ARTICLE I

Scope of Work: Consultant is engaged in the business of doing the services and tasks required under this Agreement, including those services and tasks that are identified in

individual Work Orders issued pursuant to this Agreement, and those services and tasks that are reasonably necessary for the completion of the work identified in the Scope of Work.

Consultant shall furnish, at Consultant's own cost and expense, all personnel, subconsultants, services, vehicles, and equipment or any other materials, necessary to provide as-needed architectural design services at various County locations within the County boundaries, including those services and tasks that are identified in the Scope of Work, and those services and tasks that are reasonably necessary for the completion of the work identified in the Scope of Work.

For each as-needed work assignment, the specific services for each assignment shall be determined at a meeting, by email, or telephone conference between County's Contract Administrator and Consultant. For each work assignment, Consultant shall provide a written quote to County's Contract Administrator. Upon receipt and approval of each quote, County's Contract Administrator will issue a separate written Work Order to Consultant for each as-needed work assignment identifying the specific site where the work will be performed, any required deliverables, including reports or other documents to be supplied in connection with the work assignment, a description of the work or other services to be performed, a specific date by which the work shall be completed, and a not-to-exceed cost to complete the work. Consultant shall not commence work until receiving the written Work Order. No payment will be made for any work performed prior to the issuance of the written Work Order. No payment will be made for any work performed prior to approval and full execution of the Work Order or beyond the earlier of the expiration date of the Work Order or expiration of the underlying Agreement, and no payment will be made for amounts in excess of the not-to-exceed amount of the Work Order.

The period of performance for Work Orders shall be in accordance with dates specified in each Work Order. No payment will be made for any work performed before or after the period of performance in the Work Order unless County's Contract Administrator and Consultant amend the Work Order. No Work Order will be written which exceeds the cumulative total of the not-to-exceed dollar amount of this Agreement. No Work Order will be written which extends beyond the expiration date of this Agreement.

Consultant acknowledges that the work performed must meet the approval of County, and therefore County reserves the right to monitor the work to ensure its satisfactory completion.

Deliverables shall be submitted via electronic file and Consultant shall produce the file using Microsoft (MS) Office 365 applications (specifically, MS Word, MS PowerPoint, and MS Excel), auto computer-aided design (CAD), or Revit, as applicable. Signed reports

shall be submitted in Adobe portable document format (PDF). All deliverables shall be submitted in the language, format and design that are compatible with and completely transferable to County's computer, and that are acceptable to County's Contract Administrator. Newer versions of software may be used and other types of software used for analytical purposes may be authorized if approved in advance of the submittal by County's Contract Administrator. Consultant shall submit all deliverables to County's Contract Administrator in accordance with completion time schedules identified in the individual Work Orders issued pursuant to this Agreement. Failure to submit the required deliverables in the format required may be grounds for termination of the Agreement, as provided in ARTICLE XXIV, Default, Termination, and Cancellation, herein.

Consultant shall perform the services and tasks required under this Agreement in a safe, professional, skillful, and workmanlike manner. Consultant is responsible for ensuring that its employees, as well as any subconsultant if applicable, perform the services and tasks required under this Agreement accordingly. All of the services included in the Scope of Work, or in the individual Work Orders issued pursuant to this Agreement, are the responsibility of Consultant unless specifically described as a task or item of work to be provided by County. Consultant shall be responsible for the supervision, administration, and work performed by any subconsultant for services rendered under this Agreement. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Consultant or its employees, agents, associates, representatives, or subconsultants.

ARTICLE II

Term: This Agreement shall become effective from the date specified in the official Notice to Proceed with the Work, which shall be attached to this Agreement as an addendum and shall become part of this Agreement, and shall expire two (2) years thereafter, unless extended by mutual agreement.

ARTICLE III

Compensation for Services: For services provided herein, including any deliverables that may be identified in the individual Work Orders issued pursuant to this Agreement, County agrees to pay Consultant upon the satisfactory completion and County's acceptance of each work assignment in arrears. Payment shall be made within forty-five (45) days following County receipt and approval of invoices detailing the services rendered.

For the purposes hereof, the billing rates shall be in accordance with Exhibit A, marked "Rate Schedule," incorporated herein and made by reference a part hereof.

Notwithstanding any other provision of this Agreement to the contrary, payments to Consultant and subconsultants for travel, lodging, per diem, and mileage expenses, if applicable, for Consultant's or subconsultant's claims for reimbursement shall not exceed the rates to be paid to County employees under the current Board of Supervisor's Travel Policy in effect at the time the expenses are incurred, without markup. Any individual travel expense exceeding one hundred dollars (\$100) and any work requiring overnight stay must be approved in advance by County's Contract Administrator or designee.

Consultant and subconsultant are responsible for canceling hotel rooms before the cancellation period ends and should record the cancellation number in case of disputes. Consultant and subconsultant shall not be reimbursed for "no-show" hotel charges unless there are unavoidable reasons for not cancelling the room and County's Contract Administrator or designee has determined that the reasons are valid.

Subconsultant's services, other outside services, and other direct costs, including but not limited to, printing, delivery charges, blueprints, agency fees, renderings, plotting, and copying costs, authorized herein shall be invoiced at Consultant's cost, with a ten percent (10%) markup, for the services rendered. Rates and fees, included in such direct costs, will require prior authorization from County's Contract Administrator or successor. Any invoices that include subconsultant services shall be accompanied by backup documentation to substantiate Consultants costs for the services being billed on those invoices.

The total amount of this Agreement shall not exceed \$78,700, inclusive of all Work Orders, and amended Work Orders, all work of subconsultants, and all costs, taxes, and expenses. It is understood and agreed that there is no guarantee, either expressed or implied that this dollar amount will be authorized under this Agreement through Work Orders.

