Payment shall be made within forty-five (45) days following County's receipt and approval of invoices identifying the services rendered.

- A. **Rates:** For the purposes of this Agreement, the billing rate shall be as defined in Exhibit A, Item VI titled "THP-Plus Rates & Service Levels." Said monthly rate shall be prorated per Participant for any month in which only a partial month of service was provided, based upon available funding. Contractors receiving a Contract Monitoring Survey shall, within thirty (30) days of receipt, complete and return the survey along with all documentation, details, and supporting materials required by the survey or otherwise necessary for the County to verify compliance with the terms and conditions of the Agreement. Failure to return the survey or requested follow up compliance documentation within sixty (60) days may result in the withholding of payment from the Contractor until such time as compliance with the terms of the Agreement can be verified. Verifying compliance may necessitate additional on-site reviews should information submitted by the Contractor be deemed insufficient or inaccurate.
- C. All files, records, documents, sites, and personnel are subject to review by representatives from County, State or Federal government.
- D. Upon notification of an exception or finding of non-compliance, the Contractor shall submit evidence of Corrective Action within thirty (30) days, or as otherwise specified in the notice of required corrective action provided by the County. Continued non-compliance beyond due date for submission of Corrective Action may lead to termination of this Agreement in accordance with the Article titled "Default, Termination, and Cancellation."
- E. Failure by County to notify or require Corrective Action does not constitute acceptance of the practice of waiver of the County's right to enforce.

ARTICLE VI

Nondiscrimination:

- A. County may require Contractor's services on projects involving funding from various state and/or federal agencies, and as a consequence, Contractor shall comply with all applicable nondiscrimination statutes and regulations during the performance of this Agreement including but not limited to the following: Contractor and its employees and representatives shall not unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, mental disability, medical condition, genetic information, military or veteran status, marital status, age, gender, gender identity, gender expression, sexual orientation, or sex; Contractor shall, unless exempt, comply with the applicable provisions of the Fair Employment and Housing Act (Government Code, section 12900 et seq.) and applicable regulations promulgated thereunder (California Code of Regulations, Title 2, section 11000 et seq.); the applicable regulations of the Fair Employment and Housing Commission implementing Government Code, section 12990, set forth in Subchapter 5 of Chapter 5 of Division 4.1 of Title 2 of the California Code of Regulations incorporated into this Agreement by reference and made a part hereof as if set forth in full; and Title VI of the Civil Rights Act of 1964, as amended. Contractor and its employees and representatives shall give written notice of their obligations under this clause as required by law.
- B. Where applicable, Contractor shall include these nondiscrimination and compliance provisions in any of its agreements that affect or are related to the services performed herein.

- C. Contractor's signature executing this Agreement shall provide any certifications necessary under the federal laws, the laws of the State of California, including but not limited to Government Code Section 12990 and Title 2, California Code of Regulations, Section 11102.
- D. Contractor shall comply with Exhibit C, marked "Contractor Assurance of Compliance with Nondiscrimination in State and Federally Assisted Programs," incorporated herein and made by reference a part hereof. Contractor shall acknowledge compliance by signing and returning Exhibit C upon request by County.

ARTICLE VII

Taxes: Contractor certifies that as of today's date, it is not in default on any unsecured property taxes or other taxes, or fees owed by Contractor to County. Contractor agrees that it shall not default on any obligations to County during the term of this Agreement.

ARTICLE VIII

Executive Order N-6-22 – Russia Sanctions: On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, if this Agreement is funded by state funds and County determines Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The County will provide Contractor advance written notice of such termination, allowing Contractor at least thirty (30) calendar days to provide a written response. Termination will be at the sole discretion of the County.

ARTICLE IX

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE X

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further understood that this Agreement does not create an exclusive relationship between County and Contractor, and Contractor may perform similar work or services for others. However, Contractor shall not enter into any agreement with any other party or provide any information in any manner to any other party, that would conflict with Contractor's responsibilities or hinder Contractor's performance of services hereunder, unless County's Contract Administrator, in writing, authorizes that agreement or sharing of information.

