

APPLE HILL HARVEST RUN

Parking & driving

PARKING LOTS

- ① Camino School
- ② Lot across from Camino School
- ③ SP1
- ④ SDA Church (overflow only)

***We strongly suggest car pooling!
Please arrive early!***

You will need to arrive 30 minutes earlier than you normally would for other events.

If you are coming from the Sacramento area, allow 1 hour of driving time.

There are three exits off of Highway 50 – the Carson Rd. exit, Camino Exit and Cedar Grove exit (approximately 8 to 9 miles east of Placerville and 45 miles west of South Lake Tahoe) – that will take you to a race parking lot. We highly recommend taking the Cedar Grove exit to avoid a backlog of cars in the fast lane on Highway 50.

Important parking instructions: There is no parking at the race site or on the roads along the course so please allow plenty of time. Please look for signs and volunteers directing you to parking areas. The majority of parking will be available at or near Camino School (lots 1 & 2) on Snows Road. Snows Road is a narrow, two-lane road so please be patient. Camino School is only 0.4 miles from the start/finish at Primus Vineyards. Most participants will walk to the start, however, we do offer a free shuttle bus. Shuttle buses will run continuously before and after the run beginning at 7:15am. A sweats check is provided in the staging area for your convenience.

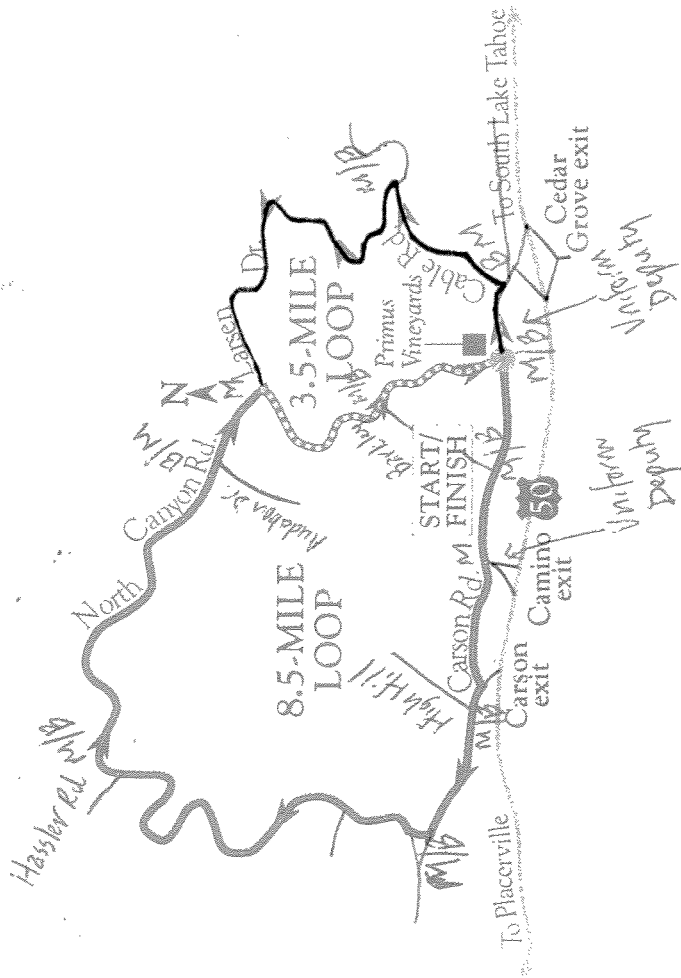

Important Note: If you have kids participating in the kids' ½-mile race, please plan on arriving no later than 7:30am. The kids' races start at 8:30am.
