RE: Waiver of the fee for the Temporary Use Permit

Dear Karen,

Thank you for taking the time to review the Props, Cops, and Rodder's request for a waiver of the fee for the Temporary Use Permit for the upcoming Car Show on September 28, 2024.

As in years past, this annual community event will be held under the jurisdiction of the Cameron Park Community and Airport Facility. The Cameron Park Airport District approved the Props, Cops, and Rodders event during their February 26, 2024 board meeting. Last year, we raised \$2,400 for the Airport District.

In addition, the event has raised over \$20,000 for non-profit organizations each of the last several years. These organizations include The Upper Room, Boys and Girls Club, New Beginnings, Court Appointed Child Advocates (CASA), and the Ponderosa High School Band, among others.

Last year's band, Rock Monsterz, has graciously committed to providing their time and talent again at no cost to the venue. In addition to the cars and vendors, they provide excellent entertainment.

Thank you again for your kind consideration of waiving the Temporary Use Permit. Every dollar saved is a dollar that we can put back into the community, providing one more source of revenue for these various non-profit entities.

Regards,

Dan Kurywchak
