

# EL DORADO COUNTY PROBATION DEPARTMENT M E M O R A N D U M

**TO:** Board of Supervisors  
**CC:** Don Ashton, Chief Administrative Officer  
**FROM:** Brian J. Richart, Chief Probation Officer  
**DATE:** March 4, 2022  
**RE:** 21-1927 Noble Agreement for Services – Retroactive Status

---

The Probation Department is recommending the Board approve Agreement for Services 6151 with a retroactive term beginning November 1, 2021. Probation has been contracting with Noble since October 28, 2015. The most recent contract with Noble, 3408, expired on October 31, 2021. The Noble Platform is used extensively by staff on a daily basis and due to the specificity of the forms, assessments, and case planning provided by the vendor, communication throughout the contract process was lengthy and detailed, to ensure continued integration of the Platform. There was much exchange of information and confirmation of obligations between the vendor and Probation due to the specialized services the vendor provides, to ensure accurate and updated Scope of Work and Compensation for Services, with the most recent changes to the agreement in January 2022, resulting in the retroactive request for Board approval.
