Award and Sign Construction Contract with Lowest Responsive, Responsible Bidder:

The Disadvantaged Business Enterprise (DBE) goal for the Project is 0%. Per the Contract Documents, if the top three bidders did not submit their DBE information with their bid, they were required to submit this information by 4:00 pm the fourth business day after the bid opening, which for this Project was August 22, 2014. RaPiD Construction, Inc. submitted its DBE Commitment form on August 18, 2014. Authorize Director Community Development Agency to Sign Escrow Agreement:

Pursuant to Special Provisions Section 5-1.20, "Payment of Withheld Funds," of the Contract Documents, Transportation will retain five percent (5%) of the value of work done from each Contractor payment (excluding mobilization payments) as security for the fulfillment of the Contract. Alternatively, Public Contract Code Section 22300 provides that the Contractor may request that payment of retentions earned be made directly to an Escrow Agent.

In accordance with these provisions, the Contractor may request in writing that the County make payment of retention funds directly into an escrow account, which would necessitate an Escrow Agreement. To help expedite this process (if requested by the Contractor), Transportation requests that the Board authorize the Director of the Community Development Agency to execute the Escrow Agreement. Upon satisfactory completion of portions of the Contract and upon written notification from the Director of the Community Development Agency, the Contractor will receive incremental releases from the Escrow Agent paid into the account and any interest earned thereon. A portion of the retention and interest will be retained in the escrow account until thirty-five (35) days after the recordation of the Notice of Acceptance of the Contract at which time, upon written notification from the Director of the Community Development Agency, these funds will be released to the Contractor.

Actions to be taken by Transportation following Board Approval

1. Upon approval by County Counsel and Risk Management, Transportation will forward the Construction Contract, together with the required bonds and insurance, and the approved Contract Routing Sheet to the Clerk of the Board for the Chair's signature.

Clerk of the Board Follow Up Actions

1. The Clerk of the Board will forward the fully executed Construction Contract to Transportation for further processing.
