We have also issued a separate Memorandum on Internal Control dated March 23, 2017 which is an integral part of our audits and should be read in conjunction with this report.

**SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS**

Our audit disclosed the following findings and questioned costs required to be reported in accordance with Uniform Guidance.

**Finding reference number:** SA2016-001 Compliance with Follow Up on Failed Inspections

**CFDA number:** 14.871

**CFDA Title:** Section 8 Housing Choice Vouchers

**Name of Federal Agency:** Department of Housing and Urban Development

**Name of pass-through Entity:** N/A

**Criteria:** 24 CFR sections 982.158(d) and 982.404 and the El Dorado County Public Housing Authority's inspection policies require that for units under the Housing Assistance Payments (HAP) contract that fail to meet Housing Quality Standards (HQS), the Housing Authority must require the owner to correct any life threatening HQS deficiencies within 24 hours after the inspections and all other HQS deficiencies within 30 calendar days or within the time specified in a Housing Authority-approved extension. And, the Public Housing Authority's inspection policy stipulates a notification of inspection results will be provided to the owner and family within 5 days. If the owner does not correct the cited HQS deficiencies within the specified correction period, the Authority must stop (abate) the HAPs beginning no later than the first of the month following the specified correction period or must terminate the HAP contract.

**Condition:** We tested 11 failed inspections and noted that the inspection for one unit was performed on November 23, 2015, and the unit failed the inspection procedures. As noted in the tenant file, the Housing Authority notified the owner and the family of the failed inspection results on January 22, 2016, more than the 5 days required by the Public Housing Authority's inspection policies, and the failed inspection repair for the unit was completed on February 8, 2016, more than the 30 days required by 24 CFR sections 982.158(d) and 982.404 and the Public Housing Authority's policies.

**Effect:** The Public Housing Authority is not in compliance with the failed inspection requirements of 24 CFR sections 982.158(d) and 982.404 and the Public Housing Authority's inspection policy.

**Cause:** The Public Housing Authority staff did not document in the tenant file whether an extension was provided, nor document a reason for allowing the repairs to be completed after the 30 day requirement.

**Recommendation:** The Public Housing Authority staff should review tenant files, including the quality inspections status, on a regular basis to ensure that all files are up to date and required repairs have been performed within the time required or stop the HAPs in accordance with the provisions of 24 CFR sections 982.158(d) and 982.404 and the El Dorado County Public Housing Authority's inspection policies.

**View of Responsible Officials and Planned Corrective Actions:** Please see Corrective Action Plan separately prepared by the County.

**SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS (Continued)**

**Finding reference number:** SA2016-002 Supporting Documentation for Compliance with Eligibility Requirements

**CFDA number:** 14.871

**CFDA Title:** Section 8 Housing Choice Vouchers

**Name of Federal Agency:** *Department of Housing and Urban Development*

**Name of pass-through Entity:** N/A

**Criteria:** 24 CFR sections 5.230, 5.609, 982.516, and 982.202-982.207 require agencies to maintain documentation of eligibility as a condition of admission or continued occupancy.

**Condition:** We tested the files of 16 existing tenants, and noted one tenant's file appeared to lack documentation supporting the tenant's re-admission into the program. We noted in the tenant file that the Housing Authority provided a letter to the tenant in July 2016 alerting the tenant their Housing Choice Voucher had expired, and as no request for an extension had been provided, the tenant's participation in the program had been terminated. The letter included a recommendation for the tenant to apply for the Wait List once it opened for new applicants. In August 2016, the former tenant submitted a Request for Tenancy Approval Form 52517, and was subsequently approved and admitted into the program. We understand an extension had been granted, but the tenant file did not contain documentation of the extension.

**Effect:** The Public Housing Authority is not in compliance with the eligibility documentation requirements of 24 CFR sections 5.230, 5.609, 982.516, and 982.202-982.207.

**Cause:** The Public Housing Authority staff did not document whether an extension was provided, nor document a reason for allowing the tenant to re-apply to the program without first applying to the wait list.

**Recommendation:** The Public Housing Authority staff should review tenant files on a regular basis to ensure that all files are up to date and documentation of approved extensions is adequately maintained.

**View of Responsible Officials and Planned Corrective Actions:** Please see Corrective Action Plan separately prepared by the County.

**Finding reference number:** SA2016-003 Submission of Revised Single Audit to Federal Audit Clearinghouse and State Controller's Office

**CFDA numbers:** 93.568

**CFDA Titles:** Low Income Home Energy Assistance, Community Services Block Grant

**Name of Federal Agency:** *Department of Health and Human Services*

**Name of pass-through Entity:** *California Health and Human Services Agency - Department of Community Services and Development*

**Criteria:** Revised Single Audit and Program-Specific Audit Reports should be submitted to the Federal Audit Clearinghouse and the pass-through entity for which the Program-Specific Report is required to be submitted.

### SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS (Continued)

**Finding reference number:** SA2016-003 Submission of Revised Single Audit to Federal Audit Clearinghouse and State Controller's Office (Continued)

**Condition:** In May 2016, the County's Health and Human Services Agency (HHSA) staff noted that the fiscal year 2014-2015 federal expenditures were overstated by \$38,024 in error for the Low Income Home Energy Assistance Program (LIHEAP) in both the June 30, 2015 Single Audit Report and the June 30, 2015 California Department of Community Services and Development (CA CSD) Program-Specific Report. Both reports were revised and submitted to CA CSD; however, the revised reports were not submitted to the Federal Audit Clearinghouse or to the State Controller's Office.

