**STANDARD AGREEMENT
PARTS I & II – ENTIRE CONTRACT**

C. Initiation of Enforcement Action

1. *Grounds for enforcement action.* If CSD determines that Contractor has not complied with the requirements of this Agreement and that Contractor's noncompliance constitutes a material breach of the Agreement, or if CSD determines that Contractor's financial condition is so unstable and tenuous that its ability to implement this Agreement is seriously compromised, CSD may initiate an enforcement action.
2. *Notice of High Risk designation.* To initiate an enforcement action, CSD must provide Contractor with written Notice of High Risk designation, setting forth: 1) the factual and legal basis for the determination of noncompliance, upon which the High Risk designation is based; 2) the corrective action(s) required; and 3) the date by which they must be taken and completed.

D. Special Conditions and Sanctions

1. CSD may impose Special Conditions and/or Sanctions upon a determination that such steps are reasonably necessary to address acute financial instability or a material breach, as defined above. Imposition of Special Condition(s) and/or Sanction(s) shall be in writing and shall become effective on the date specified in the notice. Such notices must contain the following information:
 - a. The nature of the Special Condition(s) and/or Sanction(s) being imposed;
 - b. The reason(s) for imposing Special Condition(s) and/or Sanction(s); and
 - c. The corrective actions that must be taken and the time allowed for completing them before CSD removes the Special Condition(s) and/or Sanction(s).

 - a. suspension of advances and/or reimbursements; and/or
 - b. issuance of notices to suspend operations.
4. Sanctions may not be imposed without a hearing being first held in accordance with applicable regulations, *unless* CSD reasonably determines, based on credible information, that:
 - a. substantial sums to be paid to Contractor have been or will be used in violation of law or the provisions of this Agreement, and/or
 - b. associated costs are otherwise very likely to be disallowed; and
 - c. taxpayer dollars are at significant risk and are unlikely to be recovered if Sanctions are not immediately imposed.
5. Procedures for Review of Special Conditions and/or Sanctions
 - a. If Contractor wishes to contest the imposition of Special Conditions and/or Sanctions, Contractor shall have five working days following receipt of a Notice of Enforcement Action in which to show cause, in writing, why the Special Conditions or Sanctions should not be imposed.
 - b. CSD shall have five working days following receipt of Contractor's response to accept or reject Contractor's objection and to state in writing the consequences of the decision and Contractor's obligations going forward, if any.
 - c. *Informal meeting.* Within five days of receipt of a Notice of Enforcement Action, Contractor may request an informal meeting for the parties to consider the matters addressed in the Notice and to discuss alternative courses of action, which meeting CSD may agree to if, in its sole judgment, it determines that the meeting would be helpful to the process, can be held expeditiously, and will not cause undue delay or further jeopardize taxpayer dollars.
 - d. Contractor may, at any time, request in writing that CSD initiate the contract suspension or contract termination processes, to include the requisite hearings, as set out in applicable federal and State law, with particular reference to 22 CCR 100780.
 - e. Should Contractor fail to show cause as to why the Enforcement Action should not go forward, or should Contractor fail to request that CSD initiate

**STANDARD AGREEMENT
PARTS I & II – ENTIRE CONTRACT**

either the contract suspension or termination processes, CSD may initiate such action at its own discretion.

- f. Special conditions and sanctions shall remain in effect until the hearing procedure is completed, provided, with respect to sanctions, CSD reasonably determines that subparagraph 5.c. applies.

