**ARTICLE VII**

**County to El Dorado Union High School District:** It is understood that the services provided under this MOU shall be prepared in and with cooperation from EDUHSD and its staff. It is further understood that this MOU does not create an exclusive relationship between EDUHSD and County, and County may perform similar work or services for others. However, County shall not enter into any agreement with any other party, or provide any information in any manner to any other party, that would conflict with County's responsibilities or hinder County's performance of services hereunder, unless County's Contract Administrator, in writing, authorizes that agreement or sharing of information.

EDUHSD is a Hybrid Entity under said Act, and County, a health care provider as defined in HIPAA (Title 45 C.F.R. § 160.103), is a Covered Entity under said Act. Each Covered Entity hereby represents that they are and shall remain in compliance with the rules and regulations of said Act as required by law. Each Covered Entity understands that it has obligations with respect to the confidentiality, privacy, and security of Clients' medical information, and must take certain steps to preserve the confidentiality of this information, including the training of staff and the establishment of proper procedures for the release of such information as required by HIPAA.

The parties acknowledge that the disclosures of Protected Health Information specified herein concern the provision of health care services to, and the treatment of, individuals only. Therefore, pursuant to Title 45 C.F.R. § 164.502(e)(1)(ii)(A), EDUHSD and County are not required to enter into a separate business associate agreement. Although not presently required, to the extent that it may in the future become mandatory that the parties execute a business associate agreement pursuant to HIPAA, such an agreement shall be executed and made part hereof. Failure or refusal of a party to execute a business associate agreement when required by law shall constitute a basis for termination of this MOU in its entirety.

**ARTICLE X**

**Assignment and Delegation:** County is engaged by EDUHSD for its unique qualifications and skills as well as those of its personnel. County shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of EDUHSD.

In the event County receives written consent to subcontract services under this MOU, County is required to ensure subcontractor remains in compliance with the terms and conditions of this MOU. In addition, County is required to monitor subcontractor's compliance with said terms and conditions, and provide written evidence of monitoring to EDUHSD upon request.

#### **ARTICLE XI**

**Independent Contractor:** The parties intend that an independent contractor relationship will be created by this contract. County is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this MOU. County exclusively assumes responsibility for acts of its employees, agents, affiliates, and subcontractors, if any are authorized herein, as they relate to the services or work to be performed under this MOU during the course and scope of their employment by County. Those persons will be entirely and exclusively under the direction, supervision, and control of County.

EDUHSD may designate the tasks to be performed and the results to be accomplished under this MOU, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services, but EDUHSD will not control or direct the manner, means, methods, or sequence in which County performs the work or services for accomplishing the results.

County, including any subcontractor or employees of County, shall not receive, nor be eligible for, any benefits EDUHSD provides for its employees, including, but not limited to, vacation pay, paid holidays, life insurance, health insurance, social security, disability insurance, pension, or 457 plans. County shall not receive, nor be eligible for, workers' compensation, including medical and indemnity payments. County shall be solely responsible for paying its employees, and for withholding Federal Income Contribution Act amounts and other taxes, workers' compensation, unemployment compensation, medical insurance, life insurance, or any other benefit that County provides for its employees.

County acknowledges that it has no authority to bind the EDUHSD or incur any obligations on behalf of the EDUHSD with regard to any matter, and shall not make any agreements or representations on the EDUHSD's behalf.

#### **ARTICLE XII**

##### **Fiscal Considerations:**

- A. Program Specific Funding: County's performance of this MOU is contingent upon receipt of funding from Federal Title V – Maternal and Child Health Services Block Grant and Federal Title XIX of the Social Security Act for activities specific to improving the health of children.

If the above-noted funds are reduced or eliminated, the parties agree that this MOU may need immediate modification to reduce the level of service up to and including termination of this MOU in full. County will notify EDUHSD within ten (10) working days if funding is reduced or

terminated and advise EDUHSD whether the MOU is to be modified or terminated, per the Article titled "Termination."

- B. **County Funding:** The parties to this MOU recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this MOU to the contrary, County shall give notice of cancellation of this MOU in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this MOU. Upon the effective date of such notice, this MOU shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this MOU may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

### **ARTICLE XIII**

**Audit by California State Auditor:** County acknowledges that if total compensation under this MOU is greater than \$10,000.00, this MOU is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this MOU, pursuant to California Government Code §8546.7. In order to facilitate these potential examinations and audits, County shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the contract, all books, records and documentation necessary to demonstrate performance under the MOU.

### **ARTICLE XIV**

#### **Default, Termination, and Cancellation:**

- A. **Termination by Default:** If either party becomes aware of an event of default, that party shall give written notice of said default to the party in default that shall state the following:
1. The alleged default and the applicable MOU provision.
  2. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate the MOU by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving

notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

If EDUHSD terminates this MOU, in whole or in part, for default:

1. EDUHSD shall pay County the sum due to County under this MOU prior to termination, unless the cost of completion to EDUHSD exceeds the funds remaining in the MOU. In which case the overage shall be deducted from any sum due County under this MOU and the balance, if any, shall be paid to County upon demand.
2. EDUHSD may require County to transfer title and deliver to EDUHSD any completed work under the MOU.

The following shall be events of default under this MOU:

1. Failure by either party to perform in a timely and satisfactory manner any or all of its obligations under this MOU.
  2. A representation or warranty made by County in this MOU proves to have been false or misleading in any respect.
  3. County fails to observe and perform any covenant, condition or agreement on its part to be observed or performed under this MOU, unless EDUHSD agrees, in writing, to an extension of the time to perform before that time period expires.
  4. A violation of the Article titled "Conflict of Interest."
- B. Bankruptcy: Either County or EDUHSD may terminate this MOU immediately in the case of bankruptcy, voluntary or involuntary, or insolvency of County or EDUHSD.
- C. Ceasing Performance: Either County or EDUHSD may terminate this MOU immediately in the event either becomes unable to substantially perform any term or condition of this MOU.
- D. Termination or Cancellation without Cause: Either County or EDUHSD may terminate this MOU, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination. If such termination is effected, EDUHSD will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to County, and for any other services that EDUHSD agrees, in writing, to be necessary for contract resolution. In no event, however, shall EDUHSD be obligated to pay more than the total amount of the MOU. Upon receipt of a Notice of Termination, County shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.
