Construction Contract

Dear Mr. Nygaard:

We have reviewed the bid for the Taxiway B Construction, West Hangar and Apron Pavement Rehabilitation and Runway Blast Pad Marking Project. We concur in your recommendation, and based on the executed Sponsor Certification for Equipment/Construction Contracts, dated August 30, 2010, you are authorized to award the contract to California Pavement Maintenance Company in the amount of \$260,080.02.

We request that a preconstruction conference be scheduled to discuss pertinent labor regulations, safety and construction matters. The Notice to Proceed cannot be issued until the preconstruction conference is held. Please inform us of the date for such a meeting so that we may attend.

To assist you in moving this project forward, we are enclosing the Preconstruction Conference Checklist. Any additions to the Preconstruction Conference Checklist you would like to make are acceptable. The checklist should be mailed to all participants so that advance preparation can be made. Additionally, please provide us a copy of the executed contract between the County and California Pavement Maintenance Company.

If you have any questions, do not hesitate to contact me at (650) 876-2778, extension 625, or via email at tj.chen@faa.gov.

Sincerely,

T. J. Chen, P.E.