ARTICLE XI

Confidentiality: Contractor shall maintain the confidentiality and privileged nature of all records, including billing records, together with any knowledge therein acquired, in accordance with all applicable state and federal laws and regulations, as they may now exist or may hereafter be amended or changed. Contractor, and all Contractor's staff, employees, and representatives, shall not use or disclose, directly or indirectly at any time, any said confidential information, other than to County's Contract Administrator for the purpose of, and in the performance of, this Agreement. This confidentiality provision shall survive after the expiration or earlier termination of this Agreement.

ARTICLE XII

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate, or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

In the event Contractor receives written consent to subcontract services under this Agreement, Contractor is required to ensure subcontractor remains in compliance with the terms and conditions of this Agreement. In addition, Contractor is required to monitor subcontractor's compliance with said terms and conditions and provide written evidence of monitoring to County upon request.

ARTICLE XIII

Independent Contractor: The parties intend that an independent contractor relationship will be created by this contract. Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, agents, affiliates, and subcontractors, if any are authorized herein, as they relate to the services or work to be performed under this Agreement during the course and scope of their employment by Contractor. Those persons will be entirely and exclusively under the direction, supervision, and control of Contractor.

County may designate the tasks to be performed and the results to be accomplished under this Agreement, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services, but County will not control or direct the manner, means, methods, or sequence in which Contractor performs the work or services for accomplishing the results. Contractor understands and agrees that Contractor lacks the authority to bind County or incur any obligations on behalf of County.

Contractor, including any subcontractor or employees of Contractor, shall not receive, nor be eligible for, any benefits County provides for its employees, including, but not limited to, vacation pay, paid holidays, life insurance, health insurance, social security, disability insurance, pension, or 457 plans. Contractor shall not receive, nor be eligible for, workers' compensation, including medical and indemnity payments. County is not responsible for withholding, and shall not withhold, Federal Income Contribution Act amounts or taxes of any kind from any payments which it owes Contractor. Contractor shall not be subject to the work schedules or vacation periods that apply to County employees.

Contractor shall be solely responsible for paying its employees, and for withholding Federal Income Contribution Act amounts and other taxes, workers' compensation, unemployment compensation, medical insurance, life insurance, or any other benefit that Contractor provides for its employees.

Contractor acknowledges that it has no authority to bind the County or incur any obligations on behalf of the County with regard to any matter, and Contractor shall not make any agreements or representations on the County's behalf.

ARTICLE XIV

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the County's Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XV

Audit by California State Auditor: Contractor acknowledges that if total compensation under this agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code §8546.7. In order to facilitate these potential examinations and audits, Contractor shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the contract, all books, records and documentation necessary to demonstrate performance under the Agreement.

ARTICLE XVI

Default, Termination, and Cancellation:

- A. Termination by Default: If either party becomes aware of an event of default, that party shall give written notice of said default to the party in default that shall state the following:
1. The alleged default and the applicable Agreement provision; and

2. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

If County terminates this Agreement, in whole or in part, for default:

1. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and Contractor shall be liable to County for any excess costs for those goods or services. County may deduct from any payment due, or that may thereafter become due to Consultant, the excess costs to procure from an alternate source.
2. County shall pay Contractor the sum due to Contractor under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be deducted from any sum due Contractor under this Agreement and the balance, if any, shall be paid to Contractor upon demand.
3. County may require Contractor to transfer title and deliver to County any completed work under the Agreement.

The following will be events of default under this Agreement:

1. Failure by either party to perform in a timely and satisfactory manner any or all of its obligations under this Agreement.
 2. A representation or warranty made by Contractor in this Agreement proves to have been false or misleading in any respect.
 3. Contractor fails to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement, unless County agrees, in writing, to an extension of the time to perform before that time period expires.
 4. A violation of the Article titled "Conflict of Interest."
- B. Bankruptcy: County may terminate this Agreement immediately in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. Ceasing Performance: County may terminate this Agreement immediately in the event Contractor ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination, in accordance with the Article titled "Notice to Parties." If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to Contractor, and for any other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.

