Placerville, California 95667

RE: Resolution to Authorize Auditor-Controller to Reissue Stale Dated Checks

Ladies and Gentlemen:

**Recommendation:**

Auditor-Controller recommending the Board of Supervisors adopt the attached resolution authorizing the Auditor-Controller to reissue stale dated checks in amounts up to \$10,000 when the Auditor-Controller determines that it would be inequitable or unreasonable not to reissue the stale dated check.

**Reason for Recommendation:**

Government Code Section 29802 provides that the Board of Supervisors may by resolution authorize the Auditor-Controller to reissue stale dated checks. The Auditor-Controller has been reissuing stale dated checks for at least the last 32 years but is unable to find a copy of the prior authorizing resolution. The attached resolution will affirm the Auditor-Controller's authority to reissue stale dated checks.

**Fiscal Impact:**

This item will have no impact on the County General Fund.

**Action to be Taken Following Approval:**

The Board of Supervisors will adopt the Resolution and forward two (2) certified Resolutions to the Auditor-Controller for processing.

Sincerely,

Joe Harn  
Auditor-Controller
