Dear Supervisor Knight,

My name is Eric Snyder and I am a ride leader with the Trojans High School Mountain Bike Team. I think that the proposed trail would be a great asset to the area and I am encouraging you to vote in favor of the Shingle Plan.

Thank you,

Eric Snyder

"Shingle Plan"

Dear Supervisor Knight:

My family and I are in favor of the "Shingle Plan" for a new trail from Folsom to Placerville. We live in El Dorado Hills love to bike, although we are concerned about the traffic. A new trail is needed and would prevent future accidents.

We are urging you to vote YES on this Plan.

Thank you for your consideration.

Bike vote

T Abraham to: John Knight

03/25/2011 02:39 PM

John,

I just spoke with someone you know well and respect (I won't name names) and he has walked the rail line and says that it is abundantly clear they cannot share much of the line (too steep of cuts), that many of the railroad ties are rotten, and that when he attended the RailFest in Jamestown last year, there was no one there. And if you need to confirm that excursion rail lines are a money pit, ask John Poimoroo (I think you know him).

I don't know where you stand on this issue, but am hoping you see things like I do, that is, that the bike option is clearly the best. I'm working with the City of Folsom to build some connectors in EDH that would help tie all that has been done in Placerville to EDH. That can't happen if the Shingle piece is given up to the railroad folks.

Do I need to send this message to any other supervisors?
