El Dorado County Sheriff's Office  
300 Fair Lane

Dear Mr. Golmitz:

Target is pleased to inform El Dorado County Sheriff's Office that a \$500 grant has been approved to support (the) Neighborhood Crime Suppression.

In addition to the grant check, we have enclosed a Charitable Contribution Receipt. Please take a moment to complete the receipt and return it to us so we can comply with Internal Revenue Service guidelines.

We also ask that you identify us as "Target" if you choose to produce any announcements or articles in recognition of this grant.

In 1990, Target established the Law Enforcement Grant Program. This program supports criminal justice agencies working to make our communities safer. Since its inception, the Law Enforcement Grant Program has awarded millions of dollars to local law enforcement.

Since 1946, Target has given 5% of its income to the communities we serve. We are proud to partner with organizations like yours to inspire education, make the arts affordable and accessible, and foster safe families and communities nationwide.

If you have any questions about the grant program or other opportunities to partner with Target, contact [AP.Community@Target.com](mailto:AP.Community@Target.com).

Thank you for the work you do every day to make a difference in your community.

Sincerely,

Target Community Relations
