Staff Recommendation

Staff recommends the Planning Commission forward a recommendation to the Board of Supervisors to take the following actions:

1. Adopt the Addendum to the County 2015 Sign Ordinance Update Final Environmental Impact Report (FEIR), certified in July 2015 (State Clearinghouse Number 2014102001) (Legistar Attachment B) demonstrating that the analysis in that FEIR adequately addresses the potential physical impacts associated with implementation of the amendments to Chapter 130.36 of the Zoning Ordinance (Signs) and the related Cameron Park Sign Standards, and the amendments and Cameron Park Sign Standards would not trigger any of the conditions described in California Environmental Quality Act (CEQA) Guidelines Sections 15162 and 15164 calling for the preparation of a subsequent EIR or negative declaration based on the analysis prepared; and
2. Approve the amendments to Chapter 130.36 (Signs) and the draft Cameron Park Sign Standards as presented, based on the Findings in Attachment B and guidance from the Commission and Board.
