

J. Connolly Open Forum BOS 3/15/2022

YOU KNOW I HAVE BEEN OUTSPOKEN ABOUT YOUR APPOINTEES HAVING LINKS TO THE ATTACK ON OUR NATION'S CAPITOL LAST JANUARY. I'VE MADE CLEAR THAT THOSE LINKS ARE TO A NATIONWIDE CRIMINAL CONSPIRACY THAT PLANNED THE ATTACK AND CARRIED IT OUT IN CONJUNCTION WITH OTHER EXTREMIST GROUPS. AS I SAID TO YOU THIS MORNING, THAT GROUP'S LEADERS SAID "WE DID THIS," AND THAT THEY WOULD DO IT AGAIN.

TODAY I WANTED YOU TO HEAR WHY I OBJECT TO THOSE LINKS. I AM A 25 YEAR VETERAN OF THE U.S. COAST GUARD. I SIGNED A DELAYED ENLISTMENT CONTRACT WHEN I WAS 16 YEARS OLD AND I BEGAN MY SERVICE 10 DAYS AFTER I GRADUATED FROM PONDEROSA HIGH SCHOOL.

SIX TIMES DURING MY CAREER I TOOK AN OATH OF ENLISTMENT THAT SAID, "I, JOSEPH CONNOLLY, DO SOLEMNLY SWEAR (OR AFFIRM) THAT I WILL SUPPORT AND DEFEND THE CONSTITUTION OF THE UNITED STATES AGAINST ALL ENEMIES, FOREIGN AND DOMESTIC; THAT I WILL BEAR TRUE FAITH AND ALLEGIANCE TO THE SAME." THAT OATH DIDN'T END WHEN I RETIRED.

THAT OATH IS BEHIND EVERYTHING THAT I HAVE SHARED WITH YOU AND WILL CONTINUE TO DO SO. VERY SIMPLY, MY OBJECTIONS ARE THE FULFILLMENT OF MY DUTY TO OUR COUNTRY, AND IT IS EXCEEDINGLY RELEVANT TODAY. THE CAPITOL ATTACK WAS A PURPOSEFUL EFFORT TO SUBVERT THE CONSTITUTIONAL ACT OF

AFFIRMING A PRESIDENTIAL ELECTION. I SWORE TO DEFEND THAT ACT FROM THE DOMESTIC ENEMIES WHO ATTEMPTED TO OBSTRUCT IT AND WOULD DO SO AGAIN.

FOR 25 YEARS I SALUTED THE AMERICAN FLAG EVERY DAY, AT 8 A.M. IN THE MORNING AND AT SUNSET. ON COAST GUARD SHIPS, YOU ALSO SALUTE THE AMERICAN FLAG EVERY TIME YOU LEAVE OR COME ABOARD THAT SHIP, OR ANY SHIP OF THE UNITED STATES MILITARY. I'VE DONE SO IN RUSSIA, JAPAN, AND MIDWAY ISLAND, AMONG MANY OTHER PLACES AROUND THE GLOBE. I'M PROUD TO HAVE REPRESENTED OUR COUNTRY ABROAD, AND TO WATCH THE SUN SHINE ON OUR FLAG IN FOREIGN PORTS AS A DEMOCRATIC SYMBOL FOR ALL TO SEE.

WHEN OTHERS, INCLUDING ONE OF YOUR VETERAN AFFAIRS COMMISSIONERS, HAVE QUESTIONED WHY I SPEAK UP, I SAY THAT I DIDN'T SERVE FOR 25 YEARS IN UNIFORM TO SEE OUR COUNTRY RULED BY A MOB AT THE END OF A GUN OR A FIST. I'M ALSO A NEW GRANDFATHER, AND I DON'T INTEND THAT MY CHILDREN AND THEIR CHILDREN SHOULD LIVE IN A COUNTRY OVERTAKEN BY FORCE. THERE'S A LOUD MINORITY IN THIS COUNTRY THAT PROMOTE DOING SO, REGARDLESS OF OUR DEMOCRATIC HISTORY AND ADHERENCE TO THE RULE OF LAW.

I DON'T BELONG TO A POLITICAL PARTY OR ADHERE TO A PARTY'S PHILOSOPHY. I'M NOT A LABEL. I'M AN INDEPENDENT PERSON AND WHAT YOU SEE AND HEAR ARE MY VIEWS. I AM DILIGENT ABOUT PRESENTING YOU WITH IRREFUTABLE FACTS THAT YOU ARE RESPONSIBLE FOR UNDERSTANDING AND ACTING ON. I HOPE

YOUR ACTS ARE TO UPHOLD THE PRINCIPLES OF DEMOCRACY, NOT THE WHIMS OF
A LOUD MOB. THANK YOU.

