Dear Supervisor Sweeney,

The El Dorado County Mental Health Commission, at our last meeting on June 23, 2010, voted to recommend that Lee Kaplan be approved for appointment to the Commission.

Mr. Kaplan's qualifications will assist the Mental Health Commission in its duties of advocating for and in the oversight of, El Dorado County's Mental Health Division.

The Commission respectfully requests that Mr. Lee Kaplan's application be placed on the next agenda for appointment.

The Commission very much appreciates the Board of Supervisors' patience as we fill our vacancies according to the requirements of the California Mental Health Planning Council to ensure a balanced, effective, and representative board.

Sincerely,

Jan Melnicoe, Chair  
El Dorado County Mental Health Commission
