Exceptions Taken to Product Specification & Functional Requirements

Category II: No Exceptions Taken

Category II: #13 Onboard Tool Storage, Bidders system does not utilize on/board/remote tool storage/retrieval. A Claw Attachment Kit is available for the T5 that includes 10 tools for use with the robot, including a spring loaded window breaker, hooked blade for cutting straps and other material, and flat tips for use as a key holder

#14 Bidders system does not utilize articulating flippers for climbing start or rough terrain. A robust drive system with rubber tracks, and an anti-flip bar is included standard. The T5 drive system is designed to drive up to 5MPH and clear obstacles up to 8" in height including stairs up to 45 degree in incline.

Other noted Exceptions:

0) The rechargeable battery is 24V DC Lead Acid Batteries and are standard. 1)

Video camera and green lasers are included with standard weapon mount

2) Set of pneumatic wheels are not available.

3) Pan/Tilt/Zoom camera is color only. Front and Rear drive cameras are color/infrared, but do not have zoom capability
