### PROGRAM ACTIVITY UPDATES

#### SUBSTANCE USE DISORDER SERVICES (SUDS) (Salina Drennan)

- Prevention: The Youth Action Council adult leadership team is meeting weekly. Adult and youth leadership meet together to work on social media for the YAC twice monthly, and we have an in-person youth-adult meeting once a month. Right before Christmas break, the youth launched a social media kindness challenge at Union Mine High School. The purpose was to engage youth in kindness surrounding mental health and SUD.
- The main focus of the YAC right now is working with community partners to host an Opioid Prevention Event to screen a film called Fentanyl High. It is a documentary made by youth, for youth, parents, and community members to watch and be educated/informed on the dangers of fentanyl among youth. This is a multi-agency coordination event. The film is set to be screen in March at the

Placerville Cinema, and will consist of the documentary, a speaker panel, and local community resources in the lobby. More information to come as we have different planning committees working diligently to make the event possible.