ARTICLE XVII

Said notice shall become part of this Agreement upon acknowledgment in writing by the County Contract Administrator, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

ARTICLE XIX

Indemnity: To the fullest extent permitted by law, Contractor shall defend at its own expense, indemnify, and hold the County harmless, its officers, employees, agents, and volunteers, against and from any and all liability, claims, suits, losses, damages, or expenses of every name, kind and description, including attorney's fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, County employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to or in any way

Nothing herein shall be construed to seek indemnity in excess of that permitted by Civil Code section 2782, et seq. In the event any portion of this Article is found invalid, the Parties agree that this Article shall survive and be interpreted consistent with the provisions of Civil Code section 2782, et seq.

Except as otherwise provided in this Agreement, Contractor, may use or disclose PII to perform functions, activities or services identified in this Agreement provided that such use or disclosure would not violate Federal or State laws or regulations.

- 2) Contractor shall implement the following security controls on each server, workstation, or portable (e.g. laptop computer) computing device that processes or stores confidential, personal, or sensitive data:

- 5) Notification of Electronic Breach or Improper Disclosure. During the term of this Agreement, Contractor shall notify County immediately upon discovery of any breach of PII or data, where the information or data are reasonably believed to have been acquired by an unauthorized person. Immediate notification shall be made to County Privacy Officer, within two business days of discovery, at (530) 621-5852. Contractor shall take prompt corrective action to cure any deficiencies and any action pertaining to such unauthorized disclosure required by applicable Federal

and State laws and regulations. Contractor shall investigate such breach and provide a written report of the investigation to County Privacy Officer, postmarked within thirty (30) working days of the discovery of the breach.

- C. Access to Records: The Contractor shall provide access to the federal, state or local Contractor agency, the Controller General of the United States, or any of their duly authorized federal, state or local representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this specific Agreement for the purpose of making an audit, examination, excerpts and transcriptions.
- D. Compliance with All Federal, State, and Local Laws and Regulations: Contractor shall comply with all federal, state and local laws including, but not limited to, the Americans with Disabilities Act (ADA) of 1990 (42 USC 12101 et. seq.) and California Government Code Sections 11135-11139.5, and all regulations, requirements, and directives pertinent to its operations. Contractor shall abide by manuals, directives and other guidance issued by the State of California. All appropriate manuals and updates shall be available for review or reference by Contractor from the County Health and Human Services Agency.

Contractor shall further comply with all applicable laws relating to wages and hours of employment and occupational safety and to fire, safety, health, and sanitation regulations. Such laws shall include, but not be limited to, the Copeland "Anti-Kickback" Act, the Davis-Bacon Act, the Contract Work Hours and Safety Standards Act, the Clean Air Act and amendments, the Clean Water Act and amendments, and the Federal Water Pollution Control Act.

Contractor further warrants that it has all necessary licenses, permits, notices, approvals, certificates, waivers and exemptions necessary for the provision of services hereunder and required by the laws and regulations of the United States, the State of California, the County of El Dorado, and all other appropriate governmental agencies and shall maintain these throughout the term of the Agreement.

- E. Debarment and Suspension Certification: By signing this Agreement, the Contractor agrees to comply with applicable federal suspension and debarment regulations including, but not limited to 45 CFR 75.213 and Contractor further certifies to the best of its knowledge and belief that it and its principals or affiliates or any sub-contractor utilized under the Agreement:
1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency.
 2. Have not within a three (3)-year period preceding this application/proposal/Agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.
 3. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in the above Paragraph 2.
 4. Have not within a three (3)-year period preceding this Agreement had one or more public

transactions (federal, state, or local) terminated for cause or default.

