2. Contractor shall provide County with thirty (30) days prior written notice of cancellation of any required coverage that is not replaced. County is not liable for the payment of premiums or assessments on the policy. No cancellation provisions in the insurance policy shall be construed in derogation of the continuing duty of Contractor to furnish insurance during the term of this Agreement.
3. If the Contractor uses Sub-Contractors or others to perform work under this Agreement, such Sub-Contractor or other persons shall be Additionally Insured to the Contractor's required insurance coverage, or endeavor to be required by the Contractor to comply with equivalent insurance and conditions of this Section.
4. County's additional insured status shall (i) not extend to claims for punitive or exemplary damages arising out of the acts or omissions of County, its employees, agents or independent contractors or where such coverage is prohibited by law or to claims arising out of the gross negligence of County, its employees, agents or independent contractors; and, (iii) not exceed Contractor's indemnification obligation under this Agreement, if any.

11. INDEMNIFICATION

Contractor has the contracted duty (hereinafter "the duty") to indemnify, defend and hold harmless, County, its Board of Supervisors, officers, employees, agents and assigns from and against any and all claims, demands, liability, judgments, awards, interest, attorney's fees, costs, experts' fees and expenses of whatsoever kind or nature, at any time arising out of or in any way connected with the performance of this Agreement, whether in tort, contract or otherwise. This duty shall include, but not be limited to, claims for bodily injury, property damage, personal injury, and contractual damages or otherwise alleged to be caused to any person or entity including, but not limited to employees, agents and officers of Contractor.

Contractor's liability for indemnity under this Agreement shall apply, regardless of fault, to any acts or omissions, willful misconduct or negligent conduct of any kind, on the part of the Contractor, its agents, subcontractor and employees. The duty shall extend to any allegation or claim of liability except in circumstances found by a jury or judge to be the sole and legal result of the willful misconduct of County. This duty shall arise at the first claim or allegation of liability against County. Contractor will on request and at its expense defend any action suit or proceeding arising hereunder. This clause for indemnification shall be interpreted to the broadest extent permitted by law. Contractor shall not be liable under this Section "INDEMNIFICATION" for damages caused by service or equipment that is not furnished by Contractor under this Agreement.

The Contractor shall hold the County, its officers, agents, and employees, harmless from liability of any nature in kind, including costs and expenses, from infringement or use of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article, or appliance furnished or used in connection with this Agreement. The Contractor may also be required to furnish a bond or other indemnification to the County against any and all loss, damage, costs, expenses, claims, and liability for patent or copyright infringement.

12. INDEPENDENT CONTRACTOR

It is mutually understood and agreed that Contractor is an independent Contractor in the performance of the work duties and obligations devolving upon Contractor under this Agreement. County shall neither have, nor exercise any control or direction over the methods by which Contractor shall perform the assigned work and functions. The contractual interest of County is to assure that the services covered by this Agreement shall be performed and rendered in a competent, efficient and satisfactory manner.

It is agreed that no employer-employee relationship is created and Contractor shall hold County harmless and be solely responsible for withholding, reporting and payment of any federal, state or local taxes; any contributions or premiums imposed or required by workers' compensation; any unemployment insurance; any social security income tax; and any other obligations from statutes or codes applying to Contractor, or its subcontractors and employees, if any.

Contractor shall insure that all its personnel and employees, subcontractors and their employees, and any other individuals used to perform the contracted services are aware and expressly agree that County is not responsible for any benefits, coverage or payment for their efforts.

13. RECORDS, INFORMATION AND REPORTS

Contractor shall maintain full and accurate records with respect to all matters covered under this Agreement. To the extent permitted by law, County shall have free access at all proper times or until the expiration of four (4) years after the furnishing of services to such records, and the right to examine and audit the same and to make transcripts therefrom, and to inspect all data, documents, proceedings, and activities pertaining to this Agreement.

14. QUALITY OF SERVICE

Contractor shall perform its services with care, skill, and diligence, in accordance with the applicable professional standards currently recognized by such profession, and shall be responsible for the professional quality, technical accuracy, completeness, and coordination of all reports, designs, drawings, plans, information, specifications, and/or other items and services furnished under this Agreement.

Contractor shall, without additional compensation, correct or revise any errors or deficiencies immediately upon discovery in its reports, drawings, specifications, designs, and/or other related items or services.

15. PERSONAL SATISFACTION AS A CONDITION PRECEDENT

The obligations of County as provided in this Agreement are expressly conditioned upon Contractor's compliance with the provisions of the Agreement.

