Why do you seek appointment?	I am seeking this appointment to help the County make reasonable and fair decisions on assessments. I am a seasoned board member with a reputation for fully considering all issues, doing my homework prior to meetings, and collaborating with peers to arrive at the best solution. I have extensive experience with public meetings, including adhering to the Bagley-Keene Act (state government's "Brown Act") ... and am very familiar with Robert's Rules of Order. I've also been involved in real estate since I was a teenager and helped manage my family's properties. My experience as California Real Estate Commissioner provided me with deep insights into the complex dynamics of the real estate sector. I believe have the right combination of experience and real estate expertise to be an effective member of this board.
