

Environmental Management Department

Fire Recovery

- ▶ Staff continue to assist constituents with parcel status updates and answering questions.
- ▶ EMD successfully recruited the recent allocation of 2 limited term Development Aides.
- ▶ Staff attended outreach events and meetings with the residents of Grizzly Flats and USFS cabins.
- ▶ EMD is following Planning & Building's fee waiver structure for septic and wells.
- ▶ Collaborated with Planning & Building on a 1-page document on how to obtain a Temporary Recreational Vehicle (TRV) Permit.

State Consolidated Debris Removal Program*

- ▶ EMD has processed 595 Full Program & 179 Hazard Tree Only ROE's (774).
- ▶ 2 special inclusion requests were accepted by FEMA for the Pioneer Fire Station and Grizzly Flats Community Church.
- ▶ 94% of the parcels have completed debris removal leaving hazard trees and erosion control as the last steps before being returned to the County.
- ▶ Once EMD receives notification of a completed parcel, the property owner is notified within 24-48 hours.
- ▶ 262 (34%) parcels have been returned to the County.

Environmental Management Department

Alternate Private Program*

- ▶ 29 applications were received.
- ▶ 16 parcels have completed debris removal.
- ▶ 8 parcels have submitted completion reports.
- ▶ 6 parcels have been returned to the owners (5 in Grizzly Flats, 1 in Twin Bridges).

Abatement Properties*

- ▶ 6 abatement orders have been issued, recorded and in the process of clean-up.

*Data as of March 29th

Planning and Building Department

Rebuild Key Next Steps

- ▶ 1) Fee Waiver Applications Submitted and Approved (May Need to Submit for More than One)
- ▶ 2) State Clears Property > State Notifies the County (EMD) > County Staff Alert Property Owners
- ▶ 3) TRV Applications (If Applicable)
- ▶ 4) Building Permit Applications

Planning and Building Department

Planning and Building Department

Health and Human Services

▶ Disaster Case Management (DCM)

- ▶ Staff hired and began training March 29th
 - ▶ Week-long training led by UMCOR, the National Disaster Case Management Leaders for Disaster Response
- ▶ Staff located at Cameron Park Library HUB; Will also be stationed at the Pioneer Park location as needed for outreach or client appointments
- ▶ Next steps include setting up data protocols for serving survivors
 - ▶ Work with County and community providers by reviewing existing data to better understand community needs to date. For example: Utilizing the Long-Term Recovery triage survey that was sent out to the 245 survivors categorized by vulnerability

▶ HHSA Housing Programs Update

- ▶ Housing Disability Advocacy Program (HDAP)
- ▶ Rental Assistance Program

▶ HHSA Recruitments Update

- ▶ Housing Social Worker
- ▶ Mental Health Worker