HARVARD EDUCATIONAL REVIEW
REPRINT SERIES NO. 14

Dear

Lori Pavlin

This evening, I have served each of you with a letter of intent to file a claim against your school insurance liability policy that is held by a Risk Management Company in lieu of your individual liability bonds that are required by state law for every person who is elected or appointed to government or public office.

According to your policy it is the duty of the policy holder in the event a person files a letter of intent against you for wrongful act, claims or suits to: (copied from your insurance policy)

1. "You will be deemed to be aware of and have knowledge of an occurrence or wrongful act(s) of the date that your legal department, risk management department, claim administrator or any of your elected, appointed or employed officials receives notice of such occurrence of wrongful act(s)."
2. "Results in the establishment of a reserve, or would reasonably require the establishment of a reserve, for ultimate net loss under Coverage Part A or loss under Coverage Part B which equals or exceeds 33% of the relevant retained limit that involves any of the following – class actions or putative class actions."

You might not realize this yet but each of you is PERSONALLY liable for a pre-determined amount stated in your policy for damages per claim. In your policy each occurrence is one claim filed against your policy. Each occurrence carries a pre-determined deductible that you must pay prior to the insurance company covering the rest of the damages.

That means you could lose your house, your cars, your job, your retirement, etc. if you DO NOT PAY ATTENTION. You are in violation of multiple State, Federal and International laws and based on this most recent case in Illinois, you could be facing time in FEDERAL PRISON for your actions if you do not cease and desist!

A downstate Illinois judge issued a ruling declaring Gov. J.B. Pritzker's emergency rules for COVID-19 mitigations in schools "null and void," effectively stopping the state's mask mandate in school buildings.

Sangamon County Circuit Court Judge Raylene Grischow issued the order Friday afternoon in a lawsuit brought by hundreds of parents in more than 145 school districts who claim the mask order denies students due process.

"Statutory rights have attempted to be bypassed through the issuance of executive orders and emergency rules," she stated in the 29-page order. "This type of evil is exactly what the law was intended to constrain."

I don't want to see any of this happen to you. All I want is what is best for you and our children.

Sincerely,

Jill Roswell

Unconstitutional and Illegal Actions:

Violation of Your Oath of Office: You have sworn an oath to uphold the Constitution of the State of California and the Constitution of the United States of America. You have failed to uphold both of these constitutions. We live in America and are free to live our lives without restrictions, abuse and unlawful mandates from elected government officials. Mandates are not enforceable laws. As an elected public servant you have no jurisdiction or authority to create or enforce mandates.

Practicing Medicine Without a License – You and everyone employed by this district such as teachers and administrators have engaged in the practice of medicine without a license, which is a violation of state law. You're recommending medical procedures, vaccination, with a wholly NON FDA approved product, that is licensed under an EUA. Meaning it's experimental and cannot be advertised at all, per federal law. And you have NON doctors recommending it to children – with NO informed consent. How can you give informed consent when the ingredients in these vaccinations won't even be released to the public until August 2022?

In California, it is illegal to practice medicine without a valid license within the state. According to the Medical Practice Act, Business and Professions Code section 2052, "Any person who practices or attempts to practice, or holds himself or herself out as practicing...[medicine] without having at the time of doing so a valid, unrevoked, or unsuspended certificate...is guilty of a public offense.

By mandating that I undertake a medical intervention as a condition of my employment, whether they are under a EUA designation OR full FDA approval, you are practicing medicine without a license.

You have not provided proof that if I wear a mask or take a COVID-19 injection, I will not subsequently contract COVID-19, become ill or die from COVID-19, or transmit COVID-19 to others.

Conditioning continued employment upon participating in a medical experiment and demanding disclosure of private, personal medical information may also create liability

under other federal and state laws, including HIPAA, FMLA, and applicable state tort law principles, including torts prohibiting and proscribing invasions of privacy and battery.

This **NOTICE** is to inform you of your **VIOLATION(S)** of my **CONSTITUTIONALLY PROTECTED RIGHTS** (Article 4:2:1) or **ANY OTHER RIGHTS, PRIVILEGES, OR IMMUNITIES** that I may have and **VIOLATION(S) OF DUE PROCESS OF LAW** as is required by US Code, Statute, the Constitution for the united States of America and the California Constitution.

