All lease payments and/or fees not paid by the date due shall be considered delinquent and a late charge of ten percent (10%) per month of delinquency may be assessed.

5. **USE OF PREMISES:**

- A. **Federally Obligated.** The Premises are located on federally obligated airport property that is subject to assurances made by the COUNTY in accepting federal funding for the airport. LESSEE'S use of the Premises is subordinate to COUNTY's federal obligations and conditional on LESSEE's compliance with federal law. The Premises are subject to inspection by the Federal Aviation Administration ("FAA") and COUNTY for compliance with FAA regulations and policies governing the use of federally obligated airport property.
- B. **Aeronautical Use Only.** Use of the premises is restricted to aeronautical use only as defined by the FAA. The Premises are leased herein for the sole purpose of non-commercial storage, care, and maintenance of LESSEE'S aircraft. Any non-aeronautical items stored in the hangar must not interfere with aeronautical use of the hangar, must not displace aeronautical contents of the hangar, must not impede movement of the aircraft in and out of the hangar or impede access to the aircraft or other aeronautical contents, and must not require a larger hangar than would otherwise be necessary for the storage, care and maintenance of LESSEE's aircraft.
- C. **Residential Use Prohibited.** Residential use of the Premises is prohibited by the FAA. Residential use includes any overnight occupation of the Premises that is not directly related to the care, maintenance or operation of LESSEE's aircraft.
- D. **All Commercial Activity Prohibited.** Unless expressly provided for herein or by other written agreement with COUNTY, nothing in this Lease shall be construed to grant LESSEE the right to rent hangar to others, conduct business or any commercial activity upon the Premises herein, including but not limited to those activities normally or actually conducted by fixed base operators upon Airport property. The storage of an aircraft used in LESSEE'S trade or business shall not be deemed a "commercial activity" and such aircraft shall be deemed to be "LESSEE'S aircraft" for purposes of this Section.

6. **INSURANCE:**

LESSEE shall provide proof of a policy of insurance satisfactory to COUNTY'S Risk Management Division and documentation evidencing that LESSEE maintains insurance that meets the following requirements:

- A. Aircraft Liability Insurance of \$1,000,000 per occurrence for bodily injury and property damage for aircraft operated and/or stored on the Premises. Aircraft Liability Insurance shall include premises liability and evidence of coverage shall be provided to County's Risk Management Division. If premises liability is not included in the Aircraft Liability policy, a separate Hangar Liability policy with a \$1,000,000 occurrence limit for injury or damage shall be obtained.
- B. Motor Vehicle Liability Insurance of not less than \$100,000 bodily injury limits per person, \$300,000 bodily injury limits per occurrence, and \$50,000 for damage to the property of other people, is required in the event motor vehicles are used by LESSEE on COUNTY'S premises.
- C. LESSEE shall furnish a certificate of insurance satisfactory to COUNTY'S Risk Management Division as evidence that the insurance required above is being maintained.
- D. The insurance will be issued by an insurance company acceptable to COUNTY'S Risk Management Division, or be provided through partial or total self-insurance likewise acceptable to COUNTY'S Risk Management Division.
- E. LESSEE agrees that the insurance required herein shall be in effect at all times during the term of this Lease. In the event said insurance coverage expires at any time or times during the term of this Lease, LESSEE agrees to provide at least thirty (30) days prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the Lease, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of COUNTY'S Risk Management Division, and LESSEE agrees that the Lease shall not commence prior to the giving of such approval. In the event LESSEE fails to keep in effect at all times insurance coverage as herein provided, COUNTY may, in addition to any other remedies it may have, terminate this Lease upon the occurrence of such event.
- F. The certificate of insurance must include provisions stating that:
 - 1. The insurer will not cancel the insured's coverage without 30-day prior written notice to COUNTY; and
 - 2. The County of El Dorado, its officers, officials, employees and volunteers are included as additional insured, on an additional insured endorsement for Aircraft Liability and Hangar Liability policies, but only insofar as the operations under this Lease are concerned. This provision shall apply to the Aircraft Liability and Hangar Liability Policies.

