Subject: Gann Spending Limit-Compliance (2022/23), Compliance (2023/24)
& Hearing (2024/25)

Agenda Date: May 14, 2024

Dear Board Members:

Recommendation

Receive and file the report on "Comparison of Actual Tax Proceeds to Adopted Appropriations Limit", the schedule of Prop 4 Compliance for FY 2022-2023 Actual Revenues, the schedule of Prop 4 Compliance for FY 2023-2024 Adopted Revenues and set a public hearing for June 18, 2024 at 10:30 am for the discussion and adoption of the Appropriations Limit for Fiscal Year 2024-2025.

Reason for Recommendation

In accordance with the provisions of the spending limitation legislation implementing Proposition 4 (1979 Gann Initiative), before considering the adoption of a budget for the next fiscal year, your Board should adopt a new appropriations limit. Government Code Section 7910 requires that the governing body of each local jurisdiction establish its appropriations limit by resolution for the following fiscal year at a regular or special meeting. The law provides that your Board should hold a hearing for the purpose of receiving testimony and other evidence regarding the appropriations limit, and that the data used in developing the proposed limit be available for more than fifteen (15) days prior to the hearing. The data used in developing the growth over the prior limit has been made available and the proposed limit for Fiscal Year 2024-2025 has been computed.

Attachment I presents a comparison of the “adopted limits” and actual “tax proceeds” for prior fiscal periods and an estimate of the current fiscal period.

Attachment II presents the schedule detailing the Proposition 4 compliance for Fiscal Year 2022-2023 actual revenues.

Attachment III presents the schedule detailing a projection of Proposition 4 compliance for Fiscal Year 2023-2024 adopted revenues.

Fiscal Impact - There is no fiscal impact.

Net County Cost - There is no net county cost associated with this request.

Action to be Taken Following Approval

Set June 18, 2024 at 10:30 am for the public hearing and adoption of the Appropriations Limit resolution.

Sincerely,

Joe Harn
Auditor-Controller
