The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, if this Agreement is funded by state funds and County determines Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The County shall provide Contractor advance written notice of such termination, allowing Contractor at least thirty (30) calendar days to provide a written response. Termination shall be at the sole discretion of the County.

ARTICLE X

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE XI

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further understood that this Agreement does not create an exclusive relationship between County and Contractor, and Contractor

may perform similar work or services for others. However, Contractor shall not enter into any agreement with any other party or provide any information in any manner to any other party, that would conflict with Contractor's responsibilities or hinder Contractor's performance of services hereunder, unless County's Contract Administrator, in writing, authorizes that agreement or sharing of information.

ARTICLE XII

Confidentiality: Contractor shall maintain the confidentiality and privileged nature of all records, including billing records, together with any knowledge therein acquired, in accordance with all applicable state and federal laws and regulations, as they may now exist or may hereafter be amended or changed. Contractor, and all Contractor's staff, employees, and representatives, shall not use or disclose, directly or indirectly at any time, any said confidential information, other than to County's Contract Administrator for the purpose of, and in the performance of, this Agreement. In addition, Contractor is required to monitor subcontractor's compliance with said terms and conditions and provide written evidence of monitoring to County upon request.

ARTICLE XV

Independent Contractor: The parties intend that an independent contractor relationship will be created by this contract. Contractor exclusively assumes responsibility for acts of its employees, agents, affiliates, and subcontractors, if any are authorized herein, as they relate to the services or work to be performed under this Agreement during the course and scope of their employment by Contractor. Those persons will be entirely and exclusively under the direction, supervision, and control of Contractor.

County may designate the tasks to be performed and the results to be accomplished under this Agreement, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services,

but County will not control or direct the manner, means, methods, or sequence in which Contractor performs the work or services for accomplishing the results. Contractor understands and agrees that Contractor lacks the authority to bind County or incur any obligations on behalf of County.

Contractor, including any subcontractor or employees of Contractor, shall not receive, nor be eligible for, any benefits County provides for its employees, including, but not limited to, vacation pay, paid holidays, life insurance, health insurance, social security, disability insurance, pension, or 457 plans. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

 2. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

If County terminates this Agreement, in whole or in part, for default:

County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and Contractor shall be liable to County for any excess costs for those goods or services. County may deduct from any payment due, or that may thereafter become due to Contractor, the excess costs to procure from an alternate source.
2. County shall pay Contractor the sum due to Contractor under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be deducted from any sum due Contractor under this Agreement and the balance, if any, shall be paid to Contractor upon demand.
3. County may require Contractor to transfer title and deliver to County any completed work under the Agreement.

The following shall be events of default under this Agreement:

If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to Contractor, and for any other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.

F. Accounting Systems and Financial Records: Contractor shall be required to establish and maintain accounting systems and financial records that accurately account for and reflect all federal funds received, including all matching funds from the State, County and any other local or private organizations. Contractor's records shall reflect the expenditure and accounting of said funds in accordance with all State laws and procedures for expending and accounting for all funds and receivables, as well as meet the financial management standards in 45 CFR Part 92 and in the Office of Management and Budget Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." More particularly, Contractors are responsible for complying with the Uniform Grants Guidance and 45 CFR Part 92, and the allowability of the costs covered therein. Contractor must obtain written approval from a member of the HHSA Executive Management prior to" the expenditure of any "special" or unusual costs in order to avoid possible disallowances or disputes based on any potential unreasonableness or non-allowability of expenditures as detailed under the specific cost principles of the Uniform Grants Guidance. In order to obtain the most current regulations, the user should consult not only the latest version of the CFR, but also the List of (CFR) Sections Affected (LSA) issued in the current month. The Federal Register home page offers links to both the Federal Register and the CFR. Electronic CFR (e-CFR) versions are available online via the U.S. Government Printing Office (GPO) website. Please note that documents on e-CFR, although updated daily, are unofficial editorial compilations of CFR material and Federal Register amendments and on-line versions may not be the most current version available.