- G. LESSEE'S insurance shall be primary insurance as respects COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by COUNTY, its officers, officials, employees or volunteers shall be in excess of LESSEE'S insurance and shall not contribute with it.
- H. Any deductibles or self-insured retentions must be declared to, and approved, by COUNTY. At the option of COUNTY, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects COUNTY, its officers, officials, employees and volunteers; or LESSEE shall procure a bond guaranteeing payment of losses and related investigations, claim administration, and defense expenses.
- I. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to COUNTY, its officers, officials, employees, or volunteers.
- J. The insurance companies shall have no recourse against COUNTY, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- K. LESSEE'S obligations shall not be limited by the foregoing insurance requirements and shall survive the expiration of this Lease.
- L. In the event LESSEE cannot provide an occurrence policy, LESSEE shall provide insurance covering claims made as a result of performance of this Lease for not less than three (3) years following completion of this Lease.
- M. The certificate of insurance shall meet such additional standards as may be determined by COUNTY, either independently or in consultation with COUNTY'S Risk Management Division as essential for protection of COUNTY.

7. HOLD HARMLESS/INDEMNIFICATION:

To the fullest extent allowed by law, LESSEE shall, at LESSEE'S sole expense, indemnify, protect, defend, and hold harmless COUNTY from any and all claims, demands, suits, actions, and liabilities for any and all loss, damage, and liability for damages, including attorneys' fees and other costs of defense, whether for damage to or loss of property, injury to or death of any person, or economic or consequential loss, regardless of the degree of fault or negligence on the part of COUNTY, arising out of or relating directly or indirectly to this Lease, the tenancy created under this Lease, or the Premises, including without limitation:

- A. The use or occupancy, or manner of use or occupancy, of the Premises by LESSEE;
- B. Any act, error, omission, or negligence of LESSEE, or of any invitee, guest, or licensee of LESSEE;
- C. Any alteration, activities, work, or things done, omitted, permitted, allowed, or suffered by LESSEE in, at, or about the Premises, including the violation of or

failure to comply with any applicable laws, statutes, ordinances, standards, rules, regulations, orders, decrees, or judgments in existence on the effective date of this Lease or enacted, promulgated, or issued after the effective date of this Lease;

- D. Any breach or default in performance of any obligation on LESSEE'S part to be performed under this Lease; and
- E. Any action to challenge COUNTY'S approval of the Lease or use of the Premises by LESSEE, including, but not limited to, any action brought pursuant to the California Environmental Quality Act, California Public Resources Code Section 21000, et seq., or 14 Code of Federal Regulations Part 16, FAA Rules of Practice for Federally Assisted Airport Proceedings.

LESSEE'S obligations pursuant to this Section include the duty to defend set forth in Civil Code Section 2778 and shall survive termination or expiration of this Lease.

LESSEE, as a material part of the consideration to COUNTY, hereby assumes all risk of damage to property or injury to persons in or upon the Premises and common areas (e.g., taxiways, runways, parking lot, snack bar, fuel areas, and grass area) arising from any cause except that caused by the active or sole negligence of COUNTY, its employees or agents, and LESSEE hereby waives all claims in respect thereof against COUNTY.

8. FIRE HAZARD:

LESSEE shall keep the Premises clear of oil, trash, or other materials that may be deemed a fire hazard.

County reserves the right to restrict LESSEE from conducting any activity or storing flammable, hazardous, or toxic materials or substances that are not compatible with aeronautical use or which would increase County's insurance rate or cause County's insurance to be canceled.

