Kathi,

If Aileen has a replacement ready to go, I can resign any time. I meant to talk to her but haven't made the time. Can I just resign by email? I can help orient the new person, but probably not as well as you can. Let me know if I can help.

Dear Clint,

I hope you are doing well. I wanted to follow up with you regarding your position on the Commission.

You had indicated you were interested in finding another representative from the Sierra Sacramento Valley Medical Society and I followed up with Aileen Wetzell to better understand the process. She has identified an interested candidate, but I am hesitant to move forward without fully understanding your interests.

If you would like to continue with the Commission and find your schedule can permit meeting attendance, please let me know. Contrary, if you would like to celebrate the many years you have participated on the Commission and step down, I would need to have your resignation.

What is your preference? I am happy to support you either way.

Sincerely,

Kathi
