDU). The budget will reflect total costs for the Consortium, not costs for each County.
- 2.5.4 Each of the C-IV Counties will be required to pay its applicable share of the Migration D&I Budget and the C-IV M&O Project Budget, in accordance with Section 2.7 hereof and Section 5.02 of the Joint Exercise of Powers Agreement, at the time and in the manner specified by the Consortium. Such County Project Costs, excluding specific County-incurred costs, will be paid to the Consortium.
- 2.5.5 The Consortium Migration D&I Project costs will be budgeted in the California Department of Social Services (CDSS) Local Assistance item for Automation Projects. The budget will be based on costs included in the most current approved Migration D&I IAPDU. The budget will reflect total costs for the Consortium, not costs for each County.
- 2.5.6 If, during the term of this MOU, the County is unable to appropriate sufficient funds to meet its obligations hereunder, and there are no other legal procedures or available funds by or with which such obligations

can be met, County shall have the right to terminate this MOU and withdraw its membership from the Consortium effective as of the end of that fiscal year by adoption of a resolution of withdrawal by County's Board of Supervisors, provided that a copy of said resolution has been served on all other county members of the Consortium by May 31st of that fiscal year. Withdrawal under this subsection shall not relieve the County of any financial obligations or liabilities arising prior to the effective date of the withdrawal.

2.6 Hardware/Software (HW/SW).

- 2.6.1 The County will prepare and submit to the Consortium a change order to request a cost estimate for additional HW/SW. This request will identify the number of additional HW/SW anticipated for each County Site. The request will specify any special needs or considerations for the items requested. These special needs may include, but are not limited to, monitor sizes, configurations, ergonomics, specialized software, or color printers. The request will also identify whether the County will install all, some, or none of the items requested.
- 2.6.2 Once the applicable APD is approved, the County will be responsible for providing written approval, from the State, of the cost estimate to the Consortium. The Consortium will not take any steps to authorize the procurement of the HW/SW until such written authorization is provided. Any increases in the cost estimate must also be approved in writing by the County.
- 2.6.3 The parties recognize that all HW/SW procured in accordance with this MOU will become County property.
- 2.6.4 The County will be responsible for the installation of all electrical and data cabling to support the necessary HW/SW at the County Site(s). Electrical cabling will be installed in compliance with the County's current practices for such installations. Data cabling will be installed and tested per the standards identified in the C-IV System Operations and Support Plan (SOSP). Data cabling test results will be provided to the Consortium for their review.
- 2.6.5 The County will be responsible for the costs associated with the ordering and installation of data circuits between the local County Site(s) and the C-IV Production Data Center. The County will work with Accenture

Staff to ensure that the data circuit is of appropriate bandwidth in accordance with C-IV specifications.

- 2.6.6 Following the receipt, installation and acceptance of the additional HW/SW, the County will transfer to the Consortium an amount sufficient to satisfy the Consortium's actual expenditures for the HW/SW based on invoice documentation provided by the Consortium.

2.8 Separate Services.

- 2.8.1 County may prepare and submit to the Consortium a change order to request Separate Services to be performed by Accenture. This request will identify the type(s) of Separate Services sought for each County Site and specify any special needs or considerations for the requested Separate Services.
- 2.8.2 The County will ensure that such Separate Services are performed in a timely manner and in compliance with the cost estimate provided by Accenture. The County will communicate with the Consortium regarding the progress of the Separate Services and any issues that may affect the Consortium or the C-IV System.

III. CONSORTIUM

Section III is amended to include:

3.7 Hardware/Software (HW/SW).

- 3.7.1 Upon receiving a change order request from the County for HW/SW, the Consortium will forward the change order to Accenture for a cost estimate that will be provided in accordance with the procedures in the Consortium agreement with Accenture, including estimates with all appropriate costs for the items specified in the request as well as all other HW/SW that is necessary to ensure compliance with C-IV specifications. in compliance with the approved cost estimate.