G. Conflict Prevention and Resolution: The terms of this Agreement shall control over any conflicting terms in any referenced document, except to the extent that the end result would constitute a violation of Federal or State law. In such circumstances, and only to the extent the conflict exists, this Agreement shall be considered the controlling document.

H. Continuous Operation: Contractor shall operate continuously throughout the term of this Agreement with at least the minimum number and type of staff required to meet applicable Federal, State, and County requirements, and which are necessary for the provision of services hereunder.

I. Drug-Free Workplace: Contractor agrees to maintain a drug-free workplace and remain in compliance with the Federal Drug-Free Workplace Act of 1988 (41 U.S.C. Chapter 10) and the California Drug-Free Workplace Act of 1990 (Government Code Section 8350 et seq.) and any subsequent amendments to either Act thereto. A “drug free workplace” means the site(s) for the performance of work done by Contractor at which Contractor and employees of the Contractor are prohibited from engaging in the unlawful manufacture, distribution, dispensing, possession, or use of any controlled substance. A list of controlled substances can be found in Schedules I through V of Section 202 of the Controlled Substances Act (21 U.S.C. 812) and as further defined in Regulation 21 Code of Federal Regulations (CFR) 1308.11 – 1308.15.

J. Fingerprinting: Pursuant to California Penal Code Section 11105.3(a), “Notwithstanding any other law, a human resource agency or an employer may request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in subdivision (1) of Section 15660 of the Welfare and Institutions Code of a person who applies for a license, employment, or volunteer position, in which he or she would have supervisory or disciplinary power over a minor or any person under his or her care.” Therefore, Contractor warrants that its employees, subcontractors, assignees, volunteers and any other persons who, while providing services under this Agreement, have or may have supervisory or disciplinary power over any person or minor under his or her care, have been fingerprinted in order to determine whether they have a criminal history that would compromise the safety of persons or minors with whom they have contact in the course of provision of services under this Agreement. Contractor further warrants that said employees, subcontractors, assignees, volunteers and other persons have been cleared by Contractor to perform the services described in this Agreement. All fingerprinting services shall be at Contractor’s sole expense. More specifically, Contractor agrees that:

1. Each applicant for paid or volunteer employment by Contractor who shall or may have a supervisory or disciplinary power over a minor or any person under his or her care shall be fingerprinted in order to determine whether they have a criminal history, which would compromise the safety of such minor, or person(s) under his or her care. All fingerprinting shall be at Contractor’s sole expense.
2. The fingerprinting process as set forth above shall be completed and the results of the process shall be obtained before any of the Contractor’s employees, subcontractors, assignees or volunteers are assigned or permitted to work with any minor or person referred to Contractor by County. Alternatively, the Contractor may set a hire date prior to obtaining fingerprinting results contingent on the applicant certifying that: (1) his or her employment application truthfully and completely discloses whether he or she has ever been convicted of a felony or misdemeanor or been on parole or probation and (2) that the

applicant understands that a background check shall be conducted and that he or she shall be immediately dismissed from employment if he or she has failed to provide information regarding convictions, has provided incomplete information regarding convictions, has omitted information regarding convictions or if the fingerprinting results reveal any conviction incompatible with employment with Contractor.

3. Contractor shall maintain, and make immediately available to County upon request, a written fingerprint certification for each employee, volunteer or applicant for paid or volunteer employment for whom fingerprinting is required as detailed above. Such certification shall state that the individual has been fingerprinted, shall provide the date of said fingerprinting, and shall state whether the process has disclosed any criminal history of the individual, which may compromise the safety of minors or other persons with whom that individual has contact. Fingerprint information received from Department of Justice (DOJ) by Contractor shall be retained or disposed of pursuant to current DOJ directives.

- K. Litigation:** County, promptly after receiving notice thereof, shall notify the Contractor in writing of the commencement of any claim, suit, or action against the County or State of California or its officers or employees for which the Contractor must provide indemnification under this Agreement. The failure of the County to give such notice, information, authorization, or assistance shall not relieve the Contractor of its indemnification obligations.

