Please spend your time and my tax dollars pursuing more worthy issues than marijuana farms. Your viewpoint is narrow minded and antiquated. Address the REAL contributing factor to crime in El Dorado County: METHAMPHETAMINE AND HEROIN/OPIATES. IF the marijuana growers have a problem with theft then that's their own negligent fault. NO ONE has died from marijuana use. How many deaths has this county seen from Opiates? And how much crime is directly related to METHAMPHETAMINE??? Your constituents DO NOT want any change in our county's marijuana growing code. Now move on and address REAL problems or feel free to step down from the Supervisor position.