BE IT KNOWN that you are **attempting to make law in the absence of due process of law by issuing** "Ordinances," "Orders," "Mandates," and other statements that create a color of law but are not actual law and you **DO NOT HAVE THE AUTHORITY TO DO SO**. THEREFORE, you are PARTICIPATING IN A CONSPIRACY that is IN VIOLATION OF YOUR OATH OF OFFICE. As an Oath Sworn public servant you are governed by the Contracts established by Federal and California State Constitutions and Federal Codes and Statutes and all **apply to you**.

You have not thoroughly researched the wearing of a mask or COVID-19 injections in order to determine if they have been fully tested and proven entirely safe for my private property. You cannot prove to me that the wearing of a mask or COVID-19 injection will not catalyze a lifelong neurodegenerative process, disorder, or disease by poisoning and disabling my private property's brain.

Be on Notice that YOU WILL BE HELD FULLY RESPONSIBLE AND PERSONALLY LIABLE for your actions under the pertinent US Codes (see attached schedule of fines) and Criminal and Civil Statutes, some of which are set forth in this NOTICE, but are not limited to this notice.

Abuse of Power: Color of Law or Color of Office: Section 1983 provides redress for constitutional violations committed "under color of" state law.² In *Monroe v. Pape*,³ the Court interpreted this phrase to include deprivations of constitutional rights caused by state officers acting either without authority or, what is much the same, in violation of state law.

In regard to requiring Proof of a Covid-19 Vaccination/Testing/Boosting/Masking for employees of Emergency Medical Services, Fire, Law Enforcement, Temporary Disaster Shelters, Dental Offices, Pharmacies, Students, Employers, Patrons, etc., this constitutes **direct and constructive notice** to you personally and to all your subordinates, and your or their replacements, successors, substitutes and agents. The purpose of this notice is to make you aware of violations of the law and allow you the due process right to correct them and restrict your actions to the limits placed upon you by the California State Constitution and the Constitution for the united States of America as well as case law including ***County of Butler v. Governor Wolf***, Case 2:20-cv-00677-WSS 1 and ***Home Building & Loan Assoc. v. Blaisdell***, 290 U.S. 398 (1934) 2 and ***Ex Parte Milligan***, 71 U.S. 2 (1866).

There can be no policy or procedure, rule, law or mandate, among others, that violate any unalienable rights, the Constitutions or Bill of Rights. 42 USC 1983- Civil Action for Deprivation of Rights: "Every person who, under color of any statute, ordinance,

regulation, custom, or usage, of any State, subjects, or causes to be subjected, any person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action of law."

42 U.S. Code § 1983 - Civil action for deprivation of rights: Every person who, under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia, subjects, or causes to be subjected, any citizen of the United States or other person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action at law, suit in equity, or other proper proceeding for redress, except that in any action brought against a judicial officer for an act or omission taken in such officer's judicial capacity, injunctive relief shall not be granted unless a declaratory decree was violated or declaratory relief was unavailable. For the purposes of this section, any Act of Congress applicable exclusively to the District of Columbia shall be considered to be a statute of the District of Columbia.

Any and all "COVID-19" "ordinances," "policies," "orders," or "mandates" including those given by a Governor or State Health Officer or Board of Supervisors (Ordinances 4461, 4464) or County Health Officer and including but not limited to orders for mandatory vaccination, testing, tracking, or proof of "vaccination", boosters and masking are not **law** and do not contain the force of law as they have not been passed by the State or Federal Legislature and further, no law created by any governing body that would require the People to consent to the violation of their natural, unalienable, Constitutionally protected rights can exist.

42 U.S. Code § 1985 - Conspiracy to interfere with civil rights: If two or more persons in any State or Territory conspire to prevent, by force, intimidation, or threat, any person from accepting or holding any office, trust, or place of confidence under the United States, or from discharging any duties thereof; or to induce by like means any officer of the United States to leave any State, district, or place, where his duties as an officer are required to be performed, or to injure him in his person or property on account of his lawful discharge of the duties of his office, or while engaged in the lawful discharge thereof, or to injure his property so as to molest, interrupt, hinder, or impede him in the discharge of his official duties.

The "orders" or "mandates" of a governor, board of supervisors or agent or officer of the Centers For Disease Control (CDC) or for a city, county or state health department are not law, and public "policy" cannot be created that would violate the Due Process Rights or Liberty of the People. Therefore, enforcement of such mandates or health orders at any level is a violation of the actual law and you can be held personally liable for that violation.

