RE: Extension request for TTSD

Dear Gerri,

Please accept this letter as our request to formalize the extension of our current contract by two years, commencing on January 1st, 2015. This is the first of two possible extensions available within the current contract. We are currently working with staff at El Dorado County to revise and complete a new longer term contract for the future, but at this time would like to exercise the option of renewing the current contract through December 31st, 2016.

Thank you, to you and your Staff, for the continued opportunity to provide service to the residents and businesses of El Dorado County. Please feel free to contact us directly with any questions that may arise.

Regards,

 6-30-14
