

# CREEKSIDE VILLAGE Project Initiation (J-6)

EL DORADO COUNTY BOARD OF SUPERVISORS  
November 5, 2019  
George Carpenter  
WINN COMMUNITIES

- Successful communities throughout Sacramento Region including Folsom, El Dorado Hills & Cameron Park
- Recent successes include The Pavilion Memory Care and Bass Lake Hills

# BUSINESS PARK DE-ANNEXATION

- March 2018 - Business Park Vote to De-annex
- **78%** of Landowners Voted
- **92%** Voted In Favor Of De-annexation
- WHY?
  - Slow Absorption – Oversupply Of Land
  - High Vacancy Rates
  - Understood Winn’s plans for de-annexed property

# SUITABILITY OF PROPOSED LAND PLAN

- Lack of housing for business park employees, other local businesses, young families and current residents wanting to downsize
- Housing not found in El Dorado Hills
- Flat site by EDH standards
- Limited environmental constraints
- Opportunity to serve the missing middle

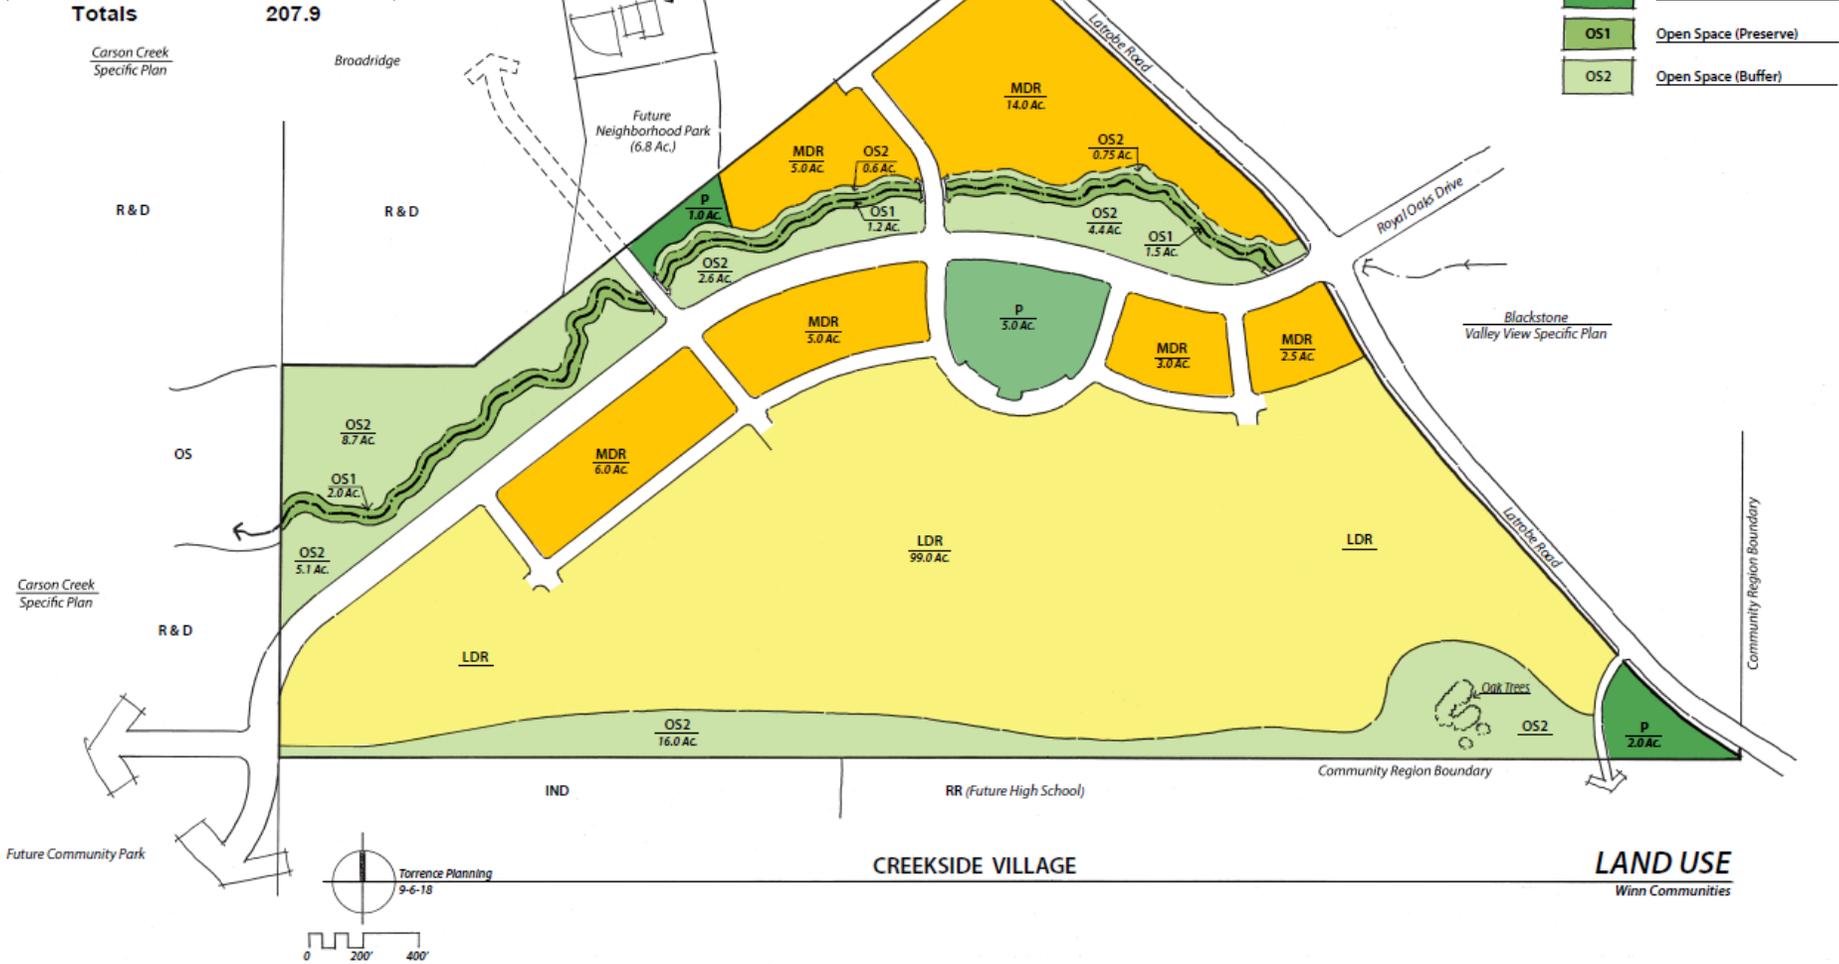

# PROPOSAL

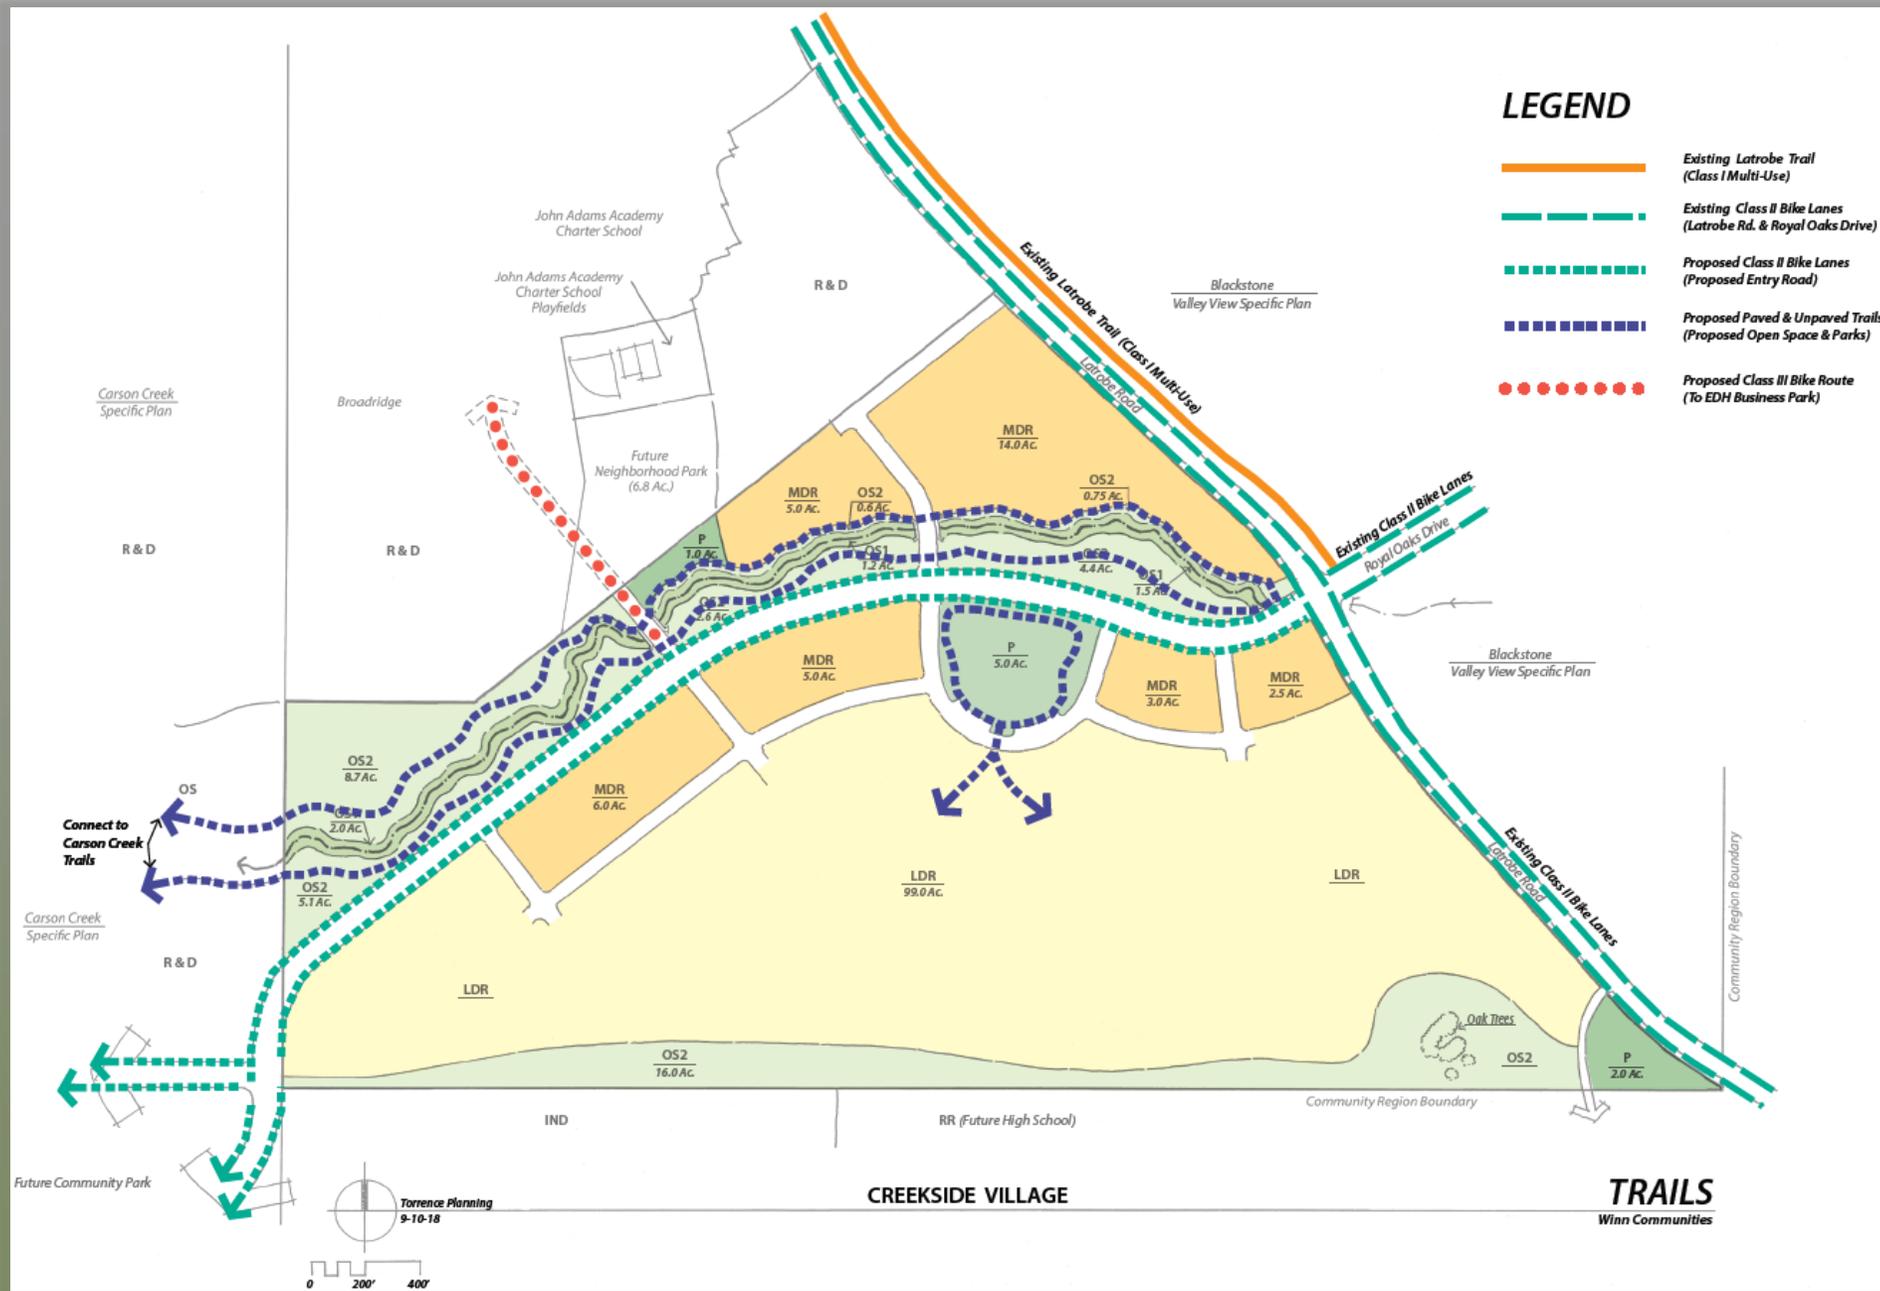

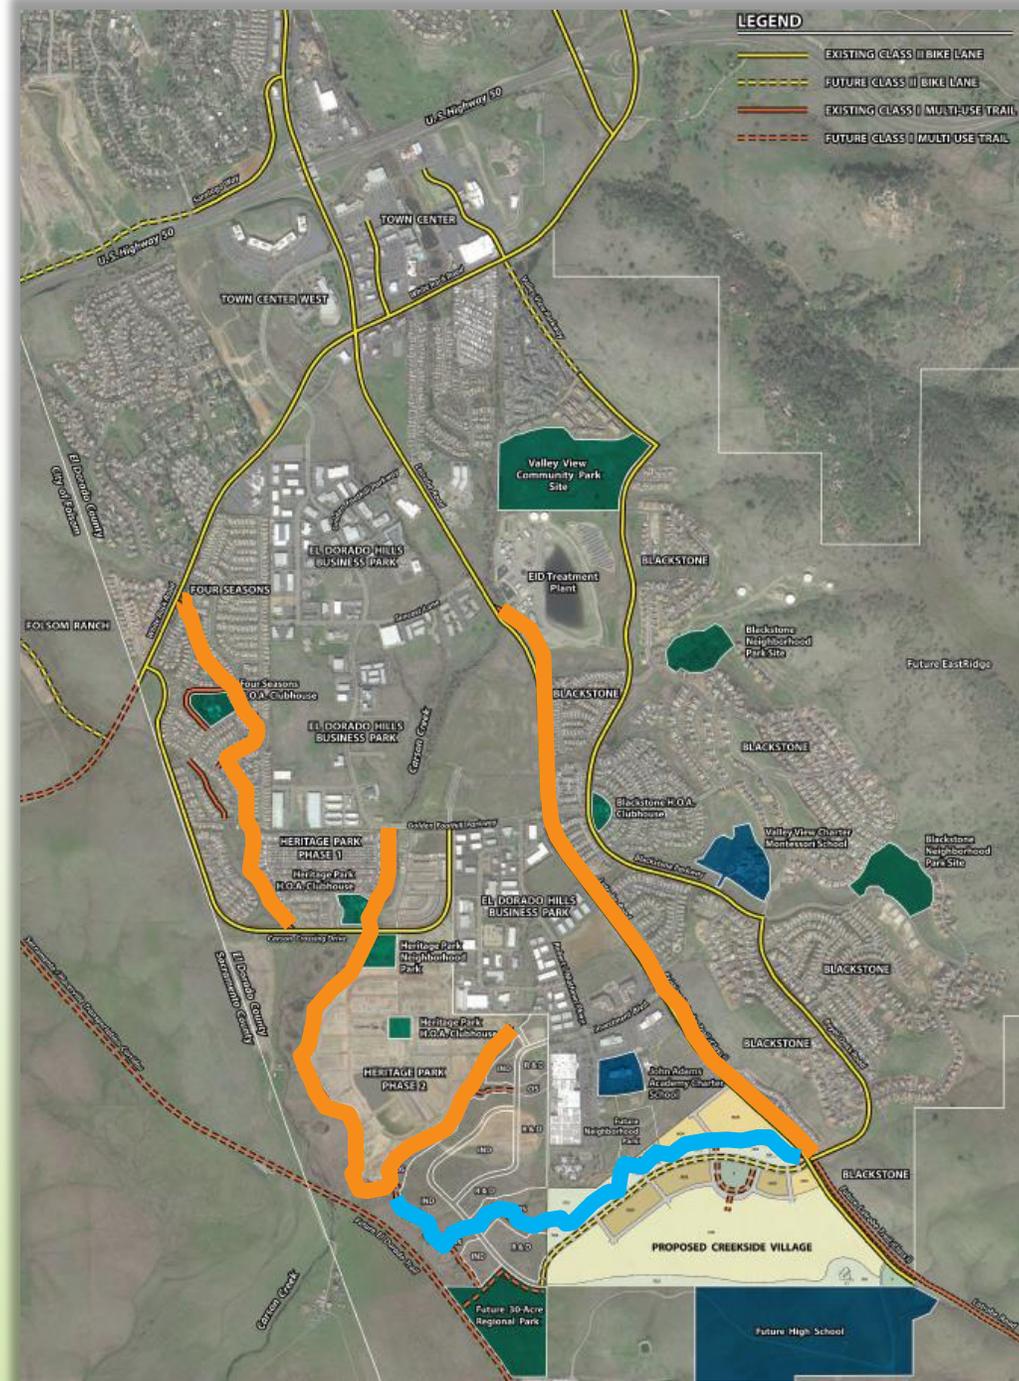

- General Plan Amendment
- Specific Plan
- Tentative Subdivision Map
- Annexation to El Dorado Hills Community Services District
- Environmental Impact Report

**Table 1 - Land Use Summary**

Land Use	Area (Ac.)
LDR	99.0
MDR	35.5
P	8.0
OS1	4.7
OS2	38.2
Circulation	22.5
<b>Totals</b>	<b>207.9</b>

