Re: Sigma 5 Software License Agreement between El Dorado County and Sigma Data Systems, a division of CPS Human Resource Services

Dear Ms. Mullins,

This letter relates to your contracts with Sigma Data Systems, a division of CPS Human Resource Services ("Sigma"), and seeks your consent to the assignment of your contracts to GovernmentJobs.com Inc., a California C-Corporation doing business as NEOGOV.

On May 1, 2008, CPS sold its Sigma Data Systems business to NEOGOV. NEOGOV is the leader in the rapidly expanding market for public sector recruitment, selection, and applicant tracking systems. Based in El Segundo, California, the company delivers integrated and scalable enterprise applications for government agencies of all sizes. NEOGOV eliminates the lengthy and error-prone implementation process required by traditional client-server software so that enterprises can quickly begin using and benefiting from their technology investment. Today more than 4,000 users from government agencies nationwide depend on NEOGOV products to manage their hiring operations. Large customers include Arlington County (VA), Multnomah County (OR), and Santa Clara County (CA).

NEOGOV is a privately held California corporation. Please see our web site at www.neogov.com.

The purchase of Sigma's business by NEOGOV included the assignment to and assumption by NEOGOV of all of the obligations to be performed by Sigma under your contracts according to their terms and conditions. Key Sigma employees have become employees of NEOGOV and continue to work out of the Tucson, Arizona office. We believe that with the acquisition of Sigma's assets and employment of all of its personnel, coupled with the experience, expertise and resources of NEOGOV, NEOGOV is well-positioned to fulfill all of its obligations to you under your contracts.

Please indicate your consent to the assignment of the contracts to NEOGOV by signing the enclosed form and returning it to us in the envelope provided within the next 14 days.

If you have any questions or desire further information, please do not hesitate to contact either of us at 310-426-6304 ext 138. We appreciate your prompt attention to this matter and look forward to working with you.

Very truly yours,
