This temporary construction easement is granted under the express conditions listed below:

2. Grantor represents and warrants that they are the owner of the property described in Exhibit A and depicted on the map in Exhibit B attached hereto and made a part hereof, and that Grantor has the exclusive right to grant the temporary construction easement.
3. This temporary construction easement is necessary for the purpose of constructing the Green Valley Road at Tennessee Creek Bridge Reconstruction Project . This temporary construction easement shall not be revoked and shall not expire until the recordation of the Notice of Completion of the Project. Included within this temporary construction easement is the right of ingress and egress of Grantee, its agents, employees, and contractors for warranty repairs and the correction of defects in the work within the first year following completion of construction. This right during the one-year warranty period survives the expiration of this easement.

4. Compensation under this temporary construction easement covers the construction period estimated to be 24 (Twenty-Four) months of construction, together with the one-year warranty period. In the event that construction of the Project is not completed within 24 (Twenty-Four) months of commencement of construction, Grantor shall be entitled to additional compensation as follows: for each month thereafter, the sum of \$20.83 (Twenty-Dollars, and 83/100ths, exactly) and will be paid to Grantor until construction is completed.
5. Grantee agrees to indemnify and hold harmless Grantor from and against any liability arising out of the entry onto the property by Grantee or its agents, employees, and contractors during the term of this temporary construction easement. In the event of property damage, Grantee, at its sole option, may either repair the damage or pay the estimated costs for the repair.

COUNTY OF EL DORADO, does hereby covenant and agree as a covenant running with the land for itself, successors and assigns, that