The information you are basing your polices on are erroneous, hearsay, based upon assumption(s) presumptions(s), lies or propaganda and not scientific facts.

§ 3-307. Notice of breach of fiduciary duty: (1) "Fiduciary" means an agent, trustee, partner, corporate officer or director, or other representative owing a fiduciary duty with respect to an instrument.

(2) "Represented person" means the principal, beneficiary, partnership, corporation, or other person to whom the duty stated in paragraph (1) is owed.

You have failed to provide me with informed consent regarding all potential, proven and/or unknown risks of these medical interventions, which include but are not limited to dangerously low levels of oxygen in the bloodstream, dangerously high levels of carbon dioxide in the bloodstream, depression, anxiety, suicide, severe anaphylaxis, myocarditis, cardiac arrest, stroke, autism, miscarriage, infertility, birth defects, chronic or acute autoimmune disorders such as blood clots or cytokine storms. Chronic or acute neurological disorders such as Guillain Barre Syndrome or Bell's Palsy. Severe complications from Antibody Dependent Enhancement (ADE), death

You have failed to provide me proof that the mandate you are imposing on me has been passed and signed through Congress as per Article I of the Constitution for the United States of America

Federal law, Title 21 U.S.C. § 360bbb-3(e)(1)(A)(ii)(I-III) of the Federal Food, Drug, and Cosmetic Act: Emergency dispensing - The requirements of subsections (b) and (f) of section 353, section 354, and section 360j(e) of this title shall not apply to an eligible product, and the product shall not be considered an unapproved product (as defined in section 360bbb-3(a)(2)(A) of this title) and shall not be deemed adulterated or misbranded under this chapter because it is dispensed without an individual prescription.

Any product that is not deemed FDA approved cannot be enforced or mandated. Masks, PCR testing and vaccines are under EUA (emergency use authorization) use only and it is illegal for any Federal or State government to mandate such items. Furthermore, you and your school board members do not have the authority to mandate EUA products.

Federal law prohibits any mandate of the mask as unlicensed, emergency-use-authorization-only. Subsection bbb-3(e)(1)(A)(ii)(III) of section 360 of Title 21 of the United States Code, otherwise known as the Emergency Use Authorization section of the Federal Food, Drug, and Cosmetic Act, demands that everyone give employees the "option to accept or refuse administration" of the Covid-19 vaccine.

Mandating the use of Experimental Use Authorization (EUA) products as a condition of my employment and my private property enrollment and/or without consent is a violation of Title 21, Section 360bbb-3 of the Federal Food, Drug and Cosmetic Act.

Title VII of the 1964 Civil Rights Act: To enforce the constitutional right to vote, to confer jurisdiction upon the district courts of the United States to provide injunctive relief against discrimination in public accommodations, to authorize the attorney General to institute suits to protect constitutional rights in public facilities and public education, to extend the Commission on Civil Rights, to prevent discrimination in federally assisted programs, to establish a Commission on Equal Employment Opportunity, and for other purposes.

Illegally creating and/or enforcing policies on minors in order to attend school violates their civil right to attend school as citizens of the United States of America. Restricting children's freedoms and forcing them to wear a mask that is dangerous and has no concrete scientific backing is in direct violation of their civil rights.

Drafting ordinances that falsely reflect the authority of the CDC or an appointed public servant within state agencies that lack direct accountability to the people violates at minimum Article 1, Sections 1, 2, 3, 4, 8, 9, 10, 11 and 19 of the California State Constitution as well as the First, Fourth and Fifth Amendments to the Constitution for the United States of America. To be clear, the People have waived none of our rights and do not consent to any ordinances that violate any of our natural, unalienable, Constitutionally protected and secured rights or any other rights that we may have.

Mandating my private property to declare private property's vaccination status and submit my private property vaccination documents as a condition of enrollment is a violation of my right to be secure in my person, house, papers and effects under the 4th Amendment of the Constitution for the United States of America.

COL (Color of Law): Section 242 of Title 18: Whoever, under color of any law, statute, ordinance, regulation, or custom, willfully subjects any person in any State, Territory, Commonwealth, Possession, or District to the deprivation of any rights, privileges, or immunities secured or protected by the Constitution or laws of the United States, or to different punishments, pains, or penalties, on account of such person being an alien, or by reason of his color, or race, than are prescribed for the punishment of citizens, shall be fined under this title or imprisoned not more than one year, or both; and if bodily injury results from the acts committed in violation of this section or if such acts include the use, attempted use, or threatened use of a dangerous weapon, explosives, or fire, shall be fined under this title or imprisoned not more than ten years, or both; and if death results from the acts committed in violation of this section or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse, or an attempt to commit aggravated sexual abuse, or an attempt to kill, shall be fined under this title, or imprisoned for any term of years or for life, or both, or may be sentenced to death.

