To The Planning Commission

I Lived at Fresh Pond Farms 1959  
 To 1977, I used to get my mail at  
 Pacific House On Box 55. At the time  
 was there was a garage at Pacific  
 House but it was never in use. It was  
 a storage place for Dees Kiasuff's car and  
 belongings. The gas station sold gas only  
 store, post office and bar. There was  
 never a mechanic working since I  
 have lived in the area. It is a shame  
 because of all the hard work Dee did  
 to plant all of the flowers and trees  
 - hope you get this eye sore taken care  
 of. There was a junk yard there

is a historical place

I John Carter used to live at  
Fresh Pond in the 50's and I used to go  
down and help Dee Tending Bar and Steve  
do's working on building repairs and there  
was a shop or anything to work on cars I built  
a laundry room and a apartment up stairs  
when the old Hotel burnt down so it is  
clear in my mind that there was no  
garage at Pacific House CA 95725