9. MAINTENANCE & REPAIR:

LESSEE shall at all times during the term of this Lease and any renewal thereof, maintain and keep, at LESSEE'S sole cost and expense, said hangar, land and all improvements thereon, and all facilities appurtenant thereto, in good order, repair and safe condition and in compliance with all requirements of law. LESSEE shall not make or permit any other person to make any alterations to the Premises without the written consent of COUNTY first obtained. Should COUNTY consent to the making of any alterations to the Premises by LESSEE, subsequent to execution of this Lease, said alterations shall be made at the sole cost and expense of LESSEE by a contractor or other person selected by LESSEE and approved in writing by COUNTY before work commences. Any and all additions to, alterations, or repairs in and about the land and/or improvements which may be required, LESSEE shall observe and comply with all applicable statutes, ordinances, rules, and regulations established by any federal, state, county or local government agency. LESSEE shall maintain an area of ten (10) feet from the exterior walls of said hangar or of the median point between hangars if there is less than twenty (20) feet between hangars, free from brush and weeds. If LESSEE fails to keep and maintain the leased Premises and improvements as required herein, COUNTY may at its own discretion following written notification, restore, repair or correct any

health, fire, or safety conditions and any expenses incurred by COUNTY shall be payable by LESSEE.

10. ALTERATIONS:

No structure or other improvements of any of any kind, including but not limited to any modifications affecting the use of the Premises (e.g. water line hook-ups or plumbing for appliances) or any material addition to or alteration of any building or structure erected on the Premises shall be commenced, constructed or maintained on the Premises unless and until the plans and specifications, including those covering the exterior of the proposed structure, improvement, addition or alteration, and the proposed location, have first been submitted to and approved in writing by the COUNTY. All improvements, alterations, additions or modifications must be in accordance with Exhibit "B," Board of Supervisors Policy F-9 (incorporated herein and made by reference a part hereof), and any other applicable building regulation. All improvements, alterations, additions or modifications must be compatible with aeronautical use of the Premises and consistent with federal laws, FAA regulations, state statutes, and the rules and regulations governing the use of federally obligated airport property. For the purposes of this Section, COUNTY Airports Operations Supervisor or successor authority shall be the approval authority for such plans.

11. TAXES AND POSSESSORY INTERESTS:

LESSEE understands that the Lease creates a property interest which may be subject to property taxation and that any possessory interests vested in LESSEE or his or her assignees through this Agreement make LESSEE or his or her assignees subject to the payment of any property taxes on that property interest pursuant to Revenue and Taxation Code Section 107.6. It is further agreed by and between the parties hereto that COUNTY has informed LESSEE that such property interest, together with any improvements as may be made by LESSEE, as may be created or allowed by this Lease may be subject to property taxation and that LESSEE may be subject to the payment of property taxes levied on such interest(s).

LESSEE agrees to pay all taxes levied upon the Premises and improvements on the Premises, including trade fixtures and inventory not owned by COUNTY and kept on the Premises.

12. LESSEE'S OBLIGATIONS TO COMPLY:

- A. FAA Regulations. LESSEE'S use of the Premises is subordinate to COUNTY's federal obligations and conditional on LESSEE's compliance with FAA regulations and policies governing the use of federally obligated airport property.
- B. Commercial Rate Applies to Rental. No person other than LESSEE may occupy any portion of the Premises without the prior written consent of COUNTY. In the event LESSEE no longer occupies hangar and obtains written consent from COUNTY for the rental of hangar to others, the rate shall automatically be adjusted upwards to the commercial rate in effect at that time or as may be changed from time to time by the Board of Supervisors. In the case of hangars housing multiple aircraft, sharing of a portion of hangar with others will not trigger the increase to the established "commercial rate" as long as LESSEE continuously occupies space

in hangar with LESSEE'S aircraft. At the commencement of rental of hangar, or portion thereof, to others, a commercial general liability insurance policy must be provided that includes Hangar Keepers Liability coverage of at least \$75,000 or the value of stored aircraft. All other limits for insurance shall remain in effect as stated in Section 6 above. LESSEE remains responsible for the compliance of any shared or rented space with all terms of the Lease, including but not limited to restricted use of the Premises as described in Section 5 above, maintenance and repair as described in Section 9, approved alterations as described in Section 10, and compliance with laws as described in Section 18.

