09-0527.A1

Application for Road Closure Pollock Pines Wagon Train Event June 12, 2009 Between 10:00am and 12:00 Noon Approximately 1 hour Duration

Description:

Approximately 10 to 12 Wagon Trains pulled by horses will be traveling down Highway 50 from Fresh Pond to Pollock Pines. The Wagon Train will take exit 60 from Hwy 50 to Sly Park Road. The Wagon Train will travel North and turn West on to Pony Express Trail. The Wagon Train will stop in front of the Longs' Drug Store Shopping Center as depicted on the accompanying sketch.

Baracades will be erected on Pony Express Trail at the West side of Forebay Road, thus leaving free entrance and egress to Forebay Road and to the street running between the Safeway parking lot and El Dorado Savings. Accordingly, traffic will still be able to flow freely into El Dorado Savings, Safeway, and the Shopping Center Parking lot.

Baracades will also be erected at the West end of the shopping center parking lot and at that juncture on Pony Express Trail. This will keep cars from entering and exiting the West end of the shopping center parking lot and it will leave free access and exit from the adjacent Fire Station Parking Lot.

The Wagon Train will be parked on the South side of Pony Express Trail, leaving the North half of the road available for emergency vehicles.

Road Closed signs will be positioned at both the East and West side of the road closure, as well as the West entrance to the Shopping Center Parking lot. The signs will be 48" by 30" in dimension. Flag personnel will be positioned with each of these signs. Wooden barricades will be positioned at these locations also. Additionally, electronic speed displays will be positioned 100 to 300 yards before each of the barricades with signs signaling stop ahead.

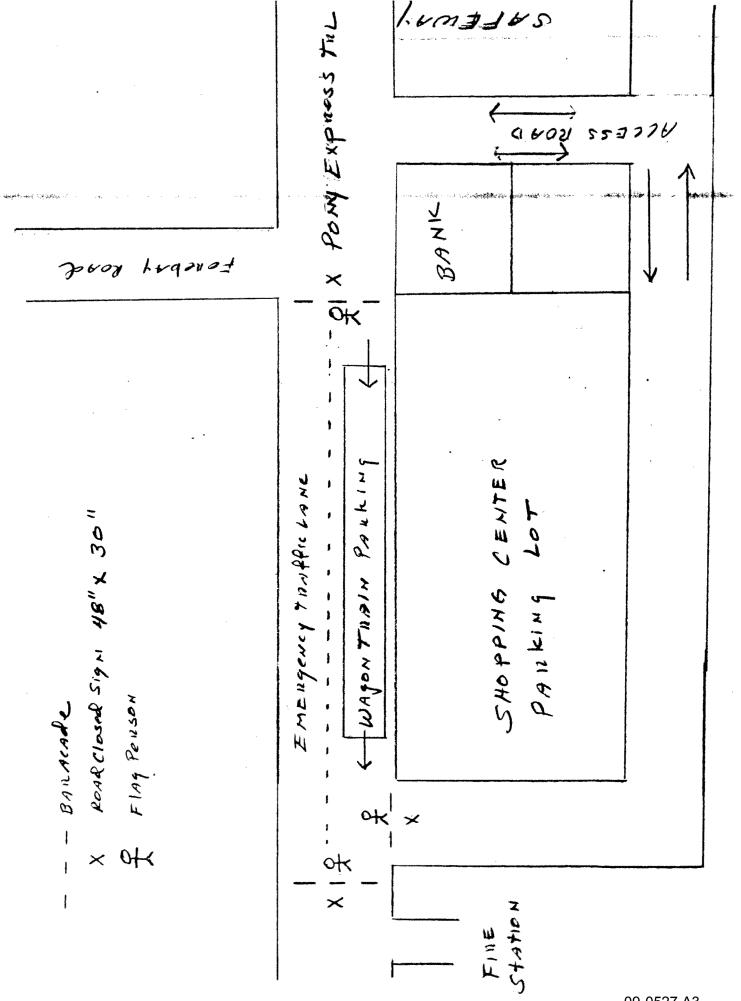

During the approximate one hour closure, detour through this area will be on Hwy 50 at exits 57 and 60. Should there be a need for a vehicle to pass through the closed off area due to an emergency, the vehicle will be accompanied by a traffic control person, either in the lead on foot or in a vehicle. All traffic control personnel will be members of the Pollock Pines STARS program.

Submitted by,

Pollock Pines Wagon Train Committee Chairperson

David R. Albee 4/8/09
