Application for Civil Service Commission

I believe I may be able to offer a unique perspective if selected to serve on the El Dorado County Civil Service Commission. My entire professional career of over 23 years was spent in county government under a civil service system. I served as Superior Court Executive Officer for the Placer County Superior Court, Principal Management Analyst for the Placer County Executive's Office, and was appointed the first Child Support Director by the Board of Supervisors when this program transitioned from the local to state level in the early 2000's. Two years after the transition I am proud that Placer County Child Support was acknowledged to be the most improved child support department in the state.

In all of these capacities, I have dealt with employee negotiations, grievances, and human resources. I recognized that a lot factors can be mitigated by proper training and timely and consistent employee evaluations. In all of my professional career, I had only one grievance filed, which the department was found successful.

I have good people skills and the ability to listen to both sides of an issue before rendering a decision.

I am seeking consideration for this appointment because I have the time now to give back. I graduated from the University of California with a Masters Degree in Public Administration. I have served on numerous state and local committees, and in my professional capacity have appeared before the Legislature and Board of Supervisors.

Thank you for your consideration.