5. Shall not knowingly enter into any lower tier or subrecipient covered transaction with any person(s) who are proposed for debarment under federal regulations (i.e., 48 CFR part 9, subpart 9.4) or are debarred, suspended, declared ineligible or voluntarily excluded from participation in such transactions, unless authorized by the state.
6. Shall include a clause titled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier or subrecipient covered transactions in accordance with 45 CFR Part 75.213.

If the Contractor is unable to certify to any of the statements in this certification, the Contractor shall submit an explanation in writing to County.

The terms and definitions herein have the meanings set out in the Definitions and Coverage sections of the rules implementing Federal Executive Order 12549 (<http://www.archives.gov/federal-register/codification/executive-order/12549.html>).

If the Contractor knowingly violates this certification, in addition to other remedies available to the federal and state governments, County may immediately terminate this Agreement for cause or default.

- F. Accounting Systems and Financial Records: Contractor shall be required to establish and maintain accounting systems and financial records that accurately account for and reflect all federal funds received, including all matching funds from the State, County and any other local or private organizations. Contractor's records shall reflect the expenditure and accounting of said funds in accordance with all State laws and procedures for expending and accounting for all funds and receivables, as well as meet the financial management standards in 45 CFR Part 75 and in the "Office of Management and Budget Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." More particularly, Contractors are responsible for complying with the Uniform Grants Guidance and 45 CFR Part 75, and the allowability of the costs covered therein. Contractor must obtain written approval from a member of the HHSA Executive Management prior to the expenditure of any "special" or unusual costs in order to avoid possible disallowances or disputes based on any potential unreasonableness or unallowability of expenditures as detailed under the specific cost principles of the Uniform Grants Guidance. In order to obtain the most current regulations, the user should consult not only the latest version of the CFR, but also the List of Sections Affected issued in the current month. The Federal Register home page offers links to both the Federal Register and the CFR. Electronic CFR (e-CFR) versions are available online via the U.S. Government Printing Office website. Please note that documents on e-CFR, although updated daily, are unofficial editorial compilations of CFR material and Federal Register amendments and on-line versions may not be the most current version available.
- G. Annual Audit: Pursuant to the Office of Management and Budget Uniform Grants Guidance, any entity that receives federal funds, as stated in the Uniform Grants Guidance, for the purposes of carrying out federal programs, must complete an annual audit. The funding threshold is aggregate funds from all sources. If requested by County, Contractor shall mail a certified copy of said completed annual audit to County's Health and Human Services Agency at the address listed in Agreement's "Notice to Parties" Article within thirty (30) days of Contractor's receipt of same. All adverse audit findings must be documented and

included with completed annual audit. Certified evidence of correction(s) of adverse audit findings shall be provided to County at the HHSA address listed in Agreement's Article titled "Notice to Parties."

