3. PURPOSE

- 1) This is a HAP contract between the PHA and the owner.
- 2) The purpose of the HAP contract is to provide housing assistance payments for eligible families who lease contract units that comply with the HUD housing quality standards (HQS) from the owner.
- 3) The PHA must make housing assistance payments to the owner in accordance with the HAP contract for contract units leased and occupied by eligible families during the HAP contract term. HUD provides funds to the PHA to make housing assistance payments to owners for eligible families.

4. COMPLETION AND ACCEPTANCE OF CONTRACT UNITS

The owner certifies that the contract units have been completed in accordance with the Agreement to Enter into Housing Assistance Payments Contract ("Agreement"). Completion and acceptance of the units is subject to the provisions of the Agreement.

5. RENT TO OWNER; HOUSING ASSISTANCE PAYMENTS

a. Amount of initial rent to owner

The initial rent to owner for each contract unit is stated in Exhibit A, which is attached to and made a part of the HAP contract. At the beginning of the HAP contract term, and until rent to owner is adjusted in accordance with section 6 of the HAP contract, the rent to owner for each bedroom size (number of bedrooms) shall be the initial rent to owner amount listed in Exhibit A.

b. HUD rent requirements

- 1) Notwithstanding any other provision of the HAP contract, the rent to owner may in no event exceed the amount authorized in accordance with HUD requirements.
- 2) The PHA has the right to reduce the rent to owner, at any time, to correct any errors in establishing or adjusting the rent to owner in accordance with HUD requirements. The PHA may recover any overpayment from the owner.

c. PHA payment to owner

- 1) Each month the PHA must make a housing assistance payment to the owner for a unit under lease to and occupied by an eligible family in accordance with the HAP contract.
- 2) The monthly housing assistance payment to the owner for a contract unit is equal to the amount by which the rent to owner exceeds the tenant rent.
- 3) Payment of the tenant rent is the responsibility of the family. The PHA is not responsible for paying any part of the tenant rent, or for paying any other claim by the owner against a family. The PHA is only responsible for making housing assistance payments to the owner on behalf of a family in accordance with the HAP contract.
- 4) The owner will be paid the housing assistance payment under the HAP contract on or about the first day of the month for which payment is due, unless the owner and the PHA agree on a later date.

- 5) To receive housing assistance payments in accordance with the HAP contract, the owner must comply with all the provisions of the HAP contract. Unless the owner complies with all the provision of the HAP contract, the owner does not have a right to receive housing assistance payments.
- 6) If the PHA determines that the owner is not entitled to the payment or any part of it, the PHA, in addition to other remedies, may deduct the amount of the overpayment from any amounts due the owner, including amounts due under any other housing assistance payments contract.
- 7) The owner will notify the PHA promptly of any change of circumstances that would affect the amount of the monthly housing assistance payment, and will return any payment that does not conform to the changed circumstances.

d. Termination of assistance for family

The PHA may terminate housing assistance payments for a family under the HAP contract in accordance with HUD requirements. The PHA must notify the owner in writing of its decision to terminate housing assistance payments in such case, and that housing assistance payments for the family under the HAP contract will terminate at the end of the calendar month that follows the calendar month in which the PHA gives such notice to the owner.

6. ADJUSTMENT OF RENT TO OWNER

a. PHA determination of adjusted rent

During the term of the HAP contract, the PHA shall adjust the amount of rent to owner, upon request to the PHA by the owner, in accordance with law and HUD requirements. The amount of the rent to owner may be adjusted up or down, in the amount determined by the PHA.

b. Maximum rent

Rent to owner for each contract unit, as adjusted from time to time by the PHA in accordance with this section, may at no time exceed reasonable rent, as determined by the PHA, charged for comparable units in the private unassisted market.

c. No special adjustments

The PHA will not make any special adjustments of the rent to owner.

d. Owner compliance with HAP contract

The PHA shall not approve, and the owner shall not receive, any increase of rent to owner unless all contract units are in accordance with the housing quality standards, and the owner has complied with the terms of the assisted leases and the HAP contract.

e. Notice of rent adjustment

Rent to owner shall be adjusted by written notice by the PHA to the owner in accordance with this section. Such notice constitutes an amendment of the rents specified in Exhibit A.

7. OWNER RESPONSIBILITY

The owner is responsible for:

- 1) Performing all management and rental functions for the contract units.
- 2) Enforcing tenant obligations under the lease.
- 3) Paying for utilities and housing services (unless paid by the family under the lease).
- 4) Collecting from the tenant:
 - a) Any security deposit.
 - b) The tenant rent.
 - c) Any charge for unit damage by the family.

8. OWNER CERTIFICATIONS

The owner certifies that at all times during the term of the HAP contract:

- 1) All contract units are in good and tenantable condition. The owner is maintaining the premises and all contract units in accordance with the HQS.
- 2) The owner is providing all the services, maintenance and utilities as agreed to under the HAP contract and the leases with assisted families.

