The minimum fee under this part shall be \$100.00.

Upon issuance of the permit these fees shall be applied to the total fee collected pursuant to Part 1 above.
- B. When plans referenced in (A) above are from a master plan previously approved by the County with no modifications, are for a permanent manufactured dwelling on a permanent foundation, or have been reviewed and approved by a third party professional previously approved by the County, the application/plan review fee as described in (A) above shall be reduced by 50%.
- C. When a project is revised by the applicant such that additional plan review is required, a fee of \$100.00 per hour shall be charged for the additional work.
- D. Plan review conducted on resubmittals where previously-identified corrections have not been made shall also be charged at the rate of \$100.00 per hour.
- E. An application submitted to replace one that has expired may be eligible for a credit toward the new application/plan review fee if it is re-submitted within 6 months of the time of the original application expiration. Based on a schedule established by the Director of Development Services or designee, credit may be given for administrative/plan review work already performed, which is still applicable under codes and regulations in force at the time of the new application. It is the responsibility of the applicant to provide documentation substantiating work eligible for credit as part of the original application.

Part 4. Grading and Encroachment Permit Fees:

- A. Residential (single-family) Grading Fees: An application fee of \$100.00 and plan review fee of \$100.00 shall be paid at the time of grading permit application. Upon issuance, a grading inspection fee of \$235.00 shall be collected. Residential grading projects exceeding 1,500 cubic yards of cut or fill shall be charged the same as a non-residential grading project (see section B below). When the grading plans are revised by the applicant such that additional plan review is required, a fee of

\$100.00 per hour shall be charged for the additional work. Plan review conducted on resubmittals where previously-identified corrections have not been made shall also be charged at the rate of \$100.00 per hour. Reinspection fees shall be \$100.00 in accordance with Part 7 of this schedule.

B. Non-Residential (multi-family, commercial, subdivision and industrial) Grading Fees:

1. At submittal, an application fee of \$100.00 will be collected along with a plan review deposit of 1% of the Engineer's Estimated Cost for the project (exclusive of water and sewer improvements), or \$1,000.00, whichever is greater, up to a maximum of \$100,000. Monthly billings at the rate of \$100.00 per hour for County staff time and actual costs billed by an outside contractor, should the County engage their services, will be charged against the deposit until the deposit is depleted to a \$500.00 retention withholding requirement. At such time, the Financially Responsible Party for the permit will be billed directly.
2. At issuance of the permit or authorization of project, an inspection services deposit of 1% of the Engineer's Estimated Cost for the project (exclusive of water and sewer improvements), or \$1,000.00, whichever is greater, is required. Any remaining plan review deposit may be applied to the inspection deposit. If the deposit exceeds the department processing cost, the Financially Responsible Party for the permit will be refunded the remainder of the deposit following permit finalization.

C. Road Encroachment Fees

1. Driveway encroachments onto public streets and roads shall be charged at the rate of \$273.00, due at time of application. Re-inspection fees shall be charged in accordance with Part 7 of this schedule.

Part 5. Miscellaneous Fees.

A. Investigation Fees:

1. Whenever any work for which a permit is required by this code has been commenced, without first obtaining said permit, an investigation may be required before a permit is issued for such work.
2. An investigation fee, in addition to the permit fee may be collected by the Director of Development Services or designee, whether or not a permit is then or subsequently issued. The investigation fee shall be equal to the amount of the permit fee but in no case less than \$100.00. The payment of such investigation fee shall not exempt any person from penalty prescribed by law. The Director of Development Services or designee may, at his option, collect this investigation fee at the time of the building or grading permit issuance. The language has been made permissive to allow the Director of Development Services or designee latitude to not require investigation fees in cases where the owner of

property is voluntarily revealing work done without a permit and securing a permit for the work.

- B. Special Inspection: On those occasions where an inspection is authorized by the Director of Development Services or designee and not otherwise required by a valid construction permit, a fee of \$100.00 per hour, with a minimum fee of \$100.00, shall be charged for the special inspection. The minimum fee of \$100.00 shall be collected at the time of application.

For special inspections of building or structures located outside El Dorado County that are to be relocated within the County, the fee shall be \$100.00 per hour, with a minimum fee of \$100.00, plus the annually established IRS mileage rate per mile for any travel outside the County.

Special Inspection applicants must be one of the following:

1. The record owner of the property or his/her authorized agent. Proof of authorization is required.
2. A legal renter or lease holder of the property. Proof of such lease or rent must be provided.

