SUBJECT: Retroactive Funding In Agreement Notification – Item 21-1989, 6/14/22
Advocates for Human Potential, Inc. Agreement 6256

This memo is to notify you that a retroactive contract request has been created and is on the Board of Supervisor's Agenda for June 14, 2022 (File ID: 21-1989). HHS staff work to minimize these requests where we can control. Specific to this situation, a retroactive contract was unavoidable and I wanted to provide you with the background context.

HHS submitted a plan and application to the Department of Health Care Services (DHCS) for Crisis Care Mobile Unit (CCMU) Program Planning Grant funding, and DHCS awarded \$200,000 on October 11, 2021 to implement the plan.

DHCS contracted with Advocates for Human Potential, Inc. (AHP) to be the Administrative Entity of the grant agreement, and HHS received Funding In Agreement 6256 (7460-CA MOBILE CRISIS-ELDORADO-01) from AHP in February 2022. HHS immediately began processing the Agreement and worked with County Counsel and AHP for several months to finalize the Agreement. The final Funding In Agreement 6256 is retroactive to September 15, 2021 continuing through February 14, 2023, with Quarterly reporting to AHP by HHS.

As always, please let me know if you have any questions or would like to discuss anything further.