E. Enforcement Action Cost Disallowance

1. *Statement of Questioned Costs.* If CSD determines that Contractor's non-compliance has resulted in questioned costs, CSD shall provide Contractor with a Statement of Questioned Costs along with the Notice of Enforcement Action, or at such later time in the enforcement process as questioned costs are identified.
2. Statements of Questioned Costs shall include, at minimum:
 - a. Particular item(s) of cost questioned and the specified amount(s) by type or category of costs;
 - b. Factual basis for questioning costs, and the information and/ or documentation required to justify payment of the costs; and
 - c. Timeframe and procedures for Contractor's submission of the required information or documentation to CSD.
3. *Investigative audits and reports.* If CSD determines that more information is required before a Statement of Questioned Costs can be issued or before a final determination of cost disallowance can be made, CSD may conduct an investigative audit of Contractor's records, files and books of account, or retain an audit firm for such purpose. Contractor agrees to cooperate fully in any audit conducted and to ensure that Contractor's agents, accountants and subcontractors cooperate in the performance of such audit. A report of any audit conducted shall be shared with Contractor, who shall be given ample opportunity to respond to findings and to submit information and documentation in support of the response.
4. *Effect of non-cooperation with investigative audits.* If Contractor fails to cooperate in the conduct of an audit initiated pursuant to subparagraph D.3, above, CSD may a) impose sanctions as provided in subparagraph C. 4., and/or b) issue a Notice of Disallowed Costs as determined appropriate.
5. *Notice of Disallowed Costs.* If CSD determines that further information and/or documentation provided by Contractor has not fully addressed or resolved any outstanding issues of questioned costs, CSD shall issue a Notice of Disallowed Costs, which notice shall include:

**STANDARD AGREEMENT
PARTS I & II – ENTIRE CONTRACT**

- a. the amount of disallowed costs to be repaid, if any; and
 - b. the date by which repayment must be made or, in the alternative,
 - c. the date by which Contractor must submit a proposed repayment plan for consideration by CSD.
6. *Right to dispute Notice.* Not later than five (5) working days after receipt of a Notice of Disallowed Costs, Contractor may request a hearing disputing the Notice or statements made therein. The hearing shall be conducted in accordance with the procedures set out in 22 CCR 100780, for the purpose of adjudicating the matter of cost disallowance; however, either Contractor or CSD may opt to adjudicate other pending enforcement action matters, as provided in subparagraph C.6.d. of this section, in a combined proceeding.
7. *Waiver of right to dispute.* If Contractor declines to request a hearing to adjudicate cost disallowance, or neglects to submit a request as provided above in subparagraph 6, the Notice of Disallowed Costs shall be deemed final and Contractor shall be obligated to comply with the requirements of the Notice.
8. Contractor will be deemed to have complied with a Notice of Disallowed Costs when CSD receives full repayment of outstanding disallowed amount(s), or when CSD formally approves a repayment plan. In reviewing Contractor's repayment plan, CSD shall take into consideration such factors as, but not limited to:
- a. federal requirements or conditions applicable to the grant(s) under which the disallowed costs were funded;
 - b. the exigencies of the grant program and CSD's ability to reallocate the funds repaid or otherwise dispose of the funds in accordance with applicable law;
 - c. the risk of being unable to recover funding and the options for securing Contractor's repayment obligation; and
 - d. Contractor's financial condition and ability to pay.
- F. *Removal of High Risk designation.* Contractor shall remain on High Risk until CSD reasonably determines that Contractor has complied with the requirements of the Notice of High Risk Designation, including verification by CSD that corrective measures have been implemented, that all conditions have been met and that disallowed costs have been repaid or, alternatively, that CSD has deemed Contractor's repayment plan to be acceptable and Contractor has demonstrated it is in compliance with the plan. Upon determination that Contractor has complied with the

**STANDARD AGREEMENT
PARTS I & II – ENTIRE CONTRACT**

requirements of the Notice of “High Risk” Designation, CSD shall give Contractor written notice of such determination.

- G. *Further enforcement action.* In the event Contractor’s non-compliance with the terms and conditions of this Agreement are not remedied through imposition of special conditions, and/or sanctions, thereby enabling CSD to remove High Risk designation, CSD may initiate further Enforcement Actions involving Contract Suspension, Contract Termination and Termination of Contractor’s designation as eligible entity, which shall be initiated and conducted in accordance with the applicable provisions found in 22 CCR 100780 and other applicable State and federal statutes and regulations.
- H. *Contractor’s status during federal review period.* The final decision with respect to any enforcement action which involves contract termination, cost disallowance, a denial of refunding, and/ or de-designation of an eligible entity shall become effective upon completion of the applicable federal review, if initiated by Contractor, and in compliance with appeal requirements pursuant to Section 676A of the Community Services Block Grant Act, (42 USC 9905A), *except* that Special Conditions and Sanctions shall remain in force during the course of any federal review and appeal, and no new contracts or amendments will be executed during the federal review and appeal process.
