**Subject: Local Roadway Safety Plan (LRSP) Certification**

In order to apply for the local Highway Safety Improvement Program (HSIP) funds, an agency must have completed their Local Roadway Safety Plan (LRSP) or an equivalent of the LRSP, such as Systemic Safety Analysis Report (SSAR) or Vision Zero Action Plan. The LRSP or its equivalent must be updated and validated at least every five years. It is strongly recommended that the LRSP (or its equivalent) and its update be approved by the agency's Board or Council.

The El Dorado County Department of Transportation certifies that it has completed an LRSP (or its equivalent). The LRSP (or its equivalent) is data driven and facilitates a comprehensive approach to addressing road safety.

You may direct any questions regarding the LRSP to Dave Spiegelberg at (530) 621-6077 or [dave.spiegelberg@edcgov.us](mailto:dave.spiegelberg@edcgov.us).

Thank you for your assistance,

Rafael Martinez  
Director, Department of Transportation
