El Dorado Planning and Building Department:

Hi, my name is Sandra Castro. I am a resident in Southpointe and also the Chairperson for the Homeowners Architectural Review Committee (ARC). As a volunteer for our community I am acknowledging receipt of the Notice of Public Hearing and would like to add comments.

At this time, CAN Engineering has not had their plans reviewed or approved by our homeowners ARC committee as required per our CCR's. I am aware that our HOA board is working with your department on ensuring that CAN Engineering knows the correct procedures to follow to allow them to move forward correctly.

If there are any questions, please feel free to contact me directly.

Sandra Castro