- H. Conflict Prevention and Resolution: The terms of this Agreement shall control over any conflicting terms in any referenced document, except to the extent that the end result would constitute a violation of Federal or State law. In such circumstances, and only to the extent the conflict exists, this Agreement shall be considered the controlling document.
- I. Continuous Operation: Contractor shall operate continuously throughout the term of this Agreement with at least the minimum number and type of staff required to meet applicable Federal, State, and County requirements, and which are necessary for the provision of services hereunder.
- J. Drug-Free Workplace: Contractor agrees to maintain a drug-free workplace and remain in compliance with the Federal Drug-Free Workplace Act of 1988 (41 U.S.C. Chapter 10) and the California Drug-Free Workplace Act of 1990 (Government Code Section 8350 et seq.) and any subsequent amendments to either Act thereto. A "drug free workplace" means the site(s) for the performance of work done by Contractor at which Contractor and employees of the Contractor are prohibited from engaging in the unlawful manufacture, distribution, dispensing, possession, or use of any controlled substance. A list of controlled substances can be found in Schedules I through V of Section 202 of the Controlled Substances Act (21 U.S.C. 812) and as further defined in Regulation 21 CFR 1308.11 – 1308.15.
- K. Fingerprinting: Pursuant to California Penal Code Section 11105.3(a), "Notwithstanding any other law, a human resource agency or an employer may request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in subdivision (1) of Section 15660 of the WIC of a person who applies for a license, employment, or volunteer position, in which they would have supervisory or disciplinary power over a minor or any person under their care." Therefore, Contractor warrants that its employees, subcontractors, assignees, volunteers and any other persons who, while providing services under this Agreement, have or may have supervisory or disciplinary power over any person or minor under his or her care, have been fingerprinted in order to determine whether they have a criminal history that would compromise the safety of persons or minors with whom they have contact in the course of provision of services under this Agreement. Contractor further warrants that said employees, subcontractors, assignees, volunteers and other persons have been cleared by Contractor to perform the services described in this Agreement. All fingerprinting services shall be at Contractor's sole expense. More specifically, Contractor agrees that:
 - 1. Each applicant for paid or volunteer employment by Contractor who shall or may have a supervisory or disciplinary power over a minor or any person under his or her care shall be fingerprinted in order to determine whether they have a criminal history, which would compromise the safety of such minor, or person(s) under his or her care. All fingerprinting shall be at Contractor's sole expense.
 - 2. The fingerprinting process as set forth above shall be completed and the results of the process shall be obtained before any of the Contractor's employees, subcontractors, assignees, or volunteers are assigned or permitted to work with any minor or person referred to Contractor by County. Alternatively, the Contractor may set a hire date prior to

obtaining fingerprinting results contingent on the applicant certifying that: (1) his or her employment application truthfully and completely discloses whether he or she has ever been convicted of a felony or misdemeanor or been on parole or probation and (2) that the applicant understands that a background check shall be conducted and that he or she shall be immediately dismissed from employment if he or she has failed to provide information regarding convictions, has provided incomplete information regarding convictions, has omitted information regarding convictions or if the fingerprinting results reveal any conviction incompatible with employment with Contractor.

3. Contractor shall maintain, and make immediately available to County upon request, a written fingerprint certification for each employee, volunteer, or applicant for paid or volunteer employment for whom fingerprinting is required as detailed above. Such certification shall state that the individual has been fingerprinted, shall provide the date of said fingerprinting, and shall state whether the process has disclosed any criminal history of the individual, which may compromise the safety of minors or other persons with whom that individual has contact. Fingerprint information received from Department of Justice (DOJ) by Contractor shall be retained or disposed of pursuant to current DOJ directives.

- L. Litigation: County, promptly after receiving notice thereof, shall notify the Contractor in writing of the commencement of any claim, suit, or action against the County or State of California or its officers or employees for which the Contractor must provide indemnification under this Agreement. The failure of the County to give such notice, information, authorization, or assistance shall not relieve the Contractor of its indemnification obligations.

Contractor, promptly after receiving notice thereof, shall immediately notify the County in writing of any claim or action against it which affects, or may affect, this Agreement, the terms and conditions hereunder, or the County or State of California, and shall take such action with respect to said claim or action which is consistent with the terms of this Agreement and the interest of the County and State.

- M. Release of Information: Contractor shall ensure that the County of El Dorado Health and Human Services Agency is included as a receiving party on all Release of Information forms used in the performance of services under this Agreement.

- N. Transfer of Records: In the event that Contractor ceases operation, all physical and electronic files that are subject to audit shall be transferred to the County for proper storage of physical records and electronic data. Contractor shall notify County of impending closure as soon as such closure has been determined and provide County with a complete list of records in its possession pertaining to County Clients and operational costs under this Agreement. County shall promptly advise Contractor which records are to be transferred to the custody of County. Contractor shall properly destroy records not transferred to custody of County, and Contractor shall provide documentation of proper destruction of all such records to County.