- 3) Each contract unit for which the owner is receiving housing assistance payments is leased to an eligible family referred by the PHA, and the lease is in accordance with the HAP contract and HUD requirements.
- 4) To the best of the owner's knowledge, the members of the family reside in each contract unit for which the owner is receiving housing assistance payments, and the unit is the family's only residence.
- 5) The owner (including a principal or other interested party) is not the parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit.
- 6) The amount of the housing assistance payment is the correct amount due under the HAP contract.
- 7) The rent to owner for each contract unit does not exceed rents charged by the owner for other comparable unassisted units.
- 8) Except for the housing assistance payment and the tenant rent as provided under the HAP contract, the owner has not received and will not receive any payments or other consideration (from the family, the PHA, HUD, or any other public or private source) for rental of the contract unit.
- 9) The family does not own, or have any interest in the contract unit. If the owner is a cooperative, the family may be a member of the cooperative.
- 10) The contract units and premises have an automatic sprinkler system or smoke detectors in proper condition in compliance with the Fire Administration Authorization Act of 1992.
- 11) The contract units and premises are in compliance with the Lead-Based Paint regulations at 24 CFR Part 35

9. CONDITION OF UNITS

a. Owner maintenance and operation

- 1) The owner must maintain and operate the contract units and premises to provide decent, safe and sanitary housing in accordance with the housing quality standards, including performance of ordinary and extraordinary maintenance.
- 2) The owner must provide all the services, maintenance and utilities set forth in Exhibit B, and the lease with each assisted family.

b. PHA inspection

The PHA may inspect the contract units and the premises any time the PHA deems necessary to assure that the contract units and premises are in accordance with the housing quality standards and that the owner is providing the maintenance, utilities, and other services in accordance with the leases and the HAP contract.

c. Units not decent, safe and sanitary

If the PHA determines a contract unit is not in accordance with the housing quality standards, the PHA may exercise any of its remedies under the HAP contract for all or any contract units. Such remedies include termination, abatement, or reduction of housing assistance payments, or termination of the HAP contract. The PHA may exercise any such contractual remedy respecting a contract unit even if the family continues to occupy the unit.

d. Maintenance and replacement -- owner's standard practice

Maintenance and replacement (including redecoration) must be in accordance with the standard practice for the building concerned as established by the owner.

10. LEASING CONTRACT UNITS**a. Selection of tenants**

- 1) During the term of the HAP contract, the owner must lease all contract units to eligible families referred by the PHA from its waiting list. The PHA must determine family eligibility in accordance with HUD requirements.
- 2) The contract unit leased to each family must be appropriate for the size of the family under the PHA's subsidy standards.
- 3) If a contract unit was occupied by an eligible family at the time the unit was selected by the PHA, or is so occupied on the effective date of the HAP contract, the owner must offer the family the opportunity to lease the same or another appropriately-sized contract unit with assistance under the HAP contract.
- 4) The owner is responsible for screening and selecting tenants from the families referred by the PHA from its waiting list.

b. Vacancies

- 1) The owner must promptly notify the PHA of any vacancy in a contract unit. After receiving the owner notice, the PHA shall make every reasonable effort to refer a sufficient number of families for owner to fill the vacancy.
- 2) The owner must rent vacant contract units to eligible families on the PHA waiting list referred by the PHA.
- 3) The PHA and the owner must make reasonable good faith efforts to minimize the likelihood and length of any vacancy.
- 4) If vacancies occur, the PHA may give notice to the owner amending Exhibit A of the HAP contract to reduce the number of contract units by subtracting the number of contract units (by number of bedrooms) that have been vacant for a period of 120 or more days since owner notice of vacancy.

11. TENANCY**a. Lease**

The lease between the owner and each assisted family must be in accordance with HUD requirements. The lease must include word-for-word all provisions required by HUD.

b. Termination of tenancy

- 1) The owner may only terminate a tenancy in accordance with the lease and HUD requirements.
- 2) The owner must give the PHA a copy of any owner eviction notice to the tenant at the same time that the owner gives notice to the tenant. Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used to commence an eviction action under State or local law.

c. Family payment

- 1) The portion of the monthly rent to owner payable by the family ("tenant rent") will be determined by the PHA in accordance with HUD requirements. The amount of the tenant rent is subject to change during the term of the HAP contract. Any changes in the amount of the tenant rent will be effective on the date stated in a notice by the PHA to the family and the owner.

- 2) The amount of the tenant rent as determined by the PHA is the maximum amount the owner may charge the family for rent of a contract unit, including all housing services, maintenance and utilities to be provided by the owner in accordance with the HAP contract and the lease.
- 3) The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the PHA. The owner must immediately return any excess rent payment to the tenant.
- 4) The family is not responsible for payment of the portion of the contract rent covered by the housing assistance payment under the HAP contract. The owner may not terminate the tenancy of an assisted family for nonpayment of the PHA housing assistance payment.

d. Other owner charges

- 1) The lease may not require the tenant or family members to pay charges for meals or supportive services. Nonpayment of such charges is not ground for termination of tenancy.
- 2) The owner may not charge the tenant or family members extra amounts for items customarily included in rent in the locality or provided at no additional cost to the unsubsidized tenant in the premises.

e. Security deposit

- 1) The owner may collect a security deposit from the family.
- 2) The owner must comply with HUD and PHA requirements, which may change from time to time, regarding security deposits from a tenant.
- 3) When the family moves out of the contract unit, the owner, subject to State and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit or other amounts which the family owes under the lease. The owner must give the family a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used as reimbursement to the owner, the owner must promptly refund the full amount of the balance to the family.
- 4) If the security deposit is not sufficient to cover amounts the family owes under the lease, the owner may seek to collect the balance from the tenant.

12. OVERCROWDED AND UNDEROCCUPIED UNITS

If the PHA determines that a contract unit is not decent, safe and sanitary because of an increase in the family size which causes the unit to be overcrowded, or that a contract unit is larger than appropriate, under the PHA's subsidy standards, for the size of the family in occupancy, the owner must offer the family a suitable unit as soon as one becomes vacant and ready for occupancy, and the owner must require the family to move.

13. PROHIBITION OF DISCRIMINATION

- 1) The owner may not refuse to lease contract units to, or otherwise discriminate against any person or family in leasing of a contract unit, because of race, color, creed, religion, sex, national origin, disability or familial status (i.e., because the family includes children).
- 2) The owner may not refuse to lease contract units to, or otherwise discriminate against any person or family in leasing a contract unit, because members of the family are unwed parents, pregnant women, children born out of wedlock, or recipients of public assistance.