16. ENTIRE AGREEMENT

This Agreement and any additional or supplementary document or documents incorporated herein by specific reference contain all the terms and conditions agreed upon by the parties hereto, and no other contracts, oral or otherwise, regarding the subject matter of this Agreement or any part thereof shall have any validity or bind any of the parties hereto.

17. PRICING

If the FOCUS partnering contractor's prices decline, or should Contractor, at any time during the term of this Agreement, provide the same or similar goods or services under similar quantity and delivery conditions and terms and conditions of purchase to the State of California or any county, municipality or district of the state at prices below those set forth in this Agreement, then such lower prices shall be immediately extended to Merced County and the FOCUS users up to and including date of shipment from Contractor's shipping point.

Contractor shall possess and maintain all necessary licenses, permits, certificates and credentials required by the laws of the United States, the State of California, County of Merced and all other appropriate governmental agencies, including any certification and credentials required by County. Failure to maintain the licenses, permits, certificates, and credentials shall be deemed a breach of this Agreement and constitutes grounds for the termination of this Agreement by County.

20. LIMITED AFFECT OF WAIVER OR PAYMENT

In no event shall the making, by County, of any payment to Contractor constitute, or be construed as, a waiver by County of any breach of covenant, or any default which may then exist, on the part of Contractor. The making of any such payment by County while any such breach or default shall exist, shall not be construed as acceptance of substandard or careless work or as relieving Contractor from its full responsibility under this Agreement.

No waiver by either party of any default, breach or condition precedent shall be valid unless made in writing and signed by the parties hereto. No oral waiver of any default, breach or condition precedent shall be binding on any of the parties hereto. Waiver by either party of any default, breach or condition precedent shall not be construed as a waiver of any other default, breach or condition precedent, or any other right hereunder.

21. PERSONNEL

Contractor represents that it has, or will secure at its own expense, all personnel required in performing the services under this Agreement. All of the services required hereunder will be performed by Contractor or under its supervision, and all personnel engaged in the work shall be qualified to perform such services.

All parties agree that this Agreement and all documents issued or executed pursuant to this Agreement as well as the rights and obligations of the parties hereunder are subject to and governed by the laws of the State of California in all respects as to interpretation, construction, operation, effect and performance. No interpretation of any provision of this Agreement shall be binding upon County unless agreed in writing by County and counsel for County.

Notwithstanding any other provision of this Agreement, any disputes concerning any question of fact or law arising under this Agreement or any litigation or

arbitration arising out of this Agreement, shall be tried in Merced County, unless the parties agree otherwise or are otherwise required by law.

23. BREACH OF CONTRACT

Upon breach of this Agreement by Contractor, County shall have all remedies available to it both in equity and/or at law.

24. REMEDY FOR BREACH AND RIGHT TO CURE

Notwithstanding anything else in this Agreement to the contrary, if Contractor fails to perform any obligation of this Agreement, the County may invoke this remedy for breach clause. County will provide Contractor with at least ten (10) days prior written notice specifying the obligations required to be performed and describing the action the County intends to take to cure such performance should Contractor fail to do so including, but not limited to, the County itself performing, or causing the performance of, such agreement or obligation. In the event County must take action to cure the breach, Contractor will, on written demand, fully reimburse County for all such expenditures, subject to Section 26, "BREACH OF CONTRACT".

25. SUCCESSORS IN INTEREST

All the terms, covenants, and conditions of this Agreement shall be binding and in full force and effect upon any successors in interest and assigns of the parties hereto. This paragraph shall not be deemed as a waiver of any of the conditions against assignment set forth herein.

26. CONFLICT OF INTEREST

Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of this Agreement. Contractor shall ensure that no conflict of interest exists between its officers, employees, or subcontractors, and the County. Contractor shall ensure that no County officer or employee in a position that enables them to influence this Agreement will have any direct or indirect financial interest resulting from this Agreement. Contractor shall ensure that no County employee shall have any relationship to the Contractor or officer or employee of the Contractor, nor that any such person will be employed by Contractor in the performance of this Agreement without immediate divulgence of such fact to the County.