Any special inspection applications issued to anyone in error because of false or incorrect information on such application will be null and void and all fees collected for such application will be non-refundable.

- C. Building Relocation Inspection Fee - Moved Buildings: The inspection fee for buildings or structures relocated within El Dorado County shall be as specified in Parts 1 and 3 of this resolution.
- D. Business License Inspection Fee: When it is determined by the Director of Development Services or designee to be necessary, a special inspection to determine zoning and code compliance shall be required prior to the issuance of a Business License. A fee of \$100.00 shall be paid at the time of application for this inspection.
- E. File Research Fee: A charge of \$25.00 per hour (minimum charge: \$5.00) shall be made for staff research time in the Development Services Department files.
- F. Document Duplication Fee: Fees shall be as specified in state law (Evidence Code Section 1563) and applicable Board of Supervisors Resolution.
- G. Witness Fees: Fees shall be as specified in state law (Government Code Sections 68097.1 and 68097.2). A minimum fee of \$100.00 per hour per person shall be charged for the appearance of any Development Services Department staff as a witness for depositions or appearance in any court of law. If such appearance is

outside of El Dorado County, there will be an additional charge of the annually established IRS mileage rate per mile traveled. This fee shall also apply in cases where the Development Services Department has received a subpoena and has made an appearance when the case has been previously settled or rescheduled and the Development Services Department has not been so notified by 5:00 p.m. of the preceding workday.

- H. Dishonored Check Penalty Fee: A fee of \$25.00 shall be charged in addition to all other required fees for any check received by the Development Services Department, which is subsequently dishonored. Where fees for multiple permits have been paid with one (1) check and that check is subsequently dishonored, a \$25.00 fee shall be charged for each separate permit paid for by the dishonored check.
- I. Work performed outside of normal business hours: Any work, such as plan review or inspection services, performed outside of normal business hours shall be charged at 150% of the normal rate to cover increased employee cost. The minimum charge shall be two hours at \$150.00 per hour.
- J. Seismic Motion Instrumentation Project Fee (SMIP): This fee for new construction shall be determined by California Public Resources Code Section 2705.
- K. Agricultural Building Record Fee: The fee to create and maintain a record of an inspection exempt agricultural building shall be \$100.00.
- L. Address Assignment and Verification Fee. This fee shall be \$25.00 and will be collected upon the issuance of a building permit for a new structure that requires a site address such as a residential or commercial building. The fee will not be collected at the issuance of a building permit for an incidental structure including but not limited to an accessory building, barn, canopy, deck, fence, foundation, garage, meter, pole, pool, sign, wall or well, unless the structure itself requires a separate address.

Part 6. Fee Refunds:

- A. The Director of Development Services or designee may authorize the refunding of any fee paid hereunder which was erroneously paid or collected.
- B. The Director of Development Services or designee may authorize the refunding of not more than 80% of the permit fee paid under Parts 1, 2, and 3 of this table, less the application fee if any plan review activity has occurred. The minimum fee retained by the County shall be \$100.00.
- C. The Director of Development Services or designee shall not authorize the refunding of any County department fee paid unless:

1. Written request to withdraw an application or permit is provided by the current owner or original applicant or an authorized agent of either.
 2. Said request is made within one year of the application or within two years of the original date of issuance.
 3. No work of any sort has been done under the permit in question.
- D. The refund will be made payable to the owner(s) of record at the time the request required in C (1) above is received by Development Services or to whomever they legally designate.

The Board of Supervisors may waive or refund fees upon request by an applicant if the Board finds and determines that the collection of the fee will cause undue hardship to the applicant, that such hardship is caused by special facts and circumstances not shared by the public as a whole, and the hardship is not caused by the applicant's own acts or failure to act.

- Part 7. Re-inspection Fee: The re-inspection fee for building, grading, and encroachment permits shall be \$100.00. A reinspection fee may be assessed for each inspection or reinspection when such portion of the work for which each inspection is called is not complete or when corrections are not made.
- Part 8. Renewal Fee: The renewal fee set forth in Section 15.160.130 shall be .005 of the valuation shown on the permit being renewed but not less than \$100.00. Credit for inspections already approved shall be granted per a schedule established by the Director of Development Services or designee. Grading and encroachment permit renewals shall be per a schedule established by the Director of Development Services or designee, but shall not be less than \$100.00.
- Part 9. This resolution establishes building fees to be charged from the effective date of this resolution until changed by the Board of Supervisors. Any other Development Services Department fees established previous to the effective date of this resolution are hereby superseded and are of no force or effect.