- C. Transition Allowance. In the event LESSEE sells its aircraft and is actively pursuing replacement with another aircraft there shall be a six-month period allowed for occupancy by others for aeronautical use only as defined in section 5. Written notice of this intent to replace must be provided to the Airport Operations Office within thirty (30) days of beginning of occupancy by others or the lease rate shall be adjusted upwards to the commercial rate in effect at that time, effective immediately upon occupancy by other than LESSEE. In the event that another aircraft is not obtained within this six-month period and the hangar is occupied by others, the lease rate shall be adjusted upwards without further notice and a revised billing will be provided for the balance of the annual lease period. Additional fees may be paid on a month to month basis but no further billing will be made by COUNTY after initial notice and billing of adjustment.
- D. Occupying Aircraft. LESSEE shall submit to COUNTY within thirty (30) days of sale, sublease, assignment, or rental of any aircraft stored on the leased property, the Aircraft Registration Number ("N-number"), and the name of the registered owner.
- E. LESSEE shall confine its activities to the leased Premises only excepting reasonable ingress and egress and the normal and intended use of the Airport runways and taxiways and other Airport public facilities.

13. ASSIGNMENT OR SUBLEASING:

No one person shall have an interest in more than two airport ground leases. An interest would be defined as any incident of ownership in the lease; partnership or otherwise. LESSEE shall not transfer, assign, or sublet its rights or interest to any other person under this Lease, without the prior written consent of COUNTY. Such consent may be withheld by COUNTY for any commercially reasonable objection, including where such transfer, assignment, or sublease would result in a non-aeronautical use or "commercial activity" as described in Section 5 above. Additionally, such consent may be conditioned on LESSEE and its transferee's agreement to amend the Lease to reflect COUNTY'S standard terms and conditions that are in effect at that time.

It is the understanding and intent of the parties that in the event of sale of the hangar or sublease, assignment, or other transfer of the interests hereunder, only the balance of the term of this Lease may be transferred or assigned to a successor in interest and that such transfer or assignment requires the permission of COUNTY to be first obtained. Prior to sale of hangar and assignment of Lease, the prospective buyer must submit to the Airport Operations Office proof

of aircraft ownership. LESSEE herein shall at all times remain obligated for performance of the terms hereof.

Upon the transfer of any interest in the subject Lease, including but not limited to a sale or assignment of rights hereunder, LESSEE under this Lease shall complete a Change in Ownership Statement and provide the completed Change in Ownership Statement to the County of El Dorado Assessor's Office. LESSEE shall submit the Change in Ownership Statement to the County of El Dorado Assessor's Office on or before final approval of the transfer by the Board of Supervisors. Failure to provide the Change in Ownership Statement to the County of El Dorado Assessor's Office as provided herein may constitute grounds for the denial of consent to the transfer by the Board of Supervisors.

14. COUNTY'S RIGHTS:

COUNTY reserves to itself and to its successors or assigns hereunder the following rights:

- A. COUNTY shall have access to the Premises for the purpose of monitoring and evaluating the obligations of LESSEE hereunder to determine if the installation, maintenance and use of the Premises are in compliance with all federal, state and local laws, regulations and the terms and conditions under this Lease. County's access will be as follows:
 - 1. Without prior notice at any time between the hours of 8:00 a.m. and 5:00 p.m. seven days per week.
 - 2. With prior notice, which may include same day notice, at all times outside the hours of 8:00 a.m. to 5:00 p.m. The notice required under this Section may be provided by posting a Notice of Inspection on the Premises.
 - 3. Without notice at any and all times in the case of emergency or in anticipation of an emergency as determined by COUNTY.
- B. By entering this Agreement, LESSEE hereby consents to COUNTY's entry into the Premises to serve or post any required notices, to conduct inspections pursuant to this Section, and to carry out and enforce all laws.
- C. The right for the use and benefit of the public of flight for the passage of aircraft in the airspace above the surface of the Premises, to include but not be limited to the right to cause in said airspace any noise inherent in the operation of any aircraft through said airspace or from the taking off from or landing of said aircraft at said Airport.
- D. The right to further develop or improve the Airport as it sees fit without interference or hindrance by LESSEE.
- E. COUNTY has the right, but shall not be obligated to LESSEE, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities at said Airport, together with the right to direct and control all activities of LESSEE in this regard.