27. NONDISCRIMINATION IN EMPLOYMENT, SERVICES, BENEFITS AND FACILITIES

Contractor and any subcontractors shall comply with all applicable federal, state, and local Anti-discrimination laws, regulations, and ordinances and shall not unlawfully discriminate, deny family care leave, harass, or allow harassment against any employee, applicant for employment, employee or agent of County, or recipient of services contemplated to be provided or provided under this Agreement, because of race, ancestry, marital status, color, religious creed, political belief, national origin, ethnic group identification, sex, sexual orientation, age (over 40), medical condition (including HIV and AIDS), or physical or mental disability. Contractor shall ensure that the evaluation and treatment of its employees and applicants for employment, the treatment of County employees and agents, and recipients of services are free from such discrimination and harassment.

Contractor represents that it is in compliance with and agrees that it will continue to comply with the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.), the Fair Employment and Housing Act (Government Code §§ 12900 et seq.), and ensure a workplace free of sexual harassment pursuant to Government Code 12950 and regulations and guidelines issued pursuant thereto.

Contractor agrees to compile data, maintain records and submit reports to permit effective enforcement of all applicable antidiscrimination laws and this provision.

Contractor shall include this nondiscrimination provision in all subcontracts related to this Agreement and when applicable give notice of these obligations to labor organizations with which they have Agreements.

28. CAPTIONS

Contractor remains legally responsible for the performance of all contract terms including work performed by third parties under subcontracts. Any subcontracting will be subject to all applicable provisions of this Agreement. Contractor shall be held responsible by County for the performance of any subcontractor whether approved by County or not.

Notwithstanding the foregoing, Contractor may, without Customer's consent, assign in whole or relevant part its rights and obligations under this Agreement to a Contractor Affiliate. In the event of any such assignment, Contractor shall remain responsible for the performance of its affiliate.

30. SEVERABILITY

If a court of competent jurisdiction holds any provision of this Agreement to be illegal, unenforceable or invalid, in whole or in part, for any reason, the validity and enforceability of the remaining provisions, or portion of them, will not be affected. Compensation due to Contractor from the County may, however, be adjusted in proportion to the benefit received despite the removal of the effected provision.

31. DUPLICATE COUNTERPARTS

This Agreement may be executed in duplicate counterparts, each of which shall be deemed a duplicate original. The Agreement shall be deemed executed when it has been signed by both parties.

ORDERING, REPORTING, AND RECONCILIATION PROCEDURES

In order for a public agency to utilize FOCUS contracts, the public agency must first complete an agreement with Merced County. Agreements are accomplished by referencing vendor's specific FOCUS contract number on each public agency's purchase order, forwarding original to Contractor, and providing an information copy to the Merced County Department of Community and Economic Development via U.S. Mail, fax, or e-mail. In addition, Contractor will require end users to enter into a service contract with Contractor on the terms and conditions stated in Contractor's Master Agreement, an example of which is available upon request from Contractor, or upon such other terms and conditions as Contractor and end user may agree or have previously agreed, which shall govern the terms of sale between Contractor and end user. Contractor's Master Agreement is also available for review on the County's website at the following link: <https://www.co.merced.ca.us/3015/Gov-2-Gov-FOCUS>

Ordering: End user will contact its local Contractor sales representative who will work with the end user to determine the end user's needs and establish pricing based on the pricing and discounts listed under this agreement. End user will issue a purchase order that will, at a minimum, contain the following information:

- Date
- Contract designation: i.e. County of Merced Telecommunications Contract
- End user Purchase Order number
- End user name
- End user billing address
- End user ship to address
- End user contact name, address, fax and telephone number;
- Agency billing code, if applicable
- List of equipment and services to be ordered, detailing the exact product code numbers as they appear on the electronic catalog

State agencies must use a Standard Form 65 purchase order, while non-state agencies may use their own form of purchase order. End user will be required to certify that all orders placed under the contract follow Department of General Services guidelines (State end user), or local procurement rules (Non-State Public Sector end user).

Reporting: Contractor's Program Manager will prepare a written sales and revenue report monthly, for review by the County at the quarterly meetings with Contractor. Reports will detail the order status and actual/projected compensation due to the County. Reports may be adjusted upward or downward in the event of a change order or order termination. Taxes will not be reflected in the order totals, and will be billed to end user on a separate line item basis.

Reconciliation: Reconciliation reports will be prepared for the County that will enable the County accurately project monthly revenues earned from the contract. Fees due the County will be calculated based upon order total and payment date fields, in accordance with the fee calculations stated in Section 3 of this agreement.

All reports will be maintained by the Contractor's Program Manager, and will be generated by Contractor's accounting department. The quarterly report will be forwarded to Contractor's designated Program Manager who will review all information and authorize payment to be made to the County.
