In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice and must specify the reason(s) for the extension and the date on which the extension of time to cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise.

Exhibit A - Scope of Work

Madeira Group International (MGI) will conduct pre-employment background investigation services for the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT on sworn, non-sworn, part-time and administrative personnel at their request. MGI will supply all required forms to prospective applicants to conduct the background investigations on applicants for the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT.

MGI will provide Personal History Statements, Drug Use Questionnaires, Pre-employment Questionnaires, Releases of Information and other required forms to the applicants for the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT. Several "Levels" of Backgrounds will be available to the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT to choose from, depending on the type of applicant they intend to process, and the amount of time they have available for hiring the applicant (See Exhibit B). The EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT can notify MGI at the time of the background request as to the type of background they wish to conduct.

MGI background investigations include a personal interview with the applicant at their residence, or by telephone, to review all provided forms for accuracy and completeness and to obtain additional information for the Background Biography Synopsis and verification of information provided by the applicant. In situations where the applicant resides out of the area, the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT will have the option to instruct MGI to conduct the interview over the telephone, rather than in person, to avoid additional travel and/or mileage expenses at their option. (See Exhibit B).

MGI Record Check Request forms will be sent to Police and Sheriff Departments in areas where their applicants have lived, worked and/or attended school in the past and present. It is suggested by MGI that the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT conduct a parallel program, such as fingerprinting through the California DOJ, to augment the effectiveness of the background investigation. The complete MGI Pre-Employment Background Investigation will be developed for the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT to meet California Police Officer Standards and Training (POST) requirements, California Government Codes, ADA, FCRA, HIPPA and other state and federal regulations. It is strongly advised that a Client agency conduct a parallel program for *Livescan* and advise MGI of any pertinent findings.

All applicant documents will be gathered by MGI for the Client, such as birth certificate, high school and college transcripts, marriage certificates and divorce decrees, auto insurance certificate, any available traffic accident and police reports, selective service registration and/or military Form DD214, civil judgments, DMV printout, as well as two color photos of the applicant. These items will be collected from the applicant and provided to the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT upon completion. The completed investigation narrative will include current and past history regarding residential, military, financial, legal, and motor vehicle operation. The transcribed personal contacts of verification of employment and conversations with personal references will also be included. A final recommendation for hiring is not provided by MGI.

MGI will endeavor to provide the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT with completed background investigation reports, along with all required forms and documents, within 20 to 30 calendar days of the applicant interview, unless an EXPEDITED schedule is agreed upon prior. The EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT is aware that the applicant's timeliness in completing the background forms, obtaining the required personal documents and following through with interview appointments are paramount in this timetable.

 1. When the traveler is riding with someone who will be claiming reimbursement for the vehicle's use from the County or another source;

- (b) Vehicles may be rented for transportation to the destination point when the cost of the rental will be less than other reasonable and available modes of transportation.
 - (c) If more than one traveler from the same department is traveling to the same function, only as many rental vehicles as are needed to accommodate all travelers may be claimed.
 - (d) The traveler shall choose the least expensive size and mileage limits appropriate to the use required, as determined by the department head or designee. Rental cars shall be refueled prior to return to the rental agency to reduce cost to the County, except when the traveler is escorting a person who is under County supervision by an employee of the Sheriff's Office, the District Attorney's Office, the Public Defender's Office, the Probation Department, or Health and Human Services Agency
 - (e) Rental cars shall be returned to the renting location and on time to avoid additional charges.
 - (f) The traveler shall waive additional vehicle insurance provided by the rental company.
4. Commercial Carrier Transportation
- (a) Travelers shall seek and attempt to use the lowest rates available for the type of commercial carrier service being utilized. Whenever possible, travelers should take advantage of flight arrangements that minimize County cost (for example, purchasing a round trip ticket may be less expensive than two one-way tickets). No reimbursement will be provided for travel agent fees, unless the use of such services is a requirement to conduct County business.
 - (b) Claims for travel via commercial carrier shall be limited to the actual cost of travel at economy rates. A traveler may upgrade a ticket; however, the difference in cost for such upgrade, including upgrades to allow early check-in, is the responsibility of the traveler. The County will not reimburse any type of travel insurance unless the department head requests the traveler to purchase cancellation coverage. Reasonable baggage charges, if imposed by the airline, on the first checked bag are reimbursable. The department head or designee may authorize additional baggage fees when employees are required to travel with equipment that is required to perform their duties, and which must be checked.

