Hi

We received notice of the public hearing on Nov 10th concerning the consideration of Rezoning Z16-0003/Williamson Act Contract WAC16-0002/Hermosa Vista Ranch submitted by John and Maria Taylor. My wife Kathy and I will not be able to attend due to work obligations and would like to give our input. We recently purchased Parcels 041-360-14 and 041-360-15 and plan to build a home there in the near future. We want to know if this change would affect the zoning of our parcels. If the Rezoning would make it more difficult for us to build our home, then we would both be against it. Also we would like to know if it would affect our driveway entrance on Hermosa Vista in any way. We are currently trying to get all the zoning issues that affect the building of our home figured out. Of course if the Rezoning of the Taylor property would not affect the current zoning rules for our two parcels, then we would not have any objections.

Please feel free to contact us at any time.

Thank You,

Frank and Kathy Lukachinsky
