Identify funding source:

General Fund

Non-General Fund

Does Funding Source Contain
any Federal Funds?

Yes

No

If Non-General Fund, identify the funding source:

Road Fund Discretionary

The request for bid is for the purpose of:

Providing a patching material used to repair pot holes in all types of weather.

Without this product or service, the impact to the department would be:

Routine patching of potholes is not possible without this material, resulting in further deterioration of road conditions. Using a less durable temporary patching material will result in increased labor and equipment costs because it would require reapplication of the material.

Please list the individual(s) from OUTSIDE your department who will participate on the evaluation committee (Required for RFPs and RFQs)

N/A

QUOTATION SCHEDULE

HIGH PERFORMANCE COLD PATCH MIX

This material shall be composed of a modified polymer blend and suitable laboratory approved crushed aggregates. It shall be plant or pugmill mixed and capable of storage in an uncovered outdoor stockpile for a minimum of six (6) months. The material shall be capable of repairing asphalt and concrete pavements in all weather applications. The mixture will be firm and workable in a temperature range between 0 degrees F and 100 degrees F. Product samples may be requested during the evaluation process.

Material must be available for purchase during all twelve months of the year.
