Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XII

- a. The alleged default and the applicable Agreement provision, and
- b. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

2. If County terminates this Agreement, in whole or in part, for default:

- a. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and Consultant shall be liable to County for any excess costs for those goods or services. County may deduct from any payment due, or that may thereafter become due to Consultant, the excess costs to procure from an alternate source.
- b. County shall pay Consultant the sum due to Consultant under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be deducted from any sum due Consultant under this Agreement and the balance, if any, shall be paid to Consultant upon demand.
- c. County may require Consultant to transfer title and deliver to County any completed work under the Agreement.

3. The following shall be events of default under this Agreement:

- C. Ceasing Performance: County may terminate this Agreement immediately in the event Consultant ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination. If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to Consultant, and for any other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, Consultant shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.

- Participate in strategy meetings on policy and budget issues with leadership staff in both legislative Houses and both parties to further the CTA's legislative and regulatory goals.

Consultant's advocacy responsibilities shall not end with the Governor's signature on legislation. Many statutory changes, in particular funding programs, require the development of guidelines and/or regulations. While the legislative process has end points, this administrative process does not. Consultant shall be a constant presence at workshops and public hearings held by CARB, Energy Commission, Transportation Commission,

CalSTA, Resources Agency, and any other applicable agencies where decisions are made. This effort shall also extend to any boards and/or commissions overseen by other constitutional offices such as the State Treasurer and Board of Equalization.

Consultant's Responsibility to Advocate on Behalf of the CTA

Consultant shall create various paths to increase knowledge, positive impressions, and successful factors for the CTA. Consultant shall educate government leaders about the CTA in an effort to achieve the objectives outlined in this Exhibit.

Additionally, Consultant shall conduct a series of introductory and educational meetings with key categories of stakeholders as follows:

- **The Governor's Administration and Key Regulators**
Consultant shall secure relationship-building meetings with the Governor and key appointees on behalf of the CTA.
- **The CTA Legislative Delegation**
Consultant shall work with the CTA to identify and engage legislative members and build a "delegation" beyond the boundaries of the Lake Tahoe Basin.
- **Legislative Leaders in Transportation, Resources, and Local Government**
The CTA will provide a collaborative process to educate legislators on how intertwined forest health, transportation, and water/wastewater infrastructure are connected in order to protect the Lake Tahoe Basin. The economic value as a premier tourist destination further compounds the infrastructure investment needs as the infrastructure must support a weekend population that far exceeds the Lake Tahoe Basin's year-round resident population. Consultant shall use this educational information to schedule meetings and represent the CTA with appropriate stakeholders.