- F. In the event the Airport or other premises herein leased are rendered totally or partially inaccessible, untenable or unusable because of the condition thereof, which condition was not caused by COUNTY or its agents, and COUNTY, in its sole discretion, determines that restoration, repair or further use is not desirable, this Lease shall be automatically terminated upon thirty (30) days' notice to LESSEE. In such event, COUNTY shall owe nothing as a result thereof and all and any costs or expenses of removal of structures as provided for herein are to be borne by LESSEE.
- G. During the term of this Lease COUNTY shall have the right, at COUNTY'S obligation and expense, to relocate the leased tract herein to a different location at the Placerville Airport and to move and install LESSEE'S hangar to such located tract, provided that:
1. LESSEE is given thirty (30) days' notice of such relocation; and
 2. COUNTY provides surfacing and improvements at the relocated tract at least equal to the surfacing and improvements at LESSEE'S prior location.

17. ACTS OF GOD, WAR/TERRORISM, AND OTHER CASUALTIES:

3. LESSEE assures that it will comply with pertinent statutes, Executive Orders and such rules as are promulgated to assure that no person shall on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participation in any activity conducted with or benefiting from Federal assistance. For the purposes of the FAA required covenants, COUNTY shall be the "sponsor" and LESSEE or its successor in interest shall be the lessee, licensee, permittee or other similar party.

LESSEE and its officers, agents, employees, subcontractors or volunteers shall carry on their activities and operations at Airport in compliance with federal laws and FAA regulations, state statutes, and the rules and regulations governing the use of Airport and all other applicable COUNTY ordinances and regulations, including the Storm Water Pollution Prevention Plan and Best Management Practices, in accordance with Exhibit "D," marked "Storm Water Pollution Prevention Plan Requirements, BMP'S," attached hereto and incorporated herein by reference.

21. ADDITIONAL GROUNDS FOR TERMINATION:

Notwithstanding Sections 19 and 20 above, COUNTY shall have the right to terminate this Lease in its entirety immediately upon the happening of any of the following:

- A. LESSEE'S use of the Premises is not in compliance with FAA regulations and policies governing the use of federally obligated airport property ; or

COUNTY OF EL DORADO, CALIFORNIA BOARD OF SUPERVISORS POLICY

Subject: AIRPORTS - PORTABLE HANGER COLOR	Policy Number F-9	Page Number: 1 of 2
	Date Adopted: 10/19/1993	Revised Date:

BACKGROUND:

The practice of having a standard color for privately owned hangars at both Placerville and Georgetown Airports was established at approximately the time hangar agreements without reversion were allowed under the Airport Land Use Agreement for Portable Hangars. Placerville Airport has had the green color since approximately 1975. Georgetown Airport users chose a beige color in 1989 when the first hangars of that type were constructed. This has not been a written policy, but in most cases was followed as being in the best interest of the Airports.

PURPOSE:

The purpose of this policy is to formalize an unwritten policy, clarify the colors and provide for an orderly look by maintaining the uniformity of color for the portable hangars on both Placerville and Georgetown Airports.

POLICY:

1. The color of all privately owned hangars erected on Placerville Airport shall be **GREEN**. For the purposes of this policy the color **GREEN** is intended to mean a medium green color common to the existing **GREEN** hangars.
2. The color of all privately owned hangars erected on the Georgetown Airport shall be **BEIGE**. For the purposes of this policy the color **BEIGE** is intended to mean a medium beige/brown color common to the existing **BEIGE** hangars.
3. This policy shall be included in and made part of each privately owned hangar lease under the Airport Land Use Agreement for Portable Hangar, Airport Land