**Effect:** Information reported in the June 30, 2015 Single Audit Report filed with the Federal Audit Clearinghouse and to the State Controller's Office was incorrect and inconsistent with the information reported in the revised CA CSD Program-Specific Report. As a result, the County was required to report a negative adjustment of \$38,024 in the June 30, 2016 Single Audit Report.

**Cause:** Although the revised reports were submitted to the County Board of Supervisors, the County Auditor-Controller, who is responsible for submitting the Single Audit Report to the Federal Audit Clearinghouse and the State Controller's Office, was not informed of the revision until March 2, 2017.

**Recommendation:** The County should develop procedures to ensure that any revisions to the Single Audit Report or Program-Specific Report are communicated to the County Auditor-Controller.

**View of Responsible Officials and Planned Corrective Actions:** Please see Corrective Action Plan separately prepared by the County.

### Notes to Schedule of Expenditures of Federal Awards For the Year Ended June 30, 2016

#### NOTE 1: **REPORTING ENTITY**

The accompanying Schedule of Expenditures of Federal Awards (Schedule) presents the activity of all federal award programs of the County of El Dorado (County), with the exception of the federal award programs of the El Dorado County Transportation Commission, the Children and Families Commission, and the El Dorado County Transit Authority, which were subject to separate audits by independent auditors. The County's reporting entity is defined in Note 1 to the County's basic financial statements. All federal awards received directly from federal agencies, as well as federal awards passed through other governmental agencies, are included in the Schedule.

#### NOTE 2: **BASIS OF ACCOUNTING**

The accompanying Schedule includes the federal grant activity of the County, which is presented on accounting principles generally accepted in the United States of America. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in the Schedule may differ from amounts presented in, or used in the preparation of, the financial statements.

*Non-Cash Assistance.* The Schedule contains values for the following non-cash assistance, which is not presented in the financial statements:

*10.576 Senior Farmers Market Nutrition Program* – Coupons in the amount of \$5,320 are reported at the value of coupons distributed.

#### NOTE 3: **RELATIONSHIP TO FINANCIAL STATEMENTS**

The expenditures reported in the accompanying Schedule agree, in all material respects, to the associated expenditures reported within the County's fund financial statements. Specifically, with the exception of federal award expenditures reported on a cash basis, federal award expenditures accounted for under governmental fund types use the modified accrual basis of accounting while those accounted for under proprietary fund types use the accrual basis of accounting. Federal award expenditures that are required to be reported by the federal cognizant agency on a cash basis have been reported on the Schedule on a cash basis. Any differences between the cash and modified accrual basis of accounting for these expenditures are immaterial.

**INDEPENDENT AUDITOR'S REPORT ON  
INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN  
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Supervisors of  
the County of El Dorado  
Placerville, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of the County of El Dorado, as of and for the year ended June 30, 2016, and have issued our report thereon dated March 23, 2017. Our report included an emphasis of a matter paragraph disclosing the implementation of new accounting principles. Our report includes a reference to other auditors who audited the component unit financial statements of the Children & Families Commission, the El Dorado County Transportation Commission (EDCTC) and the El Dorado County Transportation Authority (EDCTA) as described in our report on the County's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and are listed as finding 2016-01 in our separately issued Memorandum on Internal Control dated March 23, 2017, which is an integral part of our audit and should be read in conjunction with this report.

### ***County's Response to Findings***

The County's response to the finding identified in our audit is described in our separately issued Memorandum on Internal Control dated March 23, 2017, which is an integral part of our audit and should be read in conjunction with this report. The County's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

### ***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON  
COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM;  
REPORT ON INTERNAL CONTROL OVER COMPLIANCE;  
AND REPORT ON THE SCHEDULE OF EXPENDITURES OF  
FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Supervisors of  
the County of El Dorado  
Placerville, California

***Report on Compliance for Each Major Federal Program***

The County of El Dorado's basic financial statements include the operations of the Children & Families Commission (CFC), the El Dorado County Transportation Commission (EDCTC) and the El Dorado County Transportation Authority (EDCTA), which expended federal awards that are not included in the Schedule of Expenditures of Federal Awards for the year ended June 30, 2016, because the component units engaged other auditors. However, the CFC, EDCTC and EDCTA did not incur federal expenditures equal to or greater than \$750,000 for the year ended June 30, 2016.

We have audited the County's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2016. The County's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

***Management's Responsibility***

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

### ***Opinion on Each Major Federal Program***

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

### ***Other Matters***

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying Schedule of Findings and Questioned Costs as items SA2016-001, SA2016-002 and SA2016-003. Our opinion on each major federal program is not modified with respect to these matters.

### ***County's Response to Findings***

The County's responses to the noncompliance findings identified in our audit are described in the accompanying Schedule of Findings and Questioned Costs. The County's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

### ***Report on Internal Control Over Compliance***

Management is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

***Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance***

We have audited the basic financial statements of the County as of and for the year ended June 30, 2016. We issued our report thereon dated March 23, 2017 which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

***Supplementary Statements***

The Statements of the California Governor's Office of Emergency Services and the Board of State and Community Correction Grants have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we express no opinion on them.