Contractor, promptly after receiving notice thereof, shall immediately notify the County in writing of any claim or action against it which affects, or may affect, this Agreement, the terms and conditions hereunder, or the County or State of California, and shall take such action with respect to said claim or action which is consistent with the terms of this Agreement and the interest of the County and State.

- L. Release of Information:** Contractor shall ensure that the County of El Dorado Health and Human Services Agency is included as a receiving party on all Release of Information forms used in the performance of services under this Agreement.

- M. Transfer of Records:** In the event that Contractor ceases operation, all physical and electronic files that are subject to audit shall be transferred to the County for proper storage of physical records and electronic data. Contractor shall notify County of impending closure as soon as such closure has been determined, and provide County with a complete list of records in its possession pertaining to County Clients and operational costs under this Agreement. County shall promptly advise Contractor which records are to be transferred to the custody of County. Contractor shall properly destroy records not transferred to custody of County, and Contractor shall provide documentation of proper destruction of all such records to County.

ARTICLE XXXVII

Counterparts: This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement.

ARTICLE XXXVIII

Entire Agreement: This document and the documents referred to herein or exhibits hereto are the entire Agreement between the parties and they incorporate or supersede all prior written or oral Agreements or understandings.

Exhibit C
HIPAA Business Associate Agreement

This Business Associate Agreement is made part of the base contract (“Underlying Agreement”) to which it is attached, as of the date of commencement of the term of the Underlying Agreement (the “Effective Date”).

RECITALS

WHEREAS, County and Contractor (hereinafter referred to as Business Associate (“BA”) entered into the Underlying Agreement pursuant to which BA provides services to County, and in conjunction with the provision of such services, certain Protected Health Information (“PHI”) and Electronic Protected Health Information (“EPHI”) may be disclosed to BA for the purposes of carrying out its obligations under the Underlying Agreement;

WHEREAS, the County and BA intend to protect the privacy and provide for the security of PHI and EPHI disclosed to BA pursuant to the Agreement in compliance with the Health Insurance Portability and Accountability Act, Pub. L. No. 104-191 of 1996 (“HIPAA”), the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 (the “HITECH” Act), and regulation promulgated thereunder by the U.S. Department of Health and Human Services (the “HIPAA Regulations”) and other applicable laws as may be amended from time to time;

WHEREAS, County is a Covered Entity, as defined in the Privacy Rule and Security Rule, including but not limited to 45 CFR Section 160.103;

WHEREAS, BA, when a recipient of PHI from County, is a Business Associate as defined in the Privacy Rule, the Security Rule, and the HITECH Act, including but not limited to 42 USC Section 17938 and 45 CFR Section 160.103;

WHEREAS, “Individual” shall have the same meaning as the term “individual” in 45 CFR § 164.501 and shall include a person who qualifies as a personal representative in accordance with 45 CFR § 164.202(g);

WHEREAS, “Breach” shall have the meaning given to such term under the HITECH Act under 42 USC Section 17921; and

WHEREAS, “Unsecured PHI” shall have the meaning to such term under the HITECH Act and any guidance issued pursuant to such Act including, but not limited to 42 USC Section 17932(h).

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

- I. Definitions. Unless otherwise provided in this Business Associate Agreement, capitalized terms shall have the same meanings as set forth in the Privacy Rule, as may be amended from time to time.
- II. Scope of Use and Disclosure by BA of County Disclosed PHI
 - A. BA shall not disclose PHI except for the purposes of performing BA's obligations under the Underlying Agreement. Further, BA shall not use PHI in any manner that would constitute a violation of the minimum necessary policies and procedures of the County, Privacy Rule, Security Rule, or the HITECH Act.
 - B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
 1. Use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
 2. disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law
 3. Disclose PHI as necessary for BA's operations only if:
 - a) Prior to making a disclosure to a third party, BA will obtain written assurances from such third party including:
 - (1) To hold such PHI in confidence and use or further disclose it only for the purpose of which BA disclosed it to the third party, or as required by law; and
 - (2) The third party will immediately notify BA of any breaches of confidentiality of PHI to the extent it has obtained knowledge of such breach.
 4. Aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
 5. Not disclose PHI disclosed to BA by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
 6. De-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
 - C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.
- III. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:
 - A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with Title 45 of the Code of Federal Regulations, Part 160 and Part 164, Subparts A and C (the "HIPAA Privacy Rule" and the "HIPAA Security Rule") in effect or as may be amended, including but not limited to 45 CFR 164.308,

