- Plans-  
Funds may be used for the development/update of:
  - Continuity plans;
  - Contingency plans for electrical disruptions that include considerations such as protecting individuals with access and functional needs, medical baseline and socially vulnerable populations, transportation, emergency public information, and preservation of essential functions;
  - Risk assessments for critical infrastructure and lifelines;
  - Post-event reports that identify lessons learned and corrective actions; and
- Public education materials or supplies focused on individual family preparedness for electric disruptions.
- One-time costs associated with identifying and equipping resource centers for the public to access during electrical disruptions.

The following activities are **not allowed**:

- These funds shall not be used to secure, compensate, or backfill professional services contracts.
- Response costs associated with electric disruption events including any staffing or new positions, Emergency Operations Center staffing, security, law or fire response, or other overtime charges.

All activities funded with this allocation must be completed within the Grant Subaward period performance. Additionally, the Subrecipient is subject to the following requirements:

- As a condition of receiving funding, counties will be required to collaborate with their cities within their jurisdiction to support critical infrastructure and resiliency county-wide with a particular focus on public safety, vulnerable communities, and individuals with access and functional needs.
- Must ensure they and their principals are not presently debarred, suspended, proposed for debarment, or declared ineligible.
- Must provide a Progress Report on the expenditures of the funds. The Progress Report is due no later than **November 30, 2021**. This Progress Report shall identify how the funds have been used, including identifying each project or activity undertaken, local entity that undertook the project or activity, the amount of funding provided to the project or

activity, and a description of each project or activity. The report shall also identify the specific outcomes achieved by each project or activity, including whether the project or activity was completed and whether it was used during power outages.

- Must coordinate with their city or county planning agency to ensure that the project is in compliance with the California Environmental Quality Act (CEQA) Public Resource Code, Section 21000 *et seq.*
- Comply with the California Public Records Act, Government Code Section 6250 *et seq.*
- Must procure goods and services in compliance with applicable state and local laws, ordinances, rules, regulations, and policies.

**The undersigned represents that he/she is authorized to enter into this agreement for and on behalf of the Applicant.**