- (c) Travelers may retain frequent flyer and hotel rewards and similar program benefits. However, participation in these programs must not influence flight or hotel selection, which would result in incremental cost to the County beyond the lowest available cost unless the difference is paid by the traveler. Free tickets or cash allowances for volunteering to be denied timely boarding may be retained by the traveler but no additional cost to the County or interruption of County work is allowed and any additional time required to complete the trip shall be considered personal time.
- (d) If travel plans change, requiring a ticket change that incurs a fee and/or fare increase, reimbursement for such costs will be provided only if it can be demonstrated that the change was in the best interest of the County or was necessary to avoid undue burden on the traveler. Such reimbursement shall be subject to department head approval.
- (e) If credits are issued by airlines for non-refundable tickets due to canceled travel, the department shall be responsible for tracking these credits and using them for subsequent employee travel.

Reimbursement for full days (at least 12 hours) of travel shall be provided as a per diem lump sum, which covers all meals taken by the traveler for each full day. The per diem rate shall be equal to the maximum federal per diem meal and incidental expenses (M&IE) rate established by the General Services Administration (GSA). The per diem rate includes taxes and gratuities.
4. For out-of-County business that is conducted on one business day, if the traveler's actual time for the day is estimated to equal or exceed 12 hours (including work time, the lunch period and round-trip travel time), the traveler is eligible to receive the full per diem reimbursement amount for that day.
5. For partial days (less than 12 hours) spent on out-of-County travel, whether or not lodging is included, individual meals may be claimed in accordance with the following guidelines:

7. Reimbursement may exceed the prescribed individual meal rate if the meal is being served as a part of the authorized event and the cost of the meal is itemized separately from the event's registration or attendance fees. For example, the registration fee for a multi-day conference includes lunches but an optional dinner is offered on one night at an additional cost.
8. Reimbursement may exceed the prescribed individual meal rate when a group meal is provided, and when approved by the department head or designee. Examples include meals provided to Search and Rescue volunteers working on a mission or training exercise and meals provided to emergency workers.

For example, if lunch is provided at the function, the traveler may not claim a per diem allowance or request reimbursement for eating elsewhere. Receipts will be required for reimbursement of alternate meals authorized by the department head or designee. For purposes of this section, continental breakfast and breakfast included in lodging rates and meals provided during airline or other commercial carrier travel do not constitute provided meals and shall not be deducted from the per diem allowance.

Illustration: A County Employee who resides in South Lake Tahoe is required to attend a one-day business meeting in Sacramento. The County employee estimates that the total time for the day without obtaining lodging would be 14 hours (8 hours of meetings, 1 hour for lunch and 5 hours for round-trip travel).  3. Travelers are not eligible to claim reimbursement for lodging costs when staying overnight as a guest of friends or relatives.
 4. "no-show" hotel charges unless there are unavoidable reasons for not canceling the room and the department head has determined that the reasons are valid.

VI. Advance Payments

After travel has been authorized, departments are encouraged to pre-pay expenses, to the extent feasible, using a County credit card, and to provide travelers with County credit cards (subject to credit card use policy) when traveling; however, when this option is not available or practical, an advance may be requested.

A. The Auditor may provide advance funds for estimated "out of pocket" expenses up to seventy-five percent (75%) Advances will not be issued in amounts less than \$100 or more than \$1,000. The "out of pocket" expenses may include per diem allowances, individual meals, taxi and public transportation, lodging, parking, and registration costs, but does not include mileage reimbursement for the use of a personal vehicle.

C. Department Heads are responsible for ensuring that claims for reimbursement are submitted to the Auditor-Controller's Office in a timely fashion, preferably within 30 days following completion of the travel.