If even one child is harmed, injured, or dies as a result of mask requirements, PCR testing, or receiving a vaccine as a result of your coercion, you and the entire school board members are liable for all injuries.

YOU ARE ALSO HEREBY WARNED that you will lose any "immunity" and be held fully responsible and personally liable for any unlawful actions which violate any of our Rights (including any fees or fines for damages which result from any violations pursuant to U.S.C. Title 18, Sections 241-242 and U.S.C. Title 42, Section 1983).

Intentional Disregard to the Dangers of Face Coverings: Masks can cause severe acne and other skin problems. The discomfort of a mask distracts some children from learning. By increasing airway resistance during exhalation, masks can lead to increased levels of carbon dioxide in the blood. Masks can be vectors for pathogens if they become moist or are used for too long. The use of masks has been proven to exacerbate anxiety

or breathing difficulties for some students. School staff are not monitoring for any of the above conditions.

UNESCO Universal Bioethics Declaration: The first principle advocated in the UDBHR is respect for “human dignity, human rights and fundamental freedoms” (Article 3). Although this principle had long been established since the 1948 Universal Declaration of Human Rights (United Nations 1948), which is today widely regarded as the cornerstone of the international human rights system that emerged after the Second World War, the UDBHR was the first international instrument to comprehensively integrate international human rights law into the field of biomedicine. By broadening the scope of the respect principle from personal autonomy to human dignity, the UDBHR overcomes a shortcoming of previous bioethics documents, which seemed to accord respect only to autonomous persons.

My private property physical body is my private property and I own the right to it. No School member can demand or prescribe a medical intervention. You are not medically trained to practice medicine non-consensually against me or my private property and to interfere with my statutorily acknowledged and God given rights as sovereigns to privacy in matters pertaining to my private property's health and body.

You have not provided, posted and/or distributed Hazardous Material Data sheets for the materials and ingredients used in face masks, COVID-19 tests, and COVID-19 injections in accordance with OSHA Code 1910.1200(b)(1).

As a free individual it is humiliating to be forced to wear a face covering at work, in public, when shopping or otherwise enjoying my freedoms out of my home. During the 16th century when slaves were traded across the Atlantic the slaves were masked to keep them in line. Masking is a form of slavery and it is not acceptable in today's society as a free nation under God. We are not the property of the government or any form of the government that believes they can enslave the people of this state by forcing them to wear masks and subject them to injections of a drug that has not been approved or tested. We are being used by the vaccine companies in their testing phase to see how effective this drug is. None of us has signed a clinical trial form yet we are mandated to take a non-tested injection that could physically harm or kill us.

The Nuremberg Code: “Everyone has the right to life, liberty and security of person... No one shall be subjected to ... inhuman or degrading treatment ... Everyone is entitled in full equality to a fair and public hearing by an independent and impartial tribunal, in the determination of his rights... No one shall be subjected to arbitrary interference with his privacy, family, home or correspondence...”

The Right to Informed Consent is Meaningless **Without the Right to Refuse Any Medical Intervention, Including Mandated Vaccination.** Government Agents and those **Acting Under Color of Law** are Forbidden by Long-Standing National and International Law from Coercing Vaccination. Furthermore, this includes mask mandates and PCR testing. Children under the age of eighteen years of age need a parent's signature on any and all documents that deal with medical testing and this includes PCR testing in school.

This right to refuse experimental medical devices implements the internationally agreed legal requirement of Informed Consent established in the Nuremberg Code of 1947. As the Nuremberg Code established, every person must "be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision" for any medical experimental product, as the masks currently are. The Nuremberg Code prohibited even the military from requiring such experimental vaccines. (Doe #1 v. Rumsfeld, 297 F.Supp.2d 119 (D.D.C. 2003).

Demanding employees, students, and parents divulge their personal medical information invades their protected right to privacy and discriminates against them based on their perceived medical status, in contravention of the Americans with Disabilities Act. (42 USC §12112(a).) Requiring me or my private property to wear a face covering as a visible symbol of my vaccination statuses reveals my personal medical information and opens me to harassment, discrimination, or censure.

This notice is provided to inform you that the Notifying Party has provided the above descriptions of the unconstitutional and illegal actions that have endangered my health, the health of my family, and every person that lives in this county.
