RE: TTSD Rate Increase, effective 07/01/2011

Dear Gerri:

Pursuant to your request, the purpose of this letter is to reiterate our request, as earlier made within correspondence dated March 11, 2011, for the contractually allowed 5% rate increase to be effective July 1, 2011. Our initial request had proposed alternatives to the full increase which, as you have communicated, cannot be implemented. Please therefore proceed with the request for full increase.

Our company remains open and willing to discuss compensatory alternatives to the contractually scheduled rate increases. Of these, the greatest impact to lowering rates remains in making the residential collection service mandatory for the eastern unincorporated area we serve.

Attached is exhibit showing new rates. Public noticing will be issued within the contractual guidelines.

Respectfully,

David Achiropoulos
Tahoe Truckee Sierra Disposal Co., Inc.
