

CONSENT TO ASSIGNMENT AND ASSIGNMENT OF CONSULTANT WORK

Kimley-Horn and Associates, Inc. (KHA) entered into a contract, a copy of which contract is attached hereto and incorporated by reference herein, with Developer GGV Missouri Flat, LLC for traffic engineering services for the Diamond Springs Parkway. Pursuant to that agreement, KHA has produced certain traffic analyses and reports. By separate agreement between the County and Developer, entitled the "Funding Agreement for Diamond Springs Parkway Design and Environmental Costs" (AGMT 08-52496) attached hereto and incorporated by reference herein, Developer has agreed to and did assign all of its right, title and interest in, to and under the work, work product, data, plans and documents, whether electronic or printed, including the work product associated with all of the work completed by KHA to date.

The undersigned Consultant hereby consents to the Developer's assignment of, and to the extent that Consultant retained any ownership interest hereby assigns to County, all of its/their right, title and interest in, to and under the work, work product, data, plans and documents, whether electronic or printed, and all deliverables set forth in Exhibit A of that Funding Agreement, prepared or utilized by the Consultant in accordance with its respective contract with Developer.
