Dear Board of Supervisors,

We are long-time residents of Cameron Woods; we ask that you support the Planning Commission's recommendation and vote to change the five subject parcels from MFR to HDR. We ask for your support in correcting the error made by the County back in 2015 when the parcels were erroneously changed from single family to multi-family. The Cameron Woods community is counting on you to do the right thing! Thank you -

Sincerely, Linda and Mark Geery

To the Clerk of board, I am a home owner here in Cameron Woods subdivision in Cameron Park. I understand there is a vote tomorrow reference lots on Mira Loma Dr. The lots were changed from single family dwelling to multi family without our knowledge. We do not need any apartments on Mira Loma Dr. Or in our residential subdivision. Traffic is already a problem on Mira Loma Dr. I would appreciate a vote to change the lots back to single family dwelling. Thank you for your time on this matter.

I live at [3208 Perlett Drive](#). The proposed apartments behind my property would produce many headaches for our community here in Cameron Woods. Please vote to ensure our properties get reverted back to single family residences as they were before. Thank you.