164.310, 164.312, and 164.504(e)(2). BA shall comply with the policies, procedures, and documentation requirements of the HIPAA Security Rule.

- B. Report to County within 24 hours of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take prompt corrective action to cure any such deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
- C. Report to County in writing of any access, use, or disclosure of PHI not permitted by the Underlying Agreement and this Business Associate Agreement, and any Breach of Unsecured PHI of which it becomes aware without unreasonable delay and in no case later than five (5) days. To the extent the Breach is solely a result of BA's failure to implement reasonable and appropriate safeguards as required by law, and not due in whole or part to the acts or omissions of the County, BA may be required to reimburse the County for notifications required under 45 CFR 164.404 and CFR 164.406.
- D. BA shall not use or disclose PHI for fundraising or marketing purposes. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates. BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.

IV. PHI Access, Amendment, and Disclosure Accounting. BA agrees to:

- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County. If BA maintains an Electronic Health Record, BA shall provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act, including, but not limited to, 42 USC Section 17935(e).
- B. Within ten (10) days of receipt of a request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in BA's possession constitutes a Designated Record Set.
- C. To assist the County in meeting its disclosure accounting under HIPAA:
 - 1. BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosure from Electronic Health Record for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At the minimum, the information collected shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if known, the address of the entity or person; (iii) a brief description of PHI disclosed and; (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure.

2. Within in 30 days of notice by the County, BA agrees to provide to County information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.
- D. Make available to the County, or to the Secretary of Health and Human Services (the "Secretary"), BA's internal practices, books and records relating to the use of and disclosure of PHI for purposes of determining BA's compliance with the Privacy Rule, subject to any applicable legal restrictions. BA shall provide County a copy of any PHI that BA provides to the Secretary concurrently with providing such information to the Secretary.
- V. Obligations of County.
- A. County agrees that it will promptly notify BA in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
 - B. County agrees that it will promptly notify BA in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if such changes or revocation may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
 - C. County agrees that it will promptly notify BA in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect BA's use of disclosure of PHI.
 - D. County shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
 - E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that BA can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.
- VI. Term and Termination.
- A. Term. This Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to BA, or created or received by BA on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
 - B. Termination for Cause. Upon the County's knowledge of a material breach by the BA, the County shall either:
 1. Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.
 2. Immediately terminate this Agreement if the BA has breached a material term of this Agreement and cure is not possible; or
 3. If neither termination nor cures are feasible, the County shall report the violation to the Secretary.
 - C. Effect of Termination.
 1. Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the BA shall, at the option of County, return or destroy

all PHI that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI.

2. In the event that the County determines that returning or destroying the PHI is infeasible, BA shall provide to the County notification of the conditions that make return or destruction infeasible, and BA shall extend the protections of this Agreement to such PHI to those purposes that make the return or destruction infeasible, for so long as the BA maintains such PHI. If County elects destruction of the PHI, BA shall certify in writing to County that such PHI has been destroyed.

VII. Indemnity

- A. BA shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (collectively "County") from any liability whatsoever, based or asserted upon any services of BA, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to BA's performance under this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever to the extent arising from the performance of BA, its officers, agents, employees, subcontractors, agents or representatives under this Business Associate Agreement. BA shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards against the County in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof. BA's obligation hereunder shall be satisfied when BA has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.
- D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business

Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.

- VIII. Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
- IX. Survival. The respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.
- X. Regulatory References. A reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
- XI. Conflicts. Any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
