

El Dorado County River Management Plan

UPDATE ON PRELIMINARY FINDINGS

PRESENTATION TO THE
EL DORADO COUNTY BOARD OF SUPERVISORS

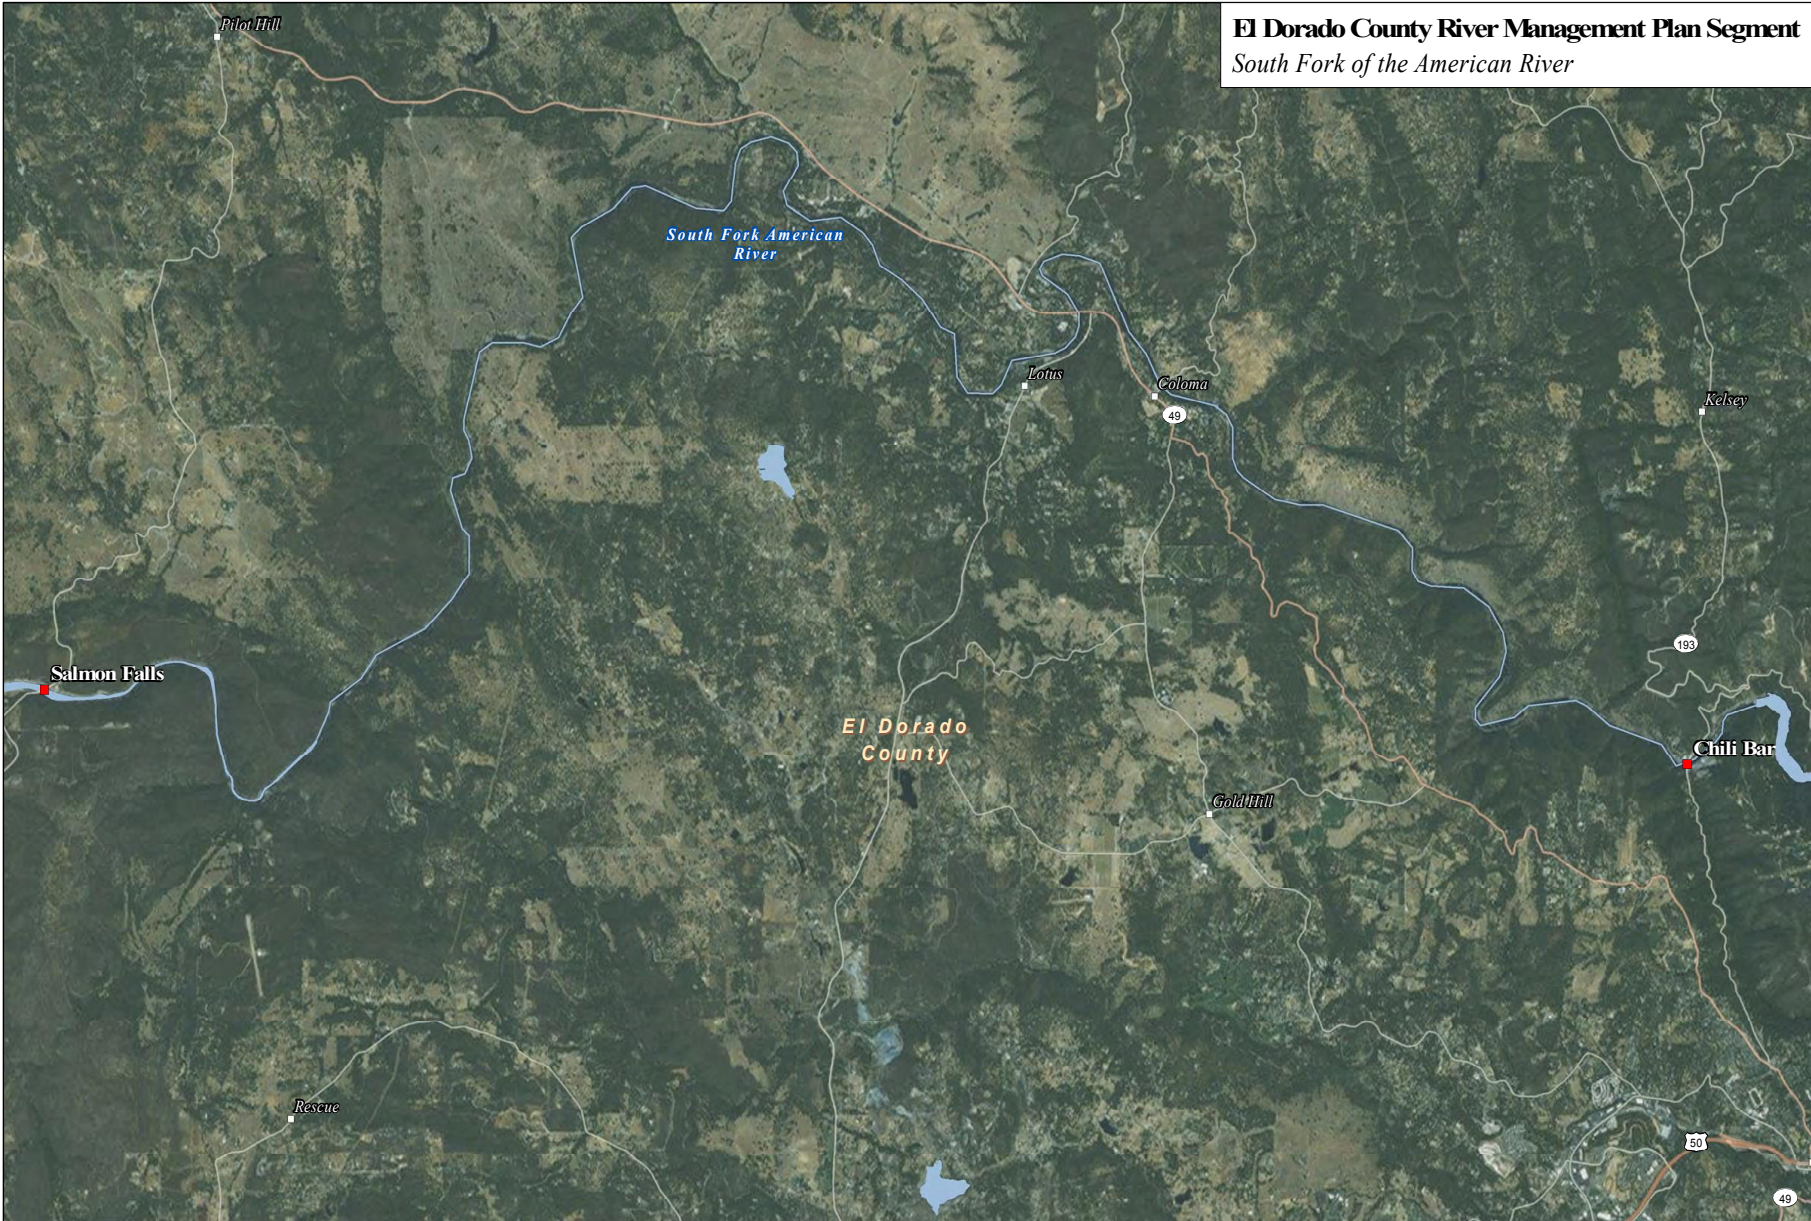

FEBRUARY 23, 2016

Introduction

2

- Summary of the status of the current RMP update process
- Staff request to meet with State and Federal Agencies regarding potential assumption of some or all of the County's RMP Responsibilities

RMP Implementation

4

Revenue reductions and cost of living factors have compromised the County's ability to implement the RMP.

Actual v. Estimation of Required RMP Costs

* ESP Projection

RMP Implementation

6

Maintaining the current funding “balance” can only be supported by an ever-decreasing degree of RMP implementation
