Subject: 2nd Budget Reallocation - Request

Good morning Ron,

Thank you for your participation in the State Fiscal Year 2022-23 2nd Budget Reallocation cycle process. Your request for reallocation funds in the amount of \$49,824 for funding to cover the cost of County IT to come into compliance based on the 2020 Audit has been conditionally approved. El Dorado will need to submit final costs and supporting documentation for the requested funding to reflect in your allocation.

A one-time increase of \$49,824 will be reflected in your May 2023 advance to reflect the adjustment to your allocation once requested documentation is received. A conditionally approved comment has been entered in BECA.

As a reminder, this approval is for SFY 2022-23, and funds are to be used only for the items identified above. If it is determined that any part of these funds is no longer needed or will not be fully expended prior to the end of the current SFY, the funds must be returned..

If you have any questions, please feel free to contact me or your LCSA Fiscal Administrative Analyst.

Thank you,

Jennifer Younger