- 3.7.3 All HW/SW procured under this MOU will become County property. The County will track and manage such property in accordance with mutually agreed upon inventory and accounting practices and procedures. Consortium shall retain the right to operational management of all HW/SW in accordance with Consortium procedures.
- 3.7.4 Except as otherwise mutually agreed upon in writing, the Consortium is responsible for all on-going maintenance and licensing of all HW/SW procured or otherwise obtained under this MOU. The Consortium will budget such additional costs in its annual expenditures.

- 3.9.1 Upon receiving a change order request from the County for Separate Services, the Consortium will forward the change order to Accenture for a cost estimate that will be provided in accordance with the procedures in the Consortium agreement with Accenture, including estimates with all appropriate costs for the services specified in the request. The Consortium will also ensure that such services are appropriately related to the C-IV System. Once the Consortium receives the cost estimate from Accenture, the Consortium will forward the estimate to the County.
- 3.9.2 The Consortium will work with the County to ensure that such Separate Services are performed in a timely manner and in compliance with the cost estimate provided by Accenture.

IV. MUTUAL RESPONSIBILITIES

Section IV is amended to include:

- 4.7 **Claiming During Development and Implementation (D&I) and Maintenance and Operations (M&O).** The Consortium will allocate the project budget to each County in accordance with Section 2.7 hereof and Section 5.02 of the Joint Exercise of Powers Agreement so that individual Counties may be responsible for tracking budget to actual variance during the fiscal year. The Consortium will continue to evaluate total Project expenditures and budget variances. If, during the term of this MOU, County is unable to appropriate sufficient funds to meet its obligation under this Section 2.7, and there are no other legal procedures or available funds by or with which such obligations can be met, County shall have the right to terminate this MOU and withdraw its membership from the Consortium effective as of the end of that fiscal year by adoption of a resolution of withdrawal by County's Board of Supervisors, provided that a copy of said resolution has been served on all other county members of the Consortium by May 31st of that fiscal year. Withdrawal under this subsection shall not relieve County of any financial obligations or liability arising prior to the effective date of the withdrawal.

2. Section III is amended to include:

3.7. Intentionally left blank.

3.8. **Allocation of Unfunded Costs.**

3.8.1. The Consortium shall approve the basis on which Unfunded Costs are allocated to the County. THE CALIFORNIA STATEWIDE AUTOMATED WELFARE SYSTEM
CONSORTIUM IV AND THE COUNTY OF EL DORADO**

This MEMORANDUM OF UNDERSTANDING ("MOU") is made and entered into by and between the California Statewide Automated Welfare System Consortium IV (hereafter "Consortium"), a Joint Powers Authority, and the County of El Dorado (hereafter "County"), an incoming Member of the Consortium (hereafter, collectively, "the Parties").

INTRODUCTION

The purpose of the Consortium is to design, develop, operate and maintain an automated system (hereinafter "the C-IV System") to support the business requirements for the administration of certain public assistance programs for the Consortium counties (hereafter "Counties") through the provision of State and Federal funding as provided under California Welfare and Institutions Code section 10823, et. seq.

On December 15, 1998, the Consortium issued a Solicitation of Proposal ("SOP"), seeking vendors to obtain the necessary services and materials for the new automated system. After review and evaluation of responses to the SOP, Accenture, LLP, (formerly Andersen Consulting, LLP) was selected by the Consortium to provide the new automated system.

On February 28, 2001, the Consortium and Accenture entered into a revised System Agreement (hereafter "System Agreement") for the provision of equipment, software and services by Accenture to the Consortium and each of the Counties as necessary for the design, development, implementation and on-going operation and maintenance of the C-IV System. The System Agreement further sets forth the requirements and obligations of the Consortium and the Counties as necessary for the timely and efficient performance of Accenture under the System Agreement.

The County using the computer system known as the Interim Statewide Automated Welfare System ("ISAWS") desires to replace the ISAWS with the C-IV System.

The Consortium desires Accenture to design, develop and implement application software modifications to the C-IV System to benefit the County and other migrating counties as well as the original Consortium counties.