Invoices shall follow the format specified by County and shall reference this Agreement number and the County-supplied Work Order number both on their faces. Copies of documentation attached to invoices shall reflect Consultant's charges for the specific services billed on those invoices. Consultant shall bill County for only one (1) Work Order per invoice. Invoices shall be mailed to County at the following address:

County of El Dorado
Chief Administrative Office
Facilities Division
3000 Fairlane Court, Suite One
Placerville, California 95667

or to such other location as County directs.

In the event that Consultant fails to deliver the documents or other deliverables required by the individual Work Orders issued pursuant to this Agreement, County at its sole option may delay the payment for the period of time of the delay, cease all payments until such time as the deliverables are received, or proceed as set forth herein below in ARTICLE XXIV, Default, Termination, and Cancellation, herein.

ARTICLE IV

Taxes: Consultant certifies that as of today's date, it is not in default on any unsecured property taxes or other taxes or fees owed by Consultant to County. Consultant agrees that it shall not default on any obligations to County during the term of this Agreement.

ARTICLE V

Ownership of Data: Upon completion or earlier termination of all services under this Agreement, or upon the completion or earlier termination of services provided in accordance with individual Work Orders issued pursuant to this Agreement, ownership and title to all reports, documents, plans, maps, specifications, estimates, compilations, photographs, videos, and any and all other materials or data produced or obtained as part of this Agreement will automatically be vested in County without restriction or limitation on their use, and no further agreement will be necessary to transfer ownership to County. Copies may be made for Consultant's records, but shall not be furnished to others without prior written authorization from County's Contract Administrator. Such deliverables shall be deemed works made for hire and all rights in copyright therein shall be retained by County. Consultant shall furnish County all necessary copies of data, including data stored in electronic format, needed to complete the review and approval process of the services and deliverables provided under this Agreement.

If County uses or reuses any reports, documents, plans, specifications, estimates, and any other materials or data prepared by Consultant under this Agreement, on any project other than a project performed under this Agreement, it shall remove the seals of the Consultant and any of its subconsultants, and shall release Consultant and its officers, directors, agents, employees and subconsultants from claims arising out of such use or reuse.

Consultant and any subconsultant authorized herein, have full responsibility for the accuracy and completeness of the deliverables, reports, and such other documents that may be required for the tasks or items of work assigned. Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement and any Work Orders issued pursuant to this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

In no event, however, shall County be obligated to pay more than the total amount of the Work Order or the total amount of the

Agreement, as applicable. Upon receipt of a Notice of Termination, Consultant shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise. In the event of termination, County reserves the right to take over and complete the work by contract or by any other means.

ARTICLE XXXV

County's Contract Administrator shall at the time this Agreement is executed make an initial determination whether or not the individuals who will provide services or perform work pursuant to this Agreement are consultants within the meaning of the Political Reform Act and County's Conflict of Interest Code. Statements of economic interests are public records subject to disclosure under the California Public Records Act.

Consultant covenants that during the term of this Agreement neither it, or any officer or employee of Consultant, has or shall acquire any interest, directly or indirectly, in any of the following:

ARTICLE XXXIX

Resolution of Claims: Consultant's attention is invited to Public Contract Code section 20104, et seq., for resolution of construction claims, and specifically section 20104.2. Claims pertaining to this Agreement shall be governed by the provisions of those sections.

Your attention is directed to Public Contract Code section 9204, which describes procedures for the resolution of claims on public works projects. Among other things, section 9204 requires the claimant to furnish reasonable documentation to support a claim, requires the public entity to respond to the claim within forty-five (45) days of receipt of the claim, and allows for the claimant to demand an informal meet and confer conference for settlement of the issues in dispute. For any portion of a claim that remains in dispute, section 9204 requires submission of the claim to nonbinding mediation. response and to pay interest at the rate of seven percent (7%) per annum on any amounts not paid in a timely manner. ARTICLE XLIV

Partial Invalidity: If any provision, sentence, or word of the Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions, sentences, or words will continue in full force and effect without being impaired or invalidated in any way.

California Levine Act Statement

California Levine Act Statement

California Government Code section 84308, commonly referred to as the "Levine Act," prohibits any officer of El Dorado County from participating in any action related to a contract if he or she accepts, solicits, or directs any political contributions totaling more than two hundred and fifty dollars (\$250) within the previous twelve (12) months, and for twelve (12) months following the date a final decision concerning the contract has been made, from the person or company awarded the contract. The Levine Act also requires disclosure of such contribution by a party to be awarded a specific contract. An officer of El Dorado County includes the Board of Supervisors, any elected official, and the chief administrative officer (collectively "Officer"). It is the Consultant's responsibility to confirm the appropriate "Officer" and name the individual(s) in their disclosure.

Have you or your company, or any agent on behalf of you or your company, made any political contribution(s), or been solicited to make a contribution by an Officer or had an Officer direct you to make a contribution of more than \$250 to an Officer of the County of El Dorado in the twelve months preceding the date of the submission of your proposals or the anticipated date of any Officer action related to this contract?

☐ YES ☒ NO

If yes, please identify the person(s) by name:

Do you or your company, or any agency on behalf of you or your company, anticipate or plan to make any political contribution(s) of more than \$250 to an Officer of the County of El Dorado in the twelve months following any Officer action related to this contract?

☐ YES ☒ NO

If yes, please identify the person(s) by name:

Answering YES to either of the two questions above does not preclude the County of El Dorado from awarding a contract to your firm or any taking any subsequent action related to the contract. It does, however, preclude the identified Officer(s) from participating in any actions related to this contract.