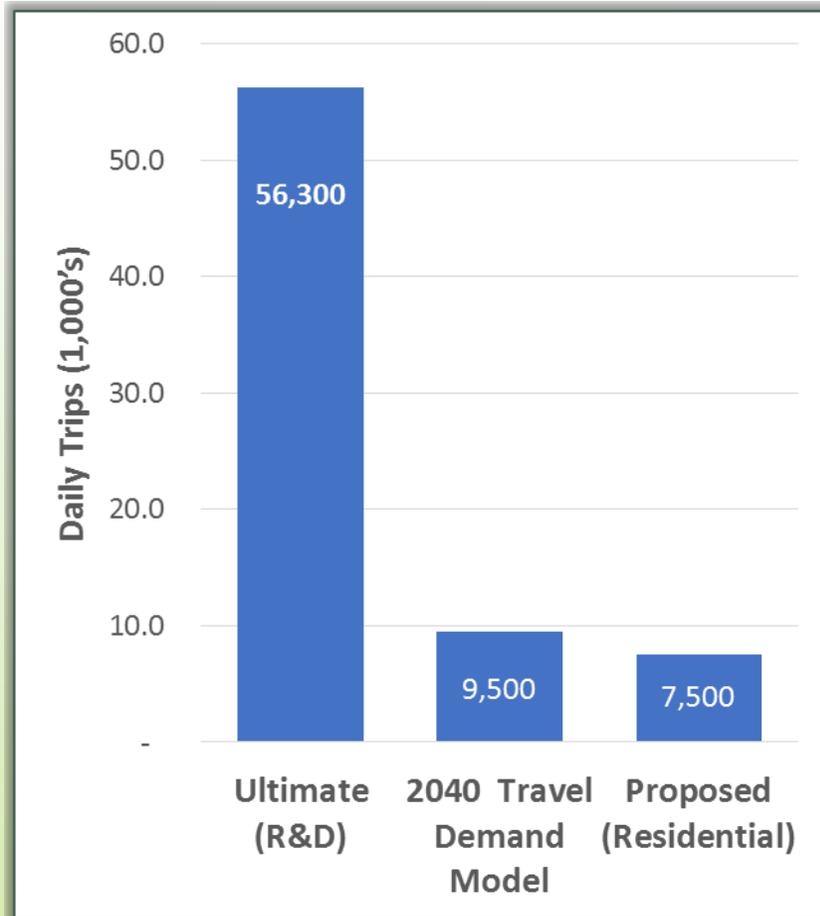

# PRELIMINARY TRAFFIC STUDY

- Reviewed 13 intersections, and US 50 segments in 2019 and 2029 plus project conditions
- Early Conclusions:
  - Significantly less traffic than what General Plan allows
  - No anticipated freeway level-of-service deficiencies
  - Potential for improved levels of service
  - Mitigation - Carson Crossing Rd/Golden Foothill Pkwy: all-way stop
- Full study in EIR to look at additional intersections and suggest appropriate mitigation measures

# REDUCED CUMULATIVE TRIP GENERATION

## Adopted General Plan

7,690 R&D Employees  
5.0 million sf of building  
56,289 Daily Trips

## 2040 Travel Demand Model

2,100 R&D Employees  
1.37 million sf of building  
9,515 Daily Trips

## Proposed

~800 Homes,  
No R&D Employment  
7,552 Daily Trips

## Creekside Village

WITH ADOPTED 2018 CIP PROJECTS SHOWN

### UNDER CONSTRUCTION

**A** 71324  
Saratoga Way Extension - Phase 1  
TIM Fee Zone 8 and Developer Advance \$15,478K

### FY 23/24 - 27/28 CONSTRUCTION

**B** 53117  
U.S. 50 Auxiliary Lane WB - Bass Lake Rd to Silva Valley Pkwy  
US 50 TIM Fee \$5,822K

**C** 72374  
White Rock Road Widening (2 to 4 lanes) - Post St to South of Silva Valley Pkwy  
TIM Fee Zone 8 \$5,987K

**D** 72381  
White Rock Road Widening (2 to 4 lanes) - Windfield Way to Sacramento County Line  
TIM Fee Zone 8 \$4,404K

**E** 66116  
Latrobe Connection  
TIM Fee Zone 8 \$394K

### FY 28/29 - 37/38 CONSTRUCTION

**F** GP 147  
Saratoga Way Extension - Phase 2  
TIM Fee Zone 8 \$3,311K

**G** 53125  
US 50 Auxiliary Lane Eastbound - El Dorado County Line to El Dorado Hills Blvd  
US 50 TIM Fee \$6,934K

**H** 53115  
US 50 Auxiliary Lane Westbound - El Dorado Hills Boulevard to Sacramento County Line  
US 50 TIM Fee/Blackstone \$5,976K

**I** 72  
Latrobe  
TIM Fee Zone 8 \$8,355K

**J** 71323  
U.S. 50/El Dorado Hills Blvd Interchange Improvements - Phase 2B  
TIM Fee Zone 8 \$9,196K

**K** 71345  
U.S. 50/Silva Valley Pkwy Interchange - Phase 2  
US 50 On Ramps and Auxiliary Lanes  
TIM Fee Zone 8 \$8,156K

● Intersections checked for not triggering CIP improvements

★ TIA will identify AWSC as condition of approval

# ANTICIPATED TRANSPORTATION BENEFITS

- Reduces cumulative trip generation
- Counter-commute trips help balance traffic flows and maybe improve levels of service along Latrobe Road and El Dorado Hills Blvd.
- Contributes over \$20 million to TIM Fee program without necessitating an CIP expenditures through 2029

## CONSISTENT WITH J-6 CRITERIA

- Consistent with goal and objectives of general plan – analysis provided in our application
- Availability of infrastructure/services – met with agencies
- Meets all of the following goals and objectives:
  - Increases employment opportunities
  - Promotes housing of moderate income families
  - Opportunities to retain retail sales tax revenue
  - Protects/enhances agriculture and natural resource industries
