See Exhibits A and B, attached hereto and by reference is made a part hereof.

This temporary construction easement is granted under the express conditions listed below:

1. 2. Grantor represents and warrants that they are the owner of the property described in Exhibit A and depicted on the map in Exhibit B attached hereto and made a part hereof, and that Grantor has the exclusive right to grant the temporary construction easement.
3. This temporary construction easement is necessary for the purpose of constructing the **#73360 - COLD SPRINGS ROAD REALIGNMENT PROJECT (Project)**. Specifically, this temporary construction easement shall allow Grantee or its agents, employees, and contractors the right of ingress and egress as may be reasonably necessary for construction purposes, inclusive of such repairs, replacements, and removals as may be from time to time required as well as for other purposes incidental to construction of the project. No stockpiling or parking of vehicles or equipment are allowed to take place in this area. Included within this temporary construction easement is the right of ingress and egress of Grantee, its agents, employees, and contractors for warranty repairs and the correction of defects in the work within the first year following completion of construction. This right during the one-year warranty period survives the expiration of this easement.

4. Compensation under this temporary construction easement covers the construction period estimated to be 12 (Twelve) months of construction, together with the five-year warranty period. In the event that construction of the Project is not completed within 12 (Twelve) months of commencement of construction, Grantor shall be entitled to additional compensation as follows: For each month thereafter, **the sum of \$2.20 (TWO DOLLARS AND 20/100)** monthly will be paid to the Grantor, until construction is completed.

In the event of property damage, Grantee, at its sole option, may either repair the damage or pay the estimated costs for the repair.

County will use federal/state/local funds for the acquisition of the land rights for this Project. County has entered into a Master Agreement, Administering Agency – State Agreement for Federal Aid Projects, Agreement No. 03-5925R, effective February 14, 2007. TO HAVE AND TO HOLD said lands and interests therein unto COUNTY OF EL DORADO and its successors forever, subject, however, to the covenant, conditions, restrictions and reservations herein contained as follows, which will remain in effect for the period during which the real property or structures are used for a purpose for which federal financial assistance is extended or for another purpose involving the provision of similar services or benefits and shall be binding on COUNTY OF EL DORADO, its successors and assigns.

COUNTY OF EL DORADO, does hereby covenant and agree as a covenant running with the land for itself, successors and assigns, that:
